Welcome to the New Year!

We hope that you had a looking forward to the new Club will be host- 2004. The most important you have registered and are to meeting our new mem- bers. There is a wide year and your support will make them even more enjoyable! See you there!

great celebration and are and regular events that the ing/partaking in during thing is making sure that ready to go! We look forward bers and welcoming them to variety of events this coming

OCTAGON MOTORS

Colin Fitzgerald cordially invites you to another of his very enjoyable 'information sessions' which takes place on Feb 15th (Sunday) at 10am. Coffee and cookies are available to be enjoyed with his subject - 'Superchargers - then & now'. With MG putting a supercharger in their models this should be very informative. Octagon Motors is at 1538 Venables St. Vancouver. Take a drive down there and have an enjoyable time.

2004 Calendars for Sale!

Get the Jag and MG Calendars at the Club meeting on Jan 12th. Only a few left! \$12

Rally -'Whether or Not'

The MG Car Club (North West) has a rally on Feb 28th (Saturday). It's called the 'Whether or Not' rally and is open to all enthusiasts. The place is at Carnation, WA (Route 9) by the Tolt River bridge at 9am. For more information contact Tom White at 1-425-333-6803. We would like some good support for the rallies this year to enable our events to have similar support from our US associates. The event does not follow the exhaustive International Rally commitment but is good fun and a great get-together. Give it a try and see how much you will appreciate what has been put into the event and how it gets you to meet different people and find out that they are just as much as a novice as you consider yourself!

The Heather's Wine & Cheese Open House

Sunday February 29th, 2pm to 5pm

The annual event is once more the first of the year! Bill and Nan are cordially inviting everyone to this prestigious event with a request for guests to bring along a commercially produced wine for sampling by everyone in order that the satisfying of the taste buds will allow the recipient to go out and purchase the newly found wine! As usual there will also be cheese for the accompaniment of the beverage. The address is 325 - 54th Street, Delta in the Tsawwassen area. For more accurate information give Bill or Nan a call at 604-943-5303. We look forward to seeing you there to make our first get together enjoyable and rewarding!

Only a few left!!

There are about four Jaguar Calendars left and Al Riches will have them at the Club meeting on Monday 9th Feb. at the reduced price of \$8!!! Rush on down to the Club meeting for this fabulous offer - never to be repeated!! Look out 2004 - Jaguars reduced!

Hospital Report!

We hear that Cliff Davis is keeping the medical staff in check at Lions Gate Hospital where he is resting up after an operation. We all wish him a "Get well soon" message and hope to see him back in action A.S.A.P. It is understood that a small complication requires him being Air Cared for a cleanout of the exhaust system! Thelma is expecting his safe return home as we go to press so "Welcome home Cliff"

Postage Increases!!!

Due to the ever increasing snail-mail charges we now have a real problem with the postage on our Roster, Classical Gas and Little Classical Gas issues. Therefore we would appreciate the items being picked up at Club meetings and if you could also pick up for absent members, this would be a big help with the Club finances! Just let Al Riches know at the Clubmeeting and sign for the members whom you will deliver to.

Dear friends and Jaguar fans,

You probably know that Peter Auto and the French Automobile Club de l'Ouest are organising next year a second retrospective of the mythic endurance race.

"LE MANS CLASSIC AN II" = 23 + 24 + 25 July 2004

Detailed information is available on the internet site : www.lemansclassic.com

For the first retrospective in September 2002 our club, the "**FRENCH JAGUAR DRIVERS CLUB**", invited all Jaguar clubs to an international drink. We were really successful; 250 people exchanged about their common passion, ten clubs and seven European countries were represented.

Back from Goodwood in September, where we met many Jag-enthusiasts, our board thought we could extend that initiative and we decided to :

1 - Book bedrooms, not to far from the circuit, in two stars hotels (comfortable "Logis de France") and also three stars hotels ("Chateaux and Hotels de France").

