Mike's Collectibles Night Club meeting March 8th

There are still a few spaces left for members to display their models and/or other collectibles (not required to be car-related) at the upcoming membership meeting. If you would like to bring a display, contact Chris Venning at triogold@shaw.ca or 604-462-8638.

Spring Run "Across the North Shore" March 19th

Organized by Greg Wagorn and Timothy Horton, the Spring Run will start with a scenic drive through North and West Vancouver, ending up at the West Vancouver Yacht Club for lunch. Up to 40 participants will be able to visit the nearby Peter Welch world-class MG collection. In order for arrangements to be made for lunch and the visit to the MG collection, those wanting to participate need to sign-up at the March membership meeting or notify Jennifer Orum at jlorum@shaw.ca March 11 at the latest.

GRAND TOOL RECOGNITION CONTEST

Members will guess the name OR function of each presented tool. There will be prizes. First prize a bottle of homemade wine; Second prize, two bottles; Third prize, three bottles. (This is not an error, you would not believe how bad this wine is.) Seriously, there will be proper prizes.

We are seeking tools that

- are not present in every garage
- may be simple or complicated
- are unique inventions, perhaps your own
- are BL special tools

Bring your tools to Model Night March 8th at 7 pm, to allow them to be cataloged, numbered, photographed. If you have a tool that is too large a good photograph will suffice. The contest will be held at the April or May meeting, when you will be asked to return with the tools and they will be put on display. Members will guess the name OR function of each presented tool. Participation is encouraged! Please contact Alan Yorke 604-261-8841 for more information.
