DRIVE YOUR MG OR JAGUAR DAY
SUNDAY 13 JUNE 2021

The 2021 Drive Your MG or Jaguar Day was postponed to Sunday June 13th. The Monte Carlo start format for this year allows you to choose one of three different starting points – North Vancouver (10.30am), North Surrey (10.30am), or the Burnaby Lake Club House (11am). However, you must pre-register for the event by sending an email to patilbury@shaw.ca, stating:

- (a) Your preferred starting point.
- (b) The names of all the people in your car.
- (c) The make and model of your car.
- (d) A cell phone contact number.

You will receive the route notes by email a few days prior to the event. If you originally registered for the event that was to be run on May 1st, please register again. The event will run rain or shine, and we ask that the current Covid 19 protocols for BC be observed. For more information, call or text Peter Tilbury on 604 889 5067.

SEA TO SKY HISTORY CRUISE

Part 1 - West Vancouver to Squamish

Saturday July 10

Organizer: Timothy Horton

(to mark BC Collector Car Appreciation Day)

Part 2 - Squamish to Whistler or Pemberton

Sunday August 1

Organizer: Les Garbutt

Join us for a two-part history cruise along the world-famous Sea to Sky corridor. We will share some of the fascinating history of this area including First Peoples' origins, early exploration and development of transportation and tourism, as well as enjoying two drives along one of the premier motoring routes in North America.

Details remain tentative at this time due to forthcoming changes to pandemic restrictions; as the situation in July and August becomes clearer we will share details with members via Little Classical Gas. Both runs are subject to health guidelines in place at the time.

Many of you may recall that either as a new member or at some point years ago you were given a card that enabled you to get a discount at Lordco. If you still have your card, great, but if for some reason you never received one or you did but somehow it has disappeared and you would like a Lordco discount card, please send this request to Diane Stanley at diane14248@gmail.com and she will ensure you get one.

CLASSICAL GAS CONTRIBUTIONS WELCOME

COVER: The July August Classical Gas will have a Jaguar on the cover. If you have a high resolution, vertically oriented photo of your Jaguar, please consider submitting it.

RACING: Have you ever raced an MG or Jaguar? If so, why not write an article about your racing adventures?

TECHNICAL ARTICLES: It seems we have more MG technical articles submitted than Jaguar tech articles. While we welcome both, it would be particularly helpful if we could have more Jaguar ones.

NEW FEATURE: If you have a Jaguar and an MG, we are starting a new feature in the July August issue about club members who have both marques.

If you are interested in contributing any of the above, please contact Classical Gas Senior Editor Jennifer Orum at jlorum@shaw.ca before sending in any submissions.
