

CXKJR / CCMGC NEWS BULLETIN – JANUARY 2017

Dear Members:

On behalf of your new club executive, a very Happy New Year to you and your family! We wish all of you a happy and healthy 2017. With no one presently coming forward to take over Little Classical Gas, we have decided to opt for a simpler format and will use the existing email list to send out a monthly news bulletin in advance of each member's meeting. This bulletin will be restricted to a few important and timely items, and will not contain advertisements or classifieds.

Your new executive met for the first time on January 2 and we are all excited about working for the benefit of our club. We will be making some subtle changes in order to streamline our meetings, and we will be soliciting input from members when possible to do so.

Membership Renewals

If you have not yet done so, now is the time to renew your membership. This is particularly important for Jaguar members who wish to have their JCNA memberships renewed, which entitles you to receive the Jaguar Journal and enter into JCNA sanctioned events such as Concours and Slalom. You can bring your completed membership forms to next week's meeting and hand them in to Len Walker, or you can mail them in as many of you have already done.

Mid-Winter Gala

The date for our first social event of the year is fast approaching. If you wish to attend this event, please email your intention to attend to Fred Wallace at freddybear@telus.net, and bring your cheque to next week's meeting. The date of the event is Saturday, January 21 and the cost is \$50.00 per person.

Next Member's Meeting

Our first member's meeting for 2017 is this coming Tuesday January 10 at 7:30 P.M. We will be announcing our calendar of driving events and social events for 2017, we will be presenting some opportunities for members to organize driving events, and we will present the second in our autobiographical series featuring member Roy Gill and motorcycle racing. We hope you can plan to join us!

Happy Motoring,

Timothy Horton