2 - Reserve famous restaurants for two dinners : one on Friday evening at "Sillé Le Guillaume" chosen for its French specialities, the second one on Saturday evening for a formal Gala dinner and a dancing party at "Loué sur Sarthe"

3 - Ask some high-tech & luxury multinational companies for sponsoring, especially for the prizes of a Concours d'Elegance that will take place during the aperitif of the Gala ; the European spirit of the jaguarists plays at the evidence an important role in their decision, widely over usual barriers of insularity.

4 - Support Peter Auto and lobby for the involvement of the Jaguar company as main sponsors of one of the paddocks for the week-end races.

Some Jaguar clubs intend to come to Le Mans and have already booked their tickets. Your club will be of course invited to our "ritual" drink on saturday afternoon and if you are still hesitating, we offer two possibilities : Simple help for accommodation and full participation to the three day rally that we organise with the French Amicale Jaguar and the E-Type Register of the JDC.

The rally starts on Friday in the center of Le Mans with two choices : visit of the old town and of a "faiencerie", or technical presentation "pesage" of the race cars ,dinner at Sillé le Guillaume. Saturday on the circuit , "parade" for the vintage and classic cars, picnic lunch, Coys auction, international Jag drink, Gala at Loué sur Sarthe. Sunday on the circuit, picnic lunch , farewell after the race

prizes.

Last year's experience was great and all our members remember with intense emotion the straight line of the Hunaudières, Mulsanne, Arnage ... all famous places for the victories of the leaping cats.

We look forward getting your comments and answer.

Best regards.

Easter Bunny Fun Run!

There has been a change in the date for our great Fun Run! As usual, the event is one week AFTER Easter Sunday - this year the event will be on Sunday 18th April. Make sure that you have the new date in your calendar and come on out to the Red Robin restaurant parking lot at 102 and 152 in Guildford at 11 am. - See you there!

March, March, March!!

It's that time again!

Model builders & collectors!

Next Club meeting, Monday March 8th is the annual "Mad Mike's Model Mania"! Last year brought out a colossal collection of car construction (!) and resulted in a terrific display. Let's see if we can beat that this year. Mike Powley asks us to get out those models that the family don't appreciate and bring them on down to the Club meeting for display and prizes! The displays are great and the models are always appreciated by the Club members. Let's see what you've got! It's fun and rewarding.

Spring Brunch Run

March 14th

Presented by last year's presidents - Dave Williams (Jag) and Rhonda Gale (MG), is our annual Spring Brunch run. We will meet at the Club parking lot at Sprott and Sperling, Burnaby at 10am and take off at 10.30 for a winding trip to Hollyburn Country Club in deepest West Van. for a very pleasing brunch and natter and to enjoy their excellent cuisine. Sign up sheet on the notice board at the Club meeting or contact Rhonda at home 521-3021 (No more e-mail at doug_gale_rmg@telus.net)!

2004 Thunderbird Rally

February 14/15, 2004 - Merritt - Kamloops - Merritt

The 33rd Thunderbird Rally

The Thunderbird Rally is a time-speed-distance (TSD) rally and a winter driving adventure. For 2004 it is the first round of three championship series: BC Rally Championship, Rallywest Navigational Championship, and (new this year) the North American Vintage Rally & Race Association (NAVRRA) Rally Series A & B.

This rally follows the current BC Rally Regulations, which are posted at http://www.rallybc.com/html/regional_rules.htm and are available from the BC Rally Director, Paul Westwick (paul@rallybc.com) by calling (604) 682 3296. The rally runs on straightforward instructions. In addition to the route instructions, maps will be provided. The rally will be about

850km long, entirely within the province of BC, and will start with an odometer check section of about 15km. Roads will be about 30% clear pavement, 70% snow-covered pavement and gravel. Instructions are provided in both kilometers and miles, but the official measurements and calculations are based on the kilometer figures.

Maximum distance between gas stops is 250km (150mi). Drivers are asked always to drive with their headlights on and to be particularly courteous to traffic not connected with the rally.

