

# Canadian XK Jaguar Register/Canadian Classic MG Club Monthly Newsletter

July 2016

littleclassicalgas@gmail.com (editor: Rhonda Gale 604.521.3021)

REMINDERS: Saturday, July 9th  
a celebration of British Columbia's "Classic Car Appreciation Day"  
Koffee Klatch and the final *Powley Prowl*  
Gathering of Friends (Lex Vanwely)

The final 'Powley's Prowl', which is also the **July 'Kaffee Klatch'** will take place on Saturday. Appropriately, this is also the day chosen by the BC government to honor 'Classic Cars' (and a day we will remember many of our own Classics).

We will meet at the Burnaby clubhouse at 10:30 departing at 11:00 for a rather 'convoluted' drive to the Stewart Heritage Farm on at 13723 Crescent Road, between Highway 99 and Crescent Beach, to enjoy our picnic lunch. The drive will take about 1 hour and 45 minutes, give or take. You may also omit the drive and meet us at Stewart's Farm. Contact Ric MacDonald 604.966.0660

As Prime MINister of the Vancouver Mini Club, I am empowered and overjoyed to issue an informal invite to Jag and MG chums to join the VMC for an evening of casual drag racing at Mission Raceway on the Friday 15th July. This is the regular \$20 run-what-you-brung event, and we're just going to have a bit of fun throwing entirely unsuitable cars up the dragstrip. 34bhp, yee-ha. Some might say that Jagwahs and MGs are equally unsuitable and thus just as much fun. If you'd like, pass this on to your fellow members - that would be fab.

## Opportunity to Join the Executive!

Due to the resignation of MG Vice-President Robert McMillin, the Executive is asking for nominations to fill this vacancy. Anyone interested in nominating another member or stepping forward themselves for the MG VP position should contact Fred Wallace at [freddybear@telus.net](mailto:freddybear@telus.net) or 604 351 4269 or Greg Wagorn at [gwsilkcat@gmail.com](mailto:gwsilkcat@gmail.com) or 604 929 9502.

## Update : Club Logo re-Design (as requested and required by Jaguar Land Rover )

Following the membership's expression of approval to move forward with logo re-design at our last general meeting, our executive has approved the decision and we will now form a sub-committee from those who volunteered to look at all possibilities for revising our club logo. We would like to provide an opportunity for any members at large to provide input, whether it be constructive comments or concept sketches. Keep in mind the following:

1. Our logo must meet requirements for appearing on letterhead, in print, and on our website.
2. Our logo must meet requirements set forth by the licence agreement between JLR and JCNA.
3. Our logo must use the official Jaguar and MG logos in separate and unaltered formats.

You are welcome to submit constructive comments, general thoughts, or concept sketches to me via email up until July 15. I will then take them to our logo sub-committee.

## Register for Heritage Now!!

For those participating in any part of the August 19 to 21 Weekend, the Heritage Planning Team needs your cooperation in registering now rather than later. Why?

The award plaques are being ordered and the number and type depend on what cars are coming and in what classes. The arrangements for the Friday Night Welcome Reception, the Saturday Night Dinner and the Sunday Farewell Lunch depend on the number of people participating. And don't forget the Sunday Slalom!

There are three ways you can register:

1. For those attending the July 12 Membership Meeting

Bring your completed registration form (and your cheque or cash if you are paying that way) to the meeting – or you can also complete the form at the meeting.

2. Using one of the two registration forms on the club website [www.jaguarmg.com](http://www.jaguarmg.com)

2(a) The "download, print out & fill in by pen" version

Normally you would use this version if you were going to print out the form and then complete it with pen and send the completed form to the Heritage 2016 Registrar by Canada Post. Given the likely Postal Strike, please do not mail the form using Canada Post. If your printer has a scan feature, you could complete the form with pen, scan it and then save the scanned document on your computer to email to the Registrar at [kayte.lawrence@gmail.com](mailto:kayte.lawrence@gmail.com)

2(b) The "fillable" version

You can complete this version online and then save the completed form on your computer to email to the Registrar at [kayte.lawrence@gmail.com](mailto:kayte.lawrence@gmail.com)

Note that some internet browsers do not support fillable forms, so you may want to right-click and save the form on your computer before opening it and filling it in.

Payment to Register for Heritage 2016

There are three options:

(a) By cheque if you are coming to the July 12 meeting.

(b) You can add your Visa information at the bottom of the Heritage Registration form on either version of the form.

(c) You can use PayPal (to pay via Visa, MasterCard or American Express) by clicking on the PayPal button located immediately below the two versions of the Registration form on the website.

Questions?

If you have problems using the registration form on the Club website, please contact Mike Harford, our Website Administrator at [mharford@telus.net](mailto:mharford@telus.net)
