ANNUAL GENERAL MEETING

13 November 2018

7:30 pm

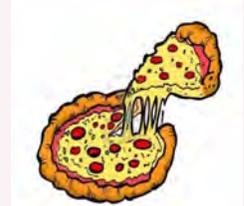

The next meeting will be our 2018 AGM. You will previously have received details from Tim regarding the agenda and the constitution.

There are several positions available on the executive, please consider helping your club as without volunteers we would not be the successful club we have been for the last 49 years.

After the formal meeting we will adjourn for a social evening and pizza.

THE WORD 'JAG' – English Oxford Dictionary

Abbreviation: Judge Advocate General

Definition 1:

Noun: A sharp projection – “It’s only reachable by a trail and several flights of stairs, but the beach itself is glorious, the sand bleached almost white and the waves lapping at the huge jags of stone erupting from the earth”

Scottish: An injection – “However, news broadcasts are catching me out all the time with reports about the controversial MMR jags, flu jags or latest drug deaths”

Verb: Stab, pierce or prick – “she jagged herself in the mouth”

Definition 2:

North American informal: A bout of unrestrained or excessive indulgence in alcohol or drugs, or in a particular emotion or activity – “a thirty-five minute crying jag”

Dialect – A bundle - “a jag of hay”

Finally Definition 3

A Jaguar Car – “an E-type Jag”

MARKET PLACE

***FOR SALE - 1989 JAGUAR VANDEN PLAS

Grey. 93,000 km. Lovingly driven and maintained since lease buyout in 1992 with regular servicing by MCL Motors, XJ Motors, and Octagon Motors. Service records available. Rated in excellent condition by Octagon. Low mileage is due to significant overseas travel in early years and health issues in recent years. Always parked in garage. No collisions, only parking lot damage which was fully repaired. Only issues are radio security code lost, so not working, and new solenoid needed for highway cruise control.

Asking: \$5,000 Cdn

MARKET PLACE

*****FOR SALE**

1970 MGB GT

The car was built in May 1970 in a mustard colour for the California market. I bought it in the early 1990's from a young chap who wanted to buy a van. It was then a dark red. The engine had been re-built, fancy wheel rims, an aluminum valve cover, and stereo speakers had been installed; all of which I removed and replaced them with original parts as well as a new set of Continental tires. I replaced the rocker panels and one fender and had the car painted with Jaguar paint called "flame red". My wife and I took the car to a few car shows and the Vancouver-Whistler run. I also drove it to work and around Vancouver for pleasure. But shortly after I retired we had three cars and being unwilling to buy insurance for all of them I put the MG up on blocks in my garage. Two years ago I hired a mechanic and we changed the needle valves, balanced the carburetors and had the engine running smoothly. We changed a portion of a brake line, installed reconditioned callipers on the front wheel disk brakes and did some maintenance on the rear drum brakes. I purchased a new set of floor carpets, etc., but they have not been installed. One year ago I trucked it to Ladner and had more work done to hopefully bring the car to collector status but unfortunately it failed because of a few relatively minor problems. Shortly after that we sold our house and rented an apartment. I drove the MG to its new home, the underground garage of our apartment building where it has rested since last September. It is a good car but needs some work to make it roadworthy again.

The 1970 GT is a relatively rare model Hennings lists only seven for sale from the years 1970 -1976 with only one 1970. The average price for the seven is \$12,800 USD.

PETER JOHN WEBB

North Vancouver

Peter passed away unexpectedly on 15 October 2018. He was always tinkering with his MG and operating his miniature railway. A member of the "unclub".

****FOR SALE**

1964 MGB

She's a concours example, sporting all the original, hard to find early MGB parts and details. I was careful to maintain as much original parts as possible because the original quality is so much better than the repro's available today.

She's as original and pristine as they come. Featuring body and paintwork by Coachwerks. She's won awards, she runs and handles beautifully. She even has a full new set of Blockley vintage style tires. She's going to make her next owner very happy! Visit

Geoff Chrysler

***FOR SALE**

This sought after 1969 TR6 is in terrific condition. Imported from Texas in 2007, this is a very pretty car and as it was when it left the factory. No modifications, original engine with electric overdrive transmission. Excellent black soft top and tonneau cover. All gauges, including period correct AM/FM radio in working condition. Luggage rack and rare front and rear bumper guards, new chrome. Comes with Coker Classic redline tires. The black interior has updated seat covers, there are no cracks or rips, fresh carpeting and the woodwork is flawless. The car can presently be seen in Vancouver.

Truly an exceptional car for \$20,750, reasonable offers considered.

**** FREE PARTS**

I have 2 brand new brake discs, one front & one rear, originally for a 1966 Jaguar 3.8S. I also have an electric cooling fan and a Smiths voltage gauge. When I was in the Jag Club from 1985-2003, Jerry Parkhill maintained a considerable parts stock. I would like to donate these to a club member and parts stockist, hopefully, not too far from North Vancouver. Anyone interest contact Paul Akerhielm at 604-209-5364 or email pcakerh@gmail.com