Supplementary Regulations & Entry Form

For the complete set of Supplementary Regulations, including the Schedule and an Entry Form, contact the organizers or visit:

<http://www.rallybc.com/archives/2004/2004-tbird.htm>

Start Location & Overnight Stops

Information from LAMB

(Langley Area Mostly British Car Club)

Information from our Club member Carole Borgens regarding the 2004 Langley GoodTimes Cruise-in.

"I have been contacted by Langley GoodTimes Cruise-In organizers to discuss an issue about the Vintage Car Club Automotive Swapmeet.

Following this discussion I took the opportunity to propose a British/European classic car display as a focus of the Cruise-In event for this and following years, and outlined some specific needs. As a result, we have agreed on the following:

All British/European cars, entering on the specially coded forms I will have available for you in May, will be located in the roped-off and security patrolled Concours area of Douglas Park. These cars must warrant inclusion in the Concours area (no rusty bodies please) and may be restored, prototype cars, or in completely original condition which may include some flaky paint on a very aged but otherwise clean vehicle. They should be collector plated but not necessary if condition appropriate.

The LAMB group can be parked together simply by pre-gathering and arriving at Douglas Park as a group. Special consideration is given to the Concours cars - instructions included in your registration

Get out to the Wine Country!

I think it was Mark Twain that said; *"The rumour of our demise has been greatly exaggerated"*

The Okanagan British Car Club has just finalized the accounts from their 2003 10th Anniversary Rally In The Valley and it proved to be one of the most successful ever.

The committee for the 2004 event has been working hard to finalize the details for this years show to be held in Penticton.

Anyone who has been to a Penticton Rally will remember the fantastic show venue Avenue. Both

Saturday meals will Convention which of of room for ering and is walking distance most of the Beach Motels.

They will be mailing registration forms to previous participants soon or you can download one from their website.

They look forward to seeing you in the Okanagan Valley this summer.

package allow you to bypass the other staging areas and report directly to Douglas Park.

There are usually 20 people monitoring the ropes and the cars in the park to ensure complete security for the vehicles.

While on-line entering is standard, it remains to be seen if we can utilize this feature as special coding will be required on our forms to ensure placement in Douglas Park. I will report on this and other details at our next meeting. Do share this information with other clubs and individuals that you know as we have space for 50 to 100 British/European classics. If we get these numbers it will be great as the usual number of domestic vehicles in the park is 127. We can almost outnumber them, maybe."

Thanks to Carole for the information.

I was browsing the internet looking for some back issues of **Cars & Car Conversions**, which I just discovered is no longer published. Anyway, I'm hoping that some of your members might have some back issues. I am looking for copies (scanned PDFs or quality photocopies) of a series of articles about tuning MGBs that David Vizard wrote for **Cars & Car Conversions**. The series is called "Boosting the B". I have the first two parts of the series which appeared in the February 1979 and March 1979 issues, so I am looking for the remainder of the series. Any suggestions would be greatly appreciated.

Thanks, Neil Haggquist

I wonder if you can help me find someone in the Sechelt area who may be able to do me a favor concerning a British vehicle. Any help or suggestions will be greatly appreciated.

Thanks

Check this out.....

I'm not sure if you are familiar with a new TV show called Driving Television or not. It airs on Global on Sundays at 4pm AST, but check your local listings for airtimes in your area. Anyway, in their Feb. 29th episode they did a segment on the Michelin Bibendum Challenge and this year, trucks and commercial vehicles took part in the challenge.

One interesting piece of information mentioned in the broadcast was that commercial vehicles make up only 6% of all highway vehicles, yet consume 25% of all fuel sold. They also contribute 60% of all nitrous oxide emissions, more than 80% of the PM of all US vehicle emissions and no major engine manufacturer has declared its strategy for meeting 2007-2010 emission standards using diesel fuel.

If you would like to see the segment that was aired, go to www.drivingtelevision.com, click on the Video Clips link on the left and click on the image of episode #104. You'll need Windows Media Player, version 8 or higher to view the clip.

