## St. Patrick Day's Parade.....

The owner of the Celtic Treasures on Dunbar, Steve Advertising, and a fine basket for Heritage. I'd very Jags and MGs. The parade is the 13<sup>th</sup> of March, Bridge and ending around Hastings. If we tell to expect he'll try and arrange to have the dig-prominent place in the parade. We should come to promote the clubs. As Vito pointed out, we should be able to get a few out. With to insure the cars a month early. I've down-will fill them out and submit them, unless there Check out the details at [www.celticfest.com](http://www.celticfest.com) . It's

McVittie, has been very supportive of our club. CG much like to support him in this venture with both leaving from the north end of the Granville St. him in advance, prior to Feb. 1<sup>st</sup>, how many cars nitary's ride with us to ensure that we get a up with some magnetic club logos for our doors, many cars are away for the winter in March but Collector plates it doesn't really cost that much loaded two application forms for the clubs and are strong objections. a week long event which looks like a lot of fun.

## 2005 Club Calendars....

Information from Al Riches an the 2005 Calendars. I have now received the 2005 Calendars, 20 MG and 12 Jaguar. The price will remain at \$12.00, as an increase in shipping cost has been offset by the improved exchange rate. Those who have reserved will get first dibs. Anyone who has not contacted me and will not be at Monday's meeting should phone or e-mail me if they want one before they are all gone.

## LORDCO Discount Cards

Good news. We have just received our club's Discount Cards for distribution with paid up 2005 memberships. Remember, it's a good way to get a deal for those Christmas presents that you didn't get!

## Get Ready.....

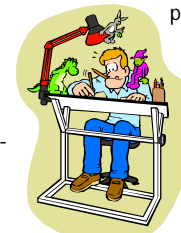

It's the first event (as usual) in the new year - The Wine & Cheese party at Bill & Nan Heather's. 325-54th St., Tsawwassen Ph 604-943-5303 from 2 - 5pm Sunday 27th February. Come and bring along a bottle of fine wine for tasting by all, cheese and crackers await your arrival! It's our event to shake off the winter blah's and start the year moving! Let's see you there for a cozy get together, meet new friends and enjoy the wine tasting.

## Membership Renewals

Get those renewals in right away as this is the last issue of LCG that will be sent to all of the 2004 members who have not renewed. Information for the Roster should be made available before the end of February as that is when it is closed and will be sent for printing. Welcome back to all renewed members and a hearty welcome to all of our new members. We look forward to seeing you at the Burnaby Lake Clubhouse at the foot of Sprott on Sperling for the monthly meeting - 2nd Monday of the month

## Sender's Auto Craft

At this month's meeting Bill Sender is going to speak on automotive metalworking. Bill is a true "panel-beater".

He is planning to touch a upon:

- The history of metalworking.
  - The differences between the classic styles of the Italians, German and British
  - Tools past and present.
  - A demonstration
- Open question period.

## Members, March is Mad Mike's Model Mania month!!

Roll up for another magical evening of model displays and the competition for best models on display. There is an application form with Al Riches at this month's meeting and also on our website. Blow off the dust from your models and get them out to the next Club meeting and let's see what you have. Thanks Mike. Ed.

## 24<sup>th</sup> Annual LaConner Tulip Daffodil Rallye

Date: Saturday, April 23<sup>rd</sup>

Time: 9:30 am (Rallye Start)

Place: Cascade Mall I-5 Exit 230

Each car club will have a **First Place** finish for **24<sup>th</sup> Annual LaConner Tulip Daffodil Rallye**. Non-club entrants can win in "open" class. This year's course will revisit the beautiful countryside around LaConner and Whidby Island. You and your navigator will enjoy spectacular scenery while touring; so don't leave your camera behind.

This event is a gimmick rallye, where questions take the place of time/distance checkpoints, so anyone should be able to compete successfully.

For information call - Ken Bottini **425-883-9615**

## Spring Run & Brunch Sunday March 20<sup>th</sup>

This year is the run to Newlands Golf course restaurant in Surrey, starting from the Clubhouse on Spratt & Sperleng. Take off time is 10am for arrival at 11.30. A pleasant run through the countryside will result in a wonderful meal at Newlands. Make a date - get the car out from under the covers and enjoy the spring air!

**Members...** Please check with Al Riches 604-942-7370 regarding the details for entry into the 2005 Roster. It is going to press very soon and if you have any changes, make sure he gets them!

