## SPECIAL ANNOUNCEMENT! ANDY SMITH TO MAKE RETURN VISIT

We are very excited to announce a return presentation of \*Andy Smith\* at the January 11th membership meeting. Andrew is the friend of John Clarke, who builds the cars and directs the car stunts for the James Bond, and Batman movies, along with several others. We know that those of you who attended the last presentation will be looking forward to this very special return engagement. If you like cars, stunts, and movies YOU WILL NOT WANT TO MISS THIS MEETING. Andy and John have now got the video files that we could not run at the previous meeting working, with the club projector, so this should be a most entertaining event to start off the new year with a bang. \*\*This special night is not an "open event" and is for currently paid up members and their partners only - so if you have not paid for the 2010 year, be prepared to pay up at the meeting. We look forward to seeing you at this most entertaining evening - arranged by John Clarke.

Little Classical Gas received an email from the travelers in their 1928 Graham-Paige ! Candelaria, Pampa, Tehue, Paloma, Wallaby and Herman Zapp Let's keep chasing Dreams, Now in Australia!