If you would like to know more about the Michelin challenge, the website is <http://www.challengebibendum.com/challenge/front/affich.jsp?&lang=EN>

River City Rendezvous 2004

Winnipeg, Manitoba CANADA

June 3 - 6, 2004

Fast becoming a tradition, the Annual Vintage Sports Car Rendezvous has been held in Ontario, Minnesota, Wisconsin and Manitoba for the last thirteen years with increasing popularity. The Triumph Drivers Club of Manitoba, the Austin-Healey Club of Manitoba and the Mid Canada Mini Group are co-sponsors of this 14th year event being held in Winnipeg,

The weekend is dedicated to the sports car enthusiast who enjoys driving, showing and talking vintage sports cars as well as participating in fun-filled events such as: Gymkhana (Autocross), Road Rally, Show & Shine, the much anticipated Awards Banquet, and new this year (included in this year's registration fun package), a River Boat Cruise along the historic Red River for the Friday evening Meet and Greet.

The 2004 event will open on Thursday June 3 at our host hotel, The Clarion, located at 1445 Portage Avenue, Winnipeg, MB (immediately east of Polo Park Shopping Centre). The Clarion has its own "oasis", and Spa facilities are available on site for leisure enjoyment. Planned activities fill the next few days with time for shopping and sight seeing.

A Registration Form is found on the reverse of this schedule. Register early before May 1 and have a chance to win a free night of accommodation at the host hotel. We look forward to seeing you here in Winnipeg.

Summer Slalom Event.

(Thanks to John Morse for the info)

On Sunday June 13th the Club will hold its first slalom event of 2004. This is the perfect opportunity to have fun, brush up your driving skills in time for the summer cruising and "exercise" your Jaguar or MG. The event is a JCNA sanctioned slalom with 5 official timed runs but with lots of time after for fine tuning your technique with "fun runs". Slaloming tips and pointers will be offered at the event and newcomers are encouraged to come out and give it a try. You'll get to know your car in a way you never thought possible! Helmets are provided or you can bring your own if you prefer.

Location: Scott Road Skytrain Station Parking lot, in Surrey (Approx 110th and Scott Road)

Time: Tech inspection and course walk through starting at 9:30am - first car out at 10-ish.

Cost: \$15 per driver.

If you would like further information call John Morse at 604-594-8992.

Come out and give it a try! You'll have a grin from ear to ear!

Judges for our Heritage event!

This is our annual event which requires the unbiased opinions of enthusiasts who are prepared to provide their auto appreciation and expertise to be honed by training from Jerry Parkhill with the end result of Concours Judging. The need is to provide a competent and unbiased marking of all autos to allow the awarding of prizes to the deserving competitors. It isn't a three year university training course nor does it involve excessive financial outlay! It requires a feeling for the love of Concours auto displays and the knowledge, provided by the training from Jerry, as to the correct marking procedure. Give Jerry a call and see if you can help!

JCNA Judges.

A Message from Jerry Parkhill

All former judges and those wishing to find out more about judging please bring your Judges manual to the June 14, meeting, there will be a short review and the new changes will be available. We will be holding a formal Judges training session this year (location and timing to be determined Monday evening.) The success of our Heritage event depends on a well trained Judging team, in the past I have been very well pleased at the response from our own club members, but last year I had to solicit help from our out of town guests, (not a good feeling).

A message from the President - CXKJR

Due to circumstances beyond our control, this period's Classical Gas will not be available for the June mtg. The good news is that we have another week to get some articles to Wolf Rao. I sent some photos of the ABFM and Leon has images from the RR picnic. If anyone can scribble a few notes on one or the other, or both please do so. The Heritage invitation will be on the back page again.

If you can provide an article on the above events, or any other (i.e. the vintage races at Mission, etc.) please send a note to Wolf Rao. (wolfgangrao@idirect.ca)

Jaguar Car Club of Victoria

The Jaguar Club of Victoria was formed in May of 2003 to provide a focal point for activities, technical support, and social events for Jaguar enthusiasts on Vancouver Island. As of May 2004, the club has 62 members and has an active schedule planned for the upcoming season. Monthly meetings are held on the fourth Monday of each month at the Beacon Hill Cricket Club in Victoria, British Columbia.

Plan to attend the 20th Annual British Car Picnic in Beacon Hill Park, Father's Day, June 20th.