## EASTER BUNNY FUN RUN!

Come along to our first 'motor event' of the year. It's the world renowned fun event which draws cars from all over the continent. We even have to reduce the applications in order to satisfy our local club members who camp out early on Sunday morning by the Red Robin at 102A and 152nd in Surrey (Guildford Mall). This year will be another striking meeting bringing new challenges and thrill seeking driving that will blow your minds! Get yourselves there early (Sunday 3<sup>rd</sup> April, 11am for an 11.30 start) so that you can unload your cans of supplies for the food bank and get your instructions for the wander into the wilderness. There are grand prizes for the best finishers and 'others'! It's lots of fun, no maps needed just a sense of humour and a full gas tank! Finish at an eating establishment where you can verbally abuse (no physical stuff, thank you), the organizing crew! See you there! Ed LCG.

**'Czech' this out!**

(Excuse the pun!)

I have been asked to search for certain styles of Jaguar cars in the US and Canada from an investor in the Czech Republic who is in love with Jags. I have taken the liberty to contact Jag clubs all over North America to assist me in this. I hope that no one will view this mail as Spam, for it is not intended to be such. The search is for XK 120-140-150 cars anywhere

between 1948-1960 OTS / FHC / DHC. Also of interest are XKE 3.8 litre 1961-1963 (I. series) OTS / FHC. Finally anything SS is of an interest. Restored and/or mint condition vehicles are not the focus. The investor is interested in vehicles needing restoration. Even wrecks can be of interest.

Thank you for your time.

## EASTER BUNNY FUN RUN!

### NOTE THE DATE CHANGE!!!!

Due to circumstances beyond our control, the Easter Bunny Fun Run - our first 'car' event of the year, has a new date - one week later than announced. The new date is **Sunday 10th April**. Be there at the Red Robin at 102A and 152nd in Surrey (Guildford Mall). early, (11am for an 11.30 start) so that you can unload your cans of supplies for the food bank and get your instructions for the wander into the wilderness. There are grand prizes for the best finishers and 'others'! It's lots of fun, no maps needed just a sense of humour and a full gas tank! Finish at an excellent eating establishment where you can 'get at' the organisers and hurl verbal abuse! Looking forward to seeing you there. Ed LCG.

## Spring Run & Brunch Sunday March 20th

This year is the run to Newlands Golf course restaurant in Surrey, starting from the Clubhouse on Spratt & Sperling. Take off time is 10am for arrival at 11.30. A pleasant run through the countryside will result in a wonderful meal at Newlands. Make a date - get the car out from under the covers and enjoy the spring air!

### Let's have a 'Happy Birthday' for all XJS's

This year is the 30th anniversary of the XJS. All XJS owners should shine up their cars and organise a 'Show & Shine' for one summer night at a Club meeting. - How about it?

## Interesting News!!

Not that those of you buried in 5' of snow need any additional incentive to come down to sunny Florida for the JCNA AGM... but we've got some great news!

The guest speaker at the Saturday evening banquet will be none other than Jaguar Racing and Trans Am legend Bob Tullius! Yes... Mr Group 44 himself, the man who dominated the Trans Am Series in the 70s with his E-types and XJS...

For more information on the AGM (March 31st - April 3rd), visit the AGM section at JCNA.com :

## Can anyone help out?

I believe one of your members has advertised a 1959 Jaguar MK1 on E Bay. Would you know his name, address and telephone number? I would like to contact him to enquire about the car. Thank you for your assistance.

## and.....

I am searching for an MGB for a project. Specifically I am looking for a '72, '73 or early '74 with decent body works but in need of restoration. I am a member of the Victoria MG club and advertised my request in this month's news letter, the "Ocatagon". I rebuilt a '75 B two years ago and traveled to Buttonwillow California with the club and had a great time. My first time mechanics held up well but I am looking for car #2 for a project.

Happy motoring.

"April Showers bring.....!"

April 2005

## Steamworks Concours

We are contacting you to let you know about the 3rd annual Steamworks concours d'Elegance, which will be held in Vancouver, BC on September 3, 2005. This event last year pulled a crowd of over 50,000 attendees and saw approximately 60 cars in 10 classes displayed.

We would love to have the participation of your Club and look forward to hearing from you. We have flyers and entry forms ready to distribute.

