Kruise for Kids is the car driver's equivalent to the much publicized Motorcycle Toy Run. It is an opportunity for Car Clubs to get together and drive with their unwrapped toys to a central location and donate both cash and toys, as a group, to the Lower Mainland Christmas Bureau. For over 10 years this has been our club charity and has enabled us to apply for grants and donations to events such as Heritage. You can expect to hear from Doug this month encouraging both your generosity and participation. Thank you everyone for your support

1964 MGB

She's a concours example, sporting all the original, hard to find early MGB parts and details. I was careful to maintain as much original parts as possible because the original quality is so much better than the repro's available today. She's as original and pristine as they come. Featuring body and paintwork by Coachwerks. She's won awards, she runs and handles beautifully. She even has a full new set of Blockley vintage style tires. She's going to make her next owner very happy! Visit <https://detailenthusiast.weebly.com/blog/my-beautiful-1964-mgb-the-best-for-sale> for more pictures and details.

This sought after 1969 TR6 is in terrific condition. Imported from Texas in 2007, this is a very pretty car and as it was when it left the factory. No modifications, original engine with electric overdrive transmission. Excellent black soft top and tonneau cover. All gauges, including period correct AM/FM radio in working condition. Luggage rack and rare front and rear bumper guards, new chrome. Comes with Coker Classic redline tires. The black interior has updated seat covers, there are no cracks or rips, fresh carpeting and the woodwork is flawless. The car can presently be seen in Vancouver.

Truly an exceptional car for \$20,750, reasonable offers considered.

**\*\*\* FREE PARTS**

I have 2 brand new brake discs, one front & one rear, originally for a 1966 Jaguar 3.8S. I also have an electric cooling fan and a Smiths voltage gauge. When I was in the Jag Club from 1985-2003, Jerry Parkhill maintained a considerable parts stock. I would like to donate these to a club member and parts stockist, hopefully, not too far from North Vancouver. Anyone interest contact Paul Akerhielm at 604-209-5364 or email [pcakerh@gmail.com](mailto:pcakerh@gmail.com)