Don't miss this! Sunday 15 August from 11am to 6pm **Sudden Valley Softball/Picnic**

Welcome to the first annual MG/Jaguar Softball Picnic at the beautiful Sudden Valley Resort, near Bellingham, WA. This will be a fun experience and a chance to kick back and enjoy yourself with a break from the usual club summer events. Bring your classic British Car and show it off to the Sudden Valley residents and local Media. It will be carefully watched over by Sudden Valley Security in a private asphalt area, while you play a game of softball nearby. If you're not in the mood for a ballgame, our Canadian friends will be offering you a chance to play that very British game - Croquet. Just imagine yourself with a beverage in one hand, leaning on your croquet mallet! Rather do something else? We will have exclusive use of the Sudden Valley Adult Center where you can lie by the pool, have a swim, cook your burgers on the outside BBQ or use the inside cooking facilities with lots of room to sit and chat. All this and just a few steps away from each activity. If you want to stay on for dinner after the ballgame, Bob's Burgers and Brew at the Sudden Valley Clubhouse offer hearty food at great prices. Reservations recommended. Preliminary admission price is just \$5.00 per person (this covers facilities use fees, security and soft drinks. Bring your own burgers, buns, salads and beverages or whatever else takes your fancy). In addition there will be a commemorative Sudden Valley MG/Jaguar baseball cap offered for around \$10.00 to \$12.00 (limited numbers so purchase early in the day). Call Bruce MacCormack (360-676 7777) or email bruce@brucemaccormack.com for more details or directions to Sudden Valley.

It was another great event put on by the Okanagan British Car Club. The weather was excellent (except for one small shower), and the food was superb. What more could one ask for?

Judges meeting

Wed July 14th 7.30 at the Railway Club,

North end of Willingdon.

Bring books and pencils as there will be two cars for the judging exercise!

For details contact Jerry Parkhill 604 794 3652

Guest Speaker

At this Club meeting there will be a guest speaker providing information on the Cast Aluminium repair rod process. This will be of great interest to the 'home mechanics' who will find out about the ways and means of this interesting function.

Clothing

Clothing ordered through Les Garbutt will be at the Club meeting. Contact Les, should you not be there, for payment & pickup.

Sudden Valley

MG/Jaguar Softball Picnic

Don't miss this! Sunday 15 August from 11am to 6pm

Welcome to the first annual MG/Jaguar Softball Picnic at the beautiful Sudden Valley Resort, near Bellingham, WA. This will be a fun experience and a chance to kick back and enjoy yourself with a break from the usual club summer events. Bring your classic British Car and show it off to the Sudden Valley residents and local Media. It will be carefully watched over by Sudden Valley Security in a private asphalt area, while you play a game of softball nearby. If you're not in the mood for a ballgame, our Canadian friends will be offering you a chance to play that very British game - Croquet. Just imagine yourself with a beverage in one hand, leaning on your croquet mallet! Rather do something else? We will have exclusive use of the Sudden Valley Adult Center where you can lie by the pool, have a swim, cook your burgers on the outside BBQ or use the inside cooking facilities with lots of room to sit and chat. All this and just a few steps away from each activity. If you want to stay on for dinner after the ballgame, Bob's Burgers and Brew at the Sudden Valley Clubhouse offer hearty food at great prices. Reservations recommended.

Preliminary admission price is just \$5.00 per person (this covers facilities use fees, security and soft drinks. Bring your own burgers, buns, salads and beverages or whatever else takes your fancy). In addition there will be a commemorative Sudden Valley MG/Jaguar baseball cap offered for around \$10.00 to \$12.00 (limited numbers so purchase early in the day).

Call Bruce MacCormack (360-676 7777) or email bruce@brucemaccormack.com for more details or directions to Sudden Valley. Activities Chairs: Bruce needs tentative numbers of

More news from the Rally in the Valley!