## Can anyone help?

After finishing a front end rebuild, including ball joints, tie-rod ends, a-arm bushings, steering, etc. , I began to search for a shop to align my front end - or at least check the caster, camber, and toe-in. I live in Western Washington - the Olympic Peninsula. I called the Jaguar dealer in Tacoma and he told me that they do this work very little. He was really hesitant to even set an appointment. And his price would purchase a short vacation. The local Les Schwab won't touch the car. Does anyone in the Seattle area know of an independent shop who might help. I understand there is a Jaguar dealer across the water however 400.00 dollars seem a bit steep for an alignment check - if they will even do it. Keith A Morris kmorris\_@msn.com Seattle, WA 1979 XJ-S 1987 XJ-S

The event is sponsored by Eli Gershkovitch of the Steamworks Restaurant and Brew pub in Gastown, Vancouver. Colin and myself are working on sourcing and sponsorships. Sincerely, Laurel Gurnsey 604-980-7429

[www.steamworks.com/concours/](http://www.steamworks.com/concours/)

## Assistance required.....

"I am considering the purchase of a Jaguar MK1 1959 (3.4) from a private party in the Vancouver area. My request is could a member of the club be willing to look over the car to attest to it's overall condition? I do not expect you to assume responsibility for it or for my decision should I decide to buy it but rather to reassure me that it is what it appears to be in the photos of it and the condition described. Both are very positive from this distance. I am located in Montreal and could not justify a trip out west to examine it personally. I looked up a Jaguar club on the coast and found yours so it is to you that I am making this request. I am a private party, have owned a MK IX and two MK 11's and am aware of Jaguar's appeal and foibles (not to mention failings). My wallet can absorb the purchase price and transport but I could not afford (at least for a few years) to incur serious expenses to keep the car on the road. I would of course be willing to defray any reasonable out of pocket expenses incurred by a helpful member. Hoping you might be of assistance.

Regards Robert DesLauriers" [rmdeslauriers@sympatico.ca](mailto:rmdeslauriers@sympatico.ca)

**For Sale**

I am thinking of selling my 1969 MGB V8. Its conversion that was done about 5 years ago with the engine fully rebuilt two summers ago and no mileage on the car since the summer of 2003. The car is in great shape but has a bit of rust on the floor and sills. Nevertheless, it comes with pretty much new Rover V8 3.5 L, new upholstery package, newly recovered Fiero seats, new carpet set etc. Has been dyno-tuned two years ago but it needs tune up. I am taking offers on \$15K for starters.

## A new item on the roads!!!

I thought I would like to bring to your attention a SPEED Television feature scheduled for the first week of May. Dream Car Garage, on May 7, 8 and 13, will feature the North American television premiere of the new Allard J2X Mk1.

The return in production of the Allard J2X has already stirred a lot of excitement following its official outing first at Watkins Glen last September, followed by a visit to the popular British Invasion in Stowe, VT. Articles and photos are available in the Oct 18th edition of AutoWeek Magazine (also available in PDF format on the Allard Motor Works' web site).

The Allard J2X Mk1 will be touring the USA and Canada this season. In some cases, the J2X Mk1 will be a pace car at vintage events, while car shows and events will be the principal venue for display.

Best regards,

Roger Allard

## It's that time of year again!

We are all invited to the annual Steam Railway Picnic by Joe Carroll and his associates at the Railway Club in north Burnaby. Come and ride the Burnaby

Central Railway Steam, Diesel & Electric trains in the beautifully prepared and scenic display at the site. Lots of TLC has been poured into this design and Sunday June 5th is the time for us all to go and see it. The railway is open from 11am to 5pm and reserved tables for our Club are provided for your picnic or light snacks are available at the concession. There will be special parking for the 'marque' cars. Lots of family fun - bring the children!  
The address is 120 North Willingdon, 4 blocks north of Hastings St.

For information, contact Joe Carroll at 604-988-2497

## An old name - not forgotten!

"I am writing in the hopes that we can advertise our big event, "Jaguars on the Island - A Jaguar Car Show and Concours d'Elegance". This is our first year and we are working hard to ensure we put on a first class event that everyone will enjoy. We are hoping to host many of our friends from CXKJR on August 5th-6th."

