

CXKJR / CCMGC NEWS BULLETIN – FEBRUARY 2017

Dear Members:

This is our second monthly bulletin in advance of our monthly member's meeting, and contains some important information for you.

Membership Renewals

This is our last reminder to you to renew your membership if you have not already done so. If you have not, this will be the last communication you will receive from the club, you will no longer receive Classical Gas, and Jaguar members who have not renewed will not be renewed with JCNA. If you still wish to renew, you can bring your completed membership forms to next week's meeting and hand them in to Len Walker, or you can mail them in as many of you have already done.

Next Member's Meeting

Our second members' meeting for 2017 is this coming Tuesday February 14 at 7:30 P.M., and in response to member input we will have a Valentine's Night Social! This evening will take on a format similar to our Christmas pot-luck with round tables, and a shortened business meeting followed by lots of social time to share with fellow club members.

In appreciation of our members, the club will be providing pizza, cake, and coffee for you to enjoy. In order to provide adequate food for all we require an approximate number of people attending. If you have renewed for 2017, you should have received an email invitation to which we would ask you to respond if you are planning to attend. We hope you will plan to come out and celebrate the evening with us.

JCNA AGM 2017

Our club is pleased to host the 2017 Jaguar Clubs of North America Annual General Meeting at the River Rock Casino and Resort in Richmond on March 16-19, 2017. We are looking for additional volunteers to help with the distribution of packages at the registration desk on the following dates:

Thursday March 16 between 1:00 pm and 7:00 pm

Friday March 17 between 9:00 am and 4:00 pm

Saturday March 18 between 7:00am and 10:00 am

If you can assist during any of these periods, please reply to Jim McLagan at jmclagan@shaw.ca or call 604-538-4579.

This event is an opportunity to attend the annual JCNA meeting, meet fellow Jaguar enthusiasts from all over North America, and discover how the organization works. We encourage club members to consider attending parts of the event, which includes a Saint Patrick's Day Party on Friday night and the Awards banquet on Saturday night. Please note that the deadline for registration is **February 22**. Further details may be found on the JCNA website at www.jcna.com.

Name Badges

Your executive is proceeding with implementation of our new logos and you will soon see them in Classical Gas and on our website. We are preparing new banners for shows and updating our display boards. We are also proceeding with new name badges for members at this time, and have received samples which were shown at the Mid-Winter Gala. The badges will be magnetic, and rectangular with the logos on the left and the name on the right. The logos and names will appear in dark green on a silver background.

In response to input from members, we are providing you with three options:

Type 1 = CXKJR Logo on the left; first and last name on the right

Type 2 = CCMGC logo on the left; first and last name on the right

Type 3 = both CXKJR and CCMGC logos on the left; names on the right (logos will be smaller)

This initial run of new name badges will be provided to members at no charge. To obtain your name badge, you must be renewed for 2017, and you must submit a request via email to thorton@telus.net with the following information:

1. First and Last Name for you (and your spouse if applicable)
2. Choice of Badge (Type 1, 2 or 3)

We need to have the new badges available for distribution at the March members' meeting so that members will have them in time for the JCNA AGM, so the deadline for receiving name badge requests is **Wednesday March 1**. Please note that this is a firm deadline; orders received after this date will be included in a later run. The new name badges will be distributed at the March meeting. If you live outside the Lower Mainland and need to have yours mailed, please indicate so in your email request, and be sure to provide a complete and current mailing address.

We are also working on tool box and window decals, and options for apparel with the new logos will follow in due course.

Happy Motoring,

Timothy Horton

CXKJR President
