

Canadian XK Jaguar Register/Canadian Classic MG Club Monthly Newsletter

October 2012

littleclassicalgas@gmail.com (editor: Rhonda Gale)

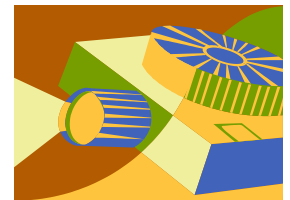

The club has recently been advised by the **Burnaby Lake Clubhouse** manager that the south end of the parking lot (closest to the building) will be repaved starting as early as Tuesday, October 9th which coincides with our meeting night.

Members attending the meeting are therefore advised and requested to **use the north end of the parking lot**. Street parking may also be available however, if the current great weather continues, these parking areas may be fully utilized by the tennis players.

Sorry for any inconvenience.

There will be a slide show about the trip to Goodwood at the October club meeting. Welcome back to those members who were away on holiday!

Every year Doug Gale collects donations from club members (and others) and presents it to the Lower Mainland Christmas Bureau to be used to provide Christmas joy to those less fortunate than ourselves.

HO HO HO—can you believe it's almost Christmas?

Well, it's not really BUT it is almost time for Kruse for Kids. On Sunday, November 4th come and join other car enthusiasts who meet at the Red Robin Restaurant parking lot in Guildford Town Centre, starting at 8 AM, for a 10 AM departure to the Langley Convention Centre. Call Doug for details 604-521-3021