**STEAMWORKS Concours d' Elegance**

270-601 W Cordova St. Vancouver, BC, Canada, V6B 1G1  
We are searching for nominations of superlative automobiles and motorcycles to be included in the third **Steamworks Concours d'Elegance** to be held on Saturday, September 3rd 2005.

We will select up to 75 outstanding automobiles and motorcycles from Canada and the United States. There will be a Concours d' Elegance social on the Friday night preceding the Concours.

The Steamworks Concours d' Elegance will once again be held in the unique setting of Vancouver's historic Gastown district with its cobblestone streets, brick buildings, restaurants and shops evoking the classic era. In addition to the Concours, Steamworks will be hosting a Champagne reception on Friday, September 2nd, hosted by MoëtChandon.

A team of experienced and competent concours judges has been selected. Nine special trophies will be awarded recognizing the winners in our specified categories along with recognition for Best in Show, Most Elegant Pre-war and Post-War Car and motorcycle and Muscle Car.

Please consider nominating vehicles you feel may qualify from your own collection or other vehicles with which you are acquainted. Please pass this on to anyone you know who owns a superlative automobile, vintage motorbike or muscle car that would meet the high standards of the **Steamworks Concours d'Elegance**.

### And where have all the Jaguars gone? Slalom score: MG 7; Jag 0

by Jennifer Orum

We MG folks certainly had lots of fun at the June 26 slalom, despite the absence of those sleek beauties ripping around the track. But we missed you guys!

Four MGB's and one MGA ran the JCNA slalom at the Scott Road Park and Ride in perfect slalom weather - clouds, but no showers, warm, but not hot. The track was fast - certainly not the slippery challenge at last August's Heritage event.

The group of 'usual suspects' did all the work putting on this wonderful event - Rallymaster John Morse was helped by Gerry Parkhill handling the mechanical checks, timekeeper Rhonda Gale and starter Edd Langelier.

Our own Duncan Cowan, in his B-powered 1956 A, clocked the best time at 44.397 secs. Guest Rick Prevost (a slalomer from 30+ years ago) had the second fastest time at 44.839 in his 1976 B. He produced one of the most entertaining moments by nabbing a cone and cleverly keeping it tucked under his B for the rest of that run.

Dave Prevost, in his dad's 76 B, was not far behind at 45.642 sec, followed by Norm Stanley in his 1977 B (48.589) and then both Tanya (49.034) and Mike Harford (50.015), both in their 1979 B. B52 and I came in last at 51.548.

A lot of action started once the official JCNA-sanctioned event wrapped up, with 38 of the 73 runs of the day happening during the post-event fun of the 'practice' session. A few of the B's and

the A were taken around again a number of times, including John playing guest driver in Norm Stanley's 1977 B. Several bystanders got track experience (as driver or passenger), including Duncan's mom Emily. Brand 'X' runs included Doug's work colleague Ray Steer in his Ford Merkur XR4Ti 2.3 litre turbo and Bruce Hargott and his son Alex in their 1994 850 Volvo Turbo T5.

Doug Gale gave us an exciting (and smelly) clutch-burning start in Ray's Merkur, while it was fun to see Edd, with his son Adam, take on the track in their hot out-of-the-showroom 2005 Toyota Camry SE. Watching from the sidelines, Duncan's dad threatened to bring back his Jeep for the next slalom, the one that hurtled round the track a couple of years ago at the Richmond Park and Ride.

All in all, a great day. Hopefully we'll see a few Jags out at the next club slalom which will take place as part of the Heritage Classic event on Sunday, August 21.

### This Month's Guest speaker is -

Nigel Matthews  
 Manager of Specialty Vehicles, ICBC

Nigel will be speaking on various items including **What is the definition of "modified and collector cars"**. **"Original"**, **"After market accessories"**, **changes made after collector plates are issued, etc.** **There will be a few more items of interest so come along and hear the presentation and ask any questions that you feel need answering.**

### Bill who???. . . . .

At a recent computer expo (COMDEX), Bill Gates reportedly compared the computer industry with the auto industry and stated: "If GM had kept up with technology like the computer industry has, we would all be driving twenty-five dollar cars that got 1000 miles to the gallon."

