Guest Speaker at April 12th meeting - John Carlson, NAACC

Briefly for those who don't know - NAACC is something of a lobby group intent on pursuing unfair government legislation (green or otherwise) against car hobbyists. For example, a major piece of "green" initiative is to remove all cars 1995 and older from our streets. If you think this is fantasy then who would have thought smoking would be banned in pubs?

The National Association of Automobile Clubs of Canada has entered into a formal working partnership with the Historical Vehicle Association. The HVA is the newly formed North American voice of the collector vehicle hobby in both Canada and the USA. (According to the NAACC webpage, "Hagerty Insurance graciously provided the funding necessary to make this happen.") See the new www.naacc.ca See their site for more information on Speed Limiters (not an issue for most of us ...), Scrappage (definitely an issue for us), ... and other subjects that may or may not pique your interest.

TO MEMBERS

I would like to thank you so much for the very nice retirement card, that was a wonderful surprise. Retirement lasted about five minutes! I am now running Hagerty Classic Car Insurance for Canada. With B.C., Alberta and Ontario to look after I am busier than I have ever been. I must come and give you all a presentation and tell you about the benefits of insuring with Hagerty vs ICBC. I think I might have a bit of inside information in that regard!

I am sure I will see many of you at the ABFM, if not before

Kindest Regards Nigel Matthews

MEMBER TO MEMBER

Tony Cohen is organizing an expedition of MGs to Sonoma. Departing 7 September 2010 and returning about 18 September. Route down generally along the Oregon and California Coasts, 3 days in Sonoma and returning along an interior route, with a stop in Cottage Grove for a tour of the covered bridges. If you are interested in joining the trip, contact Tony at canscuba@shaw.ca

29th running of the LaConner Tulip Daffodil Rallye. For more info or to get entry form, call Ken Bottini @ (425) 883-9615, or day of (425) 577-8613 (cell). We chose not to create T-Shirts & Dash Plaques this year; instead contribute that money to a Haitian earthquake fund.

***Car parts picker upper. I have a utility trailer that I am not using. Its 3 3/4 feet wide by * 9'ish long The only thing is that I don't have room to store it while my yard is under construction. It's perfect for motorcycle hauling or even picking up car parts. I thought I would see if anyone wants to use it for the next year or so. If you have room to park it and a need, give me a call.
