LITTLE CLASSICAL GAS

ODDS & ENDS PAGE

(rather like that drawer we all have where we keep those ever so important odds and ends)

A full-page In Memoriam for Mike Powley is being included in the September/October *Classical Gas*. Anyone with a good photo of Mike at a club or other car event is asked to forward the photo to Jennifer at jlorum@shaw.ca before September 17. Those who knew Mike well are also invited to send along stories about experiences with him - please keep the size of such submissions to one small paragraph. Thank you. [Jennifer Orum, Classical Gas Editor]

Rather than a memorial service, we [Rosemarie, David, + Marianne Powley] will be having a celebration of Mike's life in the coming month - most likely towards the end of September. No firm date has been settled on at this time, but rest assured you can expect to hear from our family in the coming weeks about a date and location.

In lieu of flowers, we would kindly request that donations be made to: The White Rock/South Surrey Hospice Society in memory of Mike Powley attn. Residence Fund. 15510 Russell Ave. White Rock, BC V4B 2R3

Our members who wish to contribute may do so at the September meeting; others can forward their contributions via mail or call Doug Haakonsen to arrange to donate. The executive has voted to make a donation also, in acknowledgment of Mike's years of service and dedication to our club.