In response to Bill's comments, General Motors issued a press release stating: if GM had developed technology like Microsoft, we would all be driving cars with the following characteristics:

1. For no reason whatsoever your car would crash twice a day.
2. Every time they painted the lines on the road you would have to buy a new car.
3. Occasionally, executing a maneuver such as a left turn, would cause your car to shut down and refuse to restart, in which case you would have to re-install the engine.
4. Macintosh would make a car that was powered by the sun, was reliable, five times as fast, and twice as easy to drive, but would only run on five percent of the roads.
5. New seats would force everyone to have the same size butt.
6. Occasionally for no reason whatsoever, your car would lock you out and refuse to let you in until you simultaneously lifted the door handle, turned the key, and grabbed hold of the radio antenna.
7. GM would require all car buyers to also purchase a deluxe set of Rand McNally road maps (now a GM subsidiary), even though they neither need them nor want them. Attempting to delete this option would immediately cause the car's performance to diminish by 50 percent or more. Moreover, GM would become a target for investigation by the Justice Dept.
8. Every time GM introduced a new model, car buyers would have to learn how to drive all over again because none of the controls would operate in the same way.

November 2005

## ***CXKJR/CCMGC Annual General Meeting***

### ***Monday November 14th***

### ***Come along and vote for your new Executive!***

## **JONAT - 2006**

Mark Stephenson  
2006 JONAT/JCNA Coordinator

The Jaguar Owners North America Tour made it's inaugural trip around North America in 2004. It was a grassroots success that started when a crazy Australian mentioned that he'd like to drive around the U.S. It gained steam on the Internet and except for a couple gaps, we had North America covered.

We're planning another one for 2006 and this time JCNA is part of the tour. We'll start at the AGM in Seattle, April 1 and end up at the Western States Meet in Oregon, July 14.

Now that everyone's eyes have popped out of their heads in disbelief -- like anyone is going to drive their Jaguar for three and a half months -- that's not how it works. What we are asking clubs to do is set up a local tour for your local members visiting local sites and doing local activities. These local tours will link together to form the chain that binds the continent together. In 2004, we began in Orlando, ran across the Gulf States into the Rockies, up the West Coast, across southern Canada, through the Rust Belt, into New England, and came back down the East Coast to Orlando. Over 30 Sector Coordinators planned their routes and handed off (or a couple times FedExed) a huge signature banner and our mascot, Jay the

Jaguar, to the next SC. Jay and the banner now reside in a place of honor at the Jaguar Daimler Heritage Trust, Browns Lane, Coventry, England. Plans are underway to repeat the tour by a different route. Excited Western state and province SCs have already come back on board. We have pockets of interest in the central and eastern regions, but we're not sure who else has heard of the plans and is interested. There are a bunch of clubs and a variety of routes we could take from Florida to Canada. Where we go depends on who offers. It's not first come, first served, but as we fill in states we expect that the route will kind of draw itself. How many of you have complained that JCNA is just about shows? How many times have you argued that Jaguars were meant to be driven? Here's your chance to show that we don't all sit around with polishing mitts on our hands -- that some of us actually wear driving gloves! Interested in being part of the biggest JCNA event in history? (Wait a minute, how did he come up with that? Easy. 30 sectors, a measly ten cars per sector, equals 300 cars.

Granted they won't all be together in one spot, but they will be involved. The most cars at a Challenge Championship? about 160). Hopefully you're now really excited, but a bit crestfallen that you're going to have to book blocks of rooms at hotels, make reservations for scores of people at restaurants and arrange tow trucks to follow the caravan to aid the wounded. You're not trying to impress folks from half way across the country. 75% of the participants will be from your area. Chances are that the remainder will be from the sector before or after. You can turn it

into the Mille Miglia if you want to create extra work and worry for yourself, but do you do that when you set up an overnight run for you local club?

Heck, no. You say, "We're starting at point A, eating at restaurant B, staying overnight at hotel C, and returning. Call hotel C to make your reservations." That's all we're doing here, you point the participant in the right direction and they make the arrangements. This won't be priced like your typical 1000-mile grand tour, either. A flat fee of under \$50 will cover driving the route for a day or the entire three and a half months.

So are you ready to band together as The Drivers of JCNA? Ready to hear the muffled slaps of leathered palms high-fiving at the handoff points? Ready to hit the highway and carry the Jaguar name around the continent?

If so, drop me a line, ASAP. If you can contact me before the challenge Championship in Atlanta, that would be fantastic. I'd like to give a progress report. Then come see me at the Chateau Elan, and I'll get you even more excited about JONAT.

JCNA has more information about the tour on the website at <http://www.jcna.com/jonat/index.php>.

