TAKE DAD TO THE TRAINS – THE MINIATURE RAILWAY PICNIC SUNDAY, JUNE 15

The B.C. Society of Model Engineers invites us all to visit their two mile long passenger carrying Burnaby Central Railway. The Railway is located in Confederation Park at Willingdon Ave. and Penzance Drive, just a few blocks north of Hastings Street. The date is Sunday June 15th and the Railway site is open from 11am to 5pm. Most of the car club members arrive between noon and 2.00pm. There will be dedicated parking for marque cars on the lawns between the site fence and the street, look for the club sandwich boards.

Admission is free and the CCMGC and CXKJR have made a donation, which ensures as many free rides as you can stand, so bring the kids too! There will be a private train reserved for us, however you can ride any train in service by joining the line-ups.

Light snacks etc, are available from the concession, and you are welcome to bring a picnic and to use the tables reserved for your use. If you have any queries call Joe at 604.988.2497.

Club Slalom Practice Event