(Thanks to Jennifer Orum for this additional report)

Rally in the Valley Slalom
Sunday, July 4

Three Club members took part in the slalom which is longer than the JCNA version we're most familiar with. Okanagan British Car Club members are seriously into slalom, with an event every week over the summer. The fastest times for the day were in the 58 second range, with the group of fast finishers including some specially-prepared slalom cars. Our members' times were:

Bob Sherman (1974 MGB) 107.06
Marie Sherman (1974 MGB) 107.96
Jennifer Orum (1970 MGB) 120.61

Some of the most exciting runs of the day came from Gordon Stewart of the Langley Area Mostly British Motoring Club (LAMB) with his 1968 Rolls Royce. A first time slalommer, he ripped around the course at an amazing speed for the 5500 lbs weight. The slalom organizers created a special class for him, and he thus took home the trophy for first in the Rolls Royce class.

The latest 'S' Model

Information from the Press regarding the new S-Type R states that the model has a redesigned rear-end (!) "The droopy butt has been firmed up - the fenders, bumper surfaces and rear lip of the boot have been raised considerably and a new aluminium bonnet are all part of this new model". Any colour can be chosen as long as it's British Racing Green! 390HP, 4.2 litre V8, zero to 62mph in the mid-fives, and 100mph in the low 13's with the top speed electronically governed at 148mph. With a six speed automatic the car is as docile at city cruising as it is at highway speeds. The R's suspension, ideally weighted steering and strong brakes all inspire confidence. An array of electronic support including Computer Active Suspension Technology and Dynamic Stability Control provide superb stability under all driving conditions. The price? \$84.995 (cheaper than last year's model!)

CCMGC Confirmed As Hosts of NAMGAR GT 32

It was announced on Monday that Whistler will be the site of the North American MGA Register's 32nd annual meeting of MGA enthusiasts from all over the world, to be held in July 2007. The proposal to host this event presented by the CCMGC won over a proposal from a southern California club for the San Diego area.

This event comes to the West coast only about every 5 years, and it was last in Canada in 1993. In 2005, on the 50th anniversary of the MGA, the event will be held in Michigan, and in 2006 it will be part of the all-MG meet to be held in Tennessee.

The CCMGC looks forward to working with CXKJR Members to make this a successful event. George Merryweather, NAMGAR Vice Chairman, will be visiting BC later this month to meet with CCMGC members, and to look at the facilities available in the Whistler area.

Further details from Peter on the arrival of George Merryweather...

George Merryweather, Vice Chairman of NAMGAR, will be visiting BC from Wednesday Sept. 15th to Tuesday Sept. 21st. The purpose of his visit is to confirm the hosting of GT32 by the CCMGC in Whistler in July 2007. This will be officially announced at our Club meeting on Monday 13th (prior to his arrival).

On Friday 17th, George and I will visit prospective host hotels in Whistler to check out their facilities, and we will also look at the car show site at the foot of Blackcomb. We will stay in Whistler to see the arrival of the cars of the All British Whistler Run.

I look forward to introducing George and his wife Cathye to you all, and to members of the CCMGC and CXKJR, during his visit. If you are participating in the Whistler Run, perhaps we can have lunch together on Saturday.

Please call me (604 535 0648) if you have any suggestions or questions.

Regards,
Peter Tilbury, GT32 Chairman.

More from Peter.....(including an approx cost of \$60CDN - excl.freight charge)

While we were at GT-29 in Connecticut we purchased the MGA Tech book. It is well written by Mike Ash and put together in a superb fashion for the MGA enthusiast. We would like to encourage you to put an ad in your newsletter to make this available to all of your club members whether they are NAMGAR members or not.

Mike followed it step by step as he rebuilt the transmission in our MGA this past winter. At that time, he had to go back through each issue to find the information that was needed. Now it is all available under one cover and we feel it is a great resource.

If you go to this link and click on Advertisements, you may then choose the ad that works best for you.

"I am putting together a register of the MGB LE models. If you would like to take part, please send me some details of your LE model, reg. number, chassis, colour, and any modifications. Location (town &/or County) also when and where bought. If purchased new or up to 5 yrs old, its price would be good. If written off or scrapped, then that data would also be very helpful in determining the final total.