## **"An MG Is Born"**

Following the success of Mark Evans' latest workshop TV series, "An MG Is Born", autographed copies of a two-disc DVD set to support the series, and a special Photo DVD of over 1000 of Mark's personal workshop photographs of the project, will be available from the 10th November 2005 (PAL copies) and the end of November 2005 (NTSC copies). Just in time for Christmas!

Copies (both PAL and NTSC) can be reserved now at [www.markevans.co.uk](http://www.markevans.co.uk)  
 "An MG Is Born" follows Mark, Les and Pete Mate as they

completely restore a dilapidated, barn-find 1974 MGB used by Mark and the Roadster to its former glory. The car is stripped to every last nut and bolt and over 2000 hours is painstakingly rebuilt from the ground up. It is a unique piece of MG history - the first TV documentary of its kind dedicated to the MGB and probably the last.

The DVDs  
 The two DVD discs include all 10, half hour programmes first transmitted by Discovery Networks Europe in July 2005. Both PAL and NTSC format versions are available.

The Photo-DVD contains over 1000 of Mark's personal digital photographs of the project.

Prices  
 Autographed programme DVD set (two discs) £19.99 GBP +P&P  
 Photo-DVD £8.99 GBP +P&P  
**Special Bundle Price:**  
 Autographed programme DVD set (two discs) plus Photo-DVD (SAVE £3) £25.98 GBP +P&P

### **WINTER STORAGE**

Information from Ed Theobald  
[Ed.Theobald@esph.com](mailto:Ed.Theobald@esph.com)

"As I mentioned at the club meeting this month, I have discovered some decent storage for our specialty cars for the winter. I'm not making any money from this venture, but I see it as a service to our membership.

There are lots of spaces available, perhaps up to 30".

### **INFORMATION....**

From: Gray Farm Equipment  
[gray.farm@sasktel.net](mailto:gray.farm@sasktel.net)

I have a 1969 MG but don't know if it is a Roadster or a GT model. I have found the following number on it but do not know where to get more information by using them.

GHN4U164941G

If you can be of any help I would appreciate it very much.

thanks to all who 'chipped in' with suggestions and the final reply from Marcia Vanwely

# GHN4U 164941G

G - MG

H - B type engine

N - Tourer (ie, roadster). A GT model has a steel roof and has code "D".

4 - 4th series

U - North America

164941 - serial number confirms it is a '69. (159806-196222)

You can get full production data by contacting British Motor Heritage Trust (search on the internet), and paying their fee. They will issue a certificate confirming the month it was made, the features it had, the colour of the upholstery and roof, etc.

## And now...for something completely different!!!!!!

### Some of the finest double entendres on British TV & Radio..

James Burke on watching Phillipa Forrester cuddle up to a male astronomer for warmth during BBC1's UK eclipse coverage remarked: "They seem cold out there, they're rubbing each other and he's only come in his shorts."

Ken Brown commentating on golfer Nick Faldo and his caddie Fanny Sunneson lining-up shots at the Scottish Open: "Some weeks Nick likes to use Fanny, other weeks he prefers to do it by himself."

Mike Hallett discussing missed snooker shots on Sky

Sports: "Stephen Hendry jumps on Steve Davis's misses every chance he gets." Winning Post's' Stewart Machin commentating on jockey Tony McCoy's formidable lead: "Tony has a quick look between his legs and likes what he sees."

Ross King discussing relays with champion runner Phil Redmond: "Well Phil, tell us about your amazing third leg."

James Allen interviewing Ralf Schumacher at a Grand Prix, asked: "What does it feel like being rammed up the backside by Barrichello?"

Steve Ryder covering the US Masters: "Ballesteros felt much better today after a 69."

A female news anchor who, the day after it was supposed to

have snowed and didn't, turned to the weatherman and asked, "So Bob, where's that eightinches you promised me last night?" Not only did HE have to leave the set, but half the crew did too, because they were laughing so hard!

US PGA Commentator - "One of the reasons Arnie (Arnold Palmer) is playing so well is that, before each tee shot, his wife takes out his balls and kisses them ... Oh my god!!!!!! What have I just said?!!!!"

Harry Carpenter at the Oxford-Cambridge boat race 1977 - "Ah, isn't that nice. The wife of the Cambridge President is kissing the Cox of the Oxford crew."