What am I going to do with the results? Once we have enough information then we could organise an LE gathering and publish the statistics in Enjoying MG.

Interesting info on XJ6 engines!!!

Howdy Jag Clubs,

I thought you guys might be interested in our great deal on XJ6 engines. We're clearing out space for a new construction project, so we either have to sell these engines or move them to a new warehouse. Well, moving 60 engines is not at the top of our list of favorite things to do, so we'd rather sell them!

We've reduced the price on these engines to \$399. They're great engines, and we have about 60 of them available on a first come, first serve basis. I'm personally emailing all of the Jaguar club members on my list to give you guys a heads up.

Please feel free to forward this to other interested Jag club members. However, I would appreciate it if you only forward it to club members and no one else for now. I've also attached our press release and a link to our website.

Thanks, Mark McDavid, Marketing Director,

Letter from JCNA regarding a survey that can be accessed through the JCNA website. A hard copy can be obtained in .doc format. Contact Marcia VanWely

Dear fellow JCNA members

The information gained by this survey will be used to show potential Jaguar Journal advertisers and JCNA event sponsors, the effectiveness of working with the JCNA.

Determining our membership's involvement in various types leisure activities, will guide us to solicit help and Jaguar Journal advertising from the most appropriate sources, resulting in further Journal enhancement.

Jaguars are our reason for being, and Jaguar Cars, being our largest single advertiser and supporter, is the reason for the concentration of questions about automobiles. Your answers will be of particular interest to them.

By asking most and least favourite things about the JCNA, We are soliciting your "constructive criticism".

The Challenge Championship, the JCNA's biennial North American championship Concours d'Elegance, is made spectacular, because it attracts the support of many companies interested in doing business with you, the members of the JCNA. To gain that support, we need to show them that you are planning to attend.

Finally, your responsiveness will help guide the JCNA board's future decision making.
Thank you!

JCNA Board of Directors

Annual General Meeting

**Notice of the AGM for the

Monday November 8th, 2004 -
7:30pm - 9:00pm
Burnaby Lake Clubhouse, Burnaby,

No help for Silverstone, says sports minister.

LONDON, Oct 1 (Reuters) - The British government has ruled out further cash help for Silverstone to keep the country's Formula One grand prix on the calendar next year.

Sports minister Richard Caborn told BBC radio that the government would not help the circuit's owners make up a shortfall between Formula One supremo Bernie Ecclestone's asking price and the amount they could offer.

Ecclestone said on Thursday that Silverstone, which hosted the first grand prix in 1950 and is owned by the members-only British Racing Drivers' Club, had been axed from the 2005 calendar.

With a bit of goodwill, we are hopeful that a constructive solution can be found to the benefit of British motor sport, the British economy and F1.

Remember MG99???

The 2005 NAMGBR (North American MGB Register) National Convention will be in Olympia, WA. and hosted by our friends in the Greater Seattle area, the MGCC/NWA. Dates will be July 7-10 at the Red Lion Inn in Olympia (see their website at www.mg2005.com). The 2004 NAMGBR AGM will be held there on Saturday October 23rd and several of our CCMGC members are planning to attend.

And.....The bitter re- lease from Ford

Here is a note from Al Riches regarding the closure of Browns Lane....

"I brought back a number of newspaper clippings from my trip to England and will have them on display at the October meeting."
'2 Jag' Prescott, the Deputy Prime Minister led the protest at the gates of the factory and vowed along with the Union leaders that Ford would not be allowed to do this, but there was not a murmur about this at the Labor Party Convention in Brighton the following week!

2005 Calendar ordering

It is time to order Jag and MG 2005 Calendars through the Club. Members should let Al Riches know if they want one put aside for them. Price should be approx. \$12 as in prior years.

Vehicle Description

This is the last MG exported from the Abingdon factory. This is an historic vehicle suitable for a museum or the ultimate MGB enthusiast's private collection. It was presented to **Henry Ford II** with the intent for the vehicle to be permanently displayed in the Henry Ford Museum at Greenfield Village along side the first MG imported to the USA for Edsel Ford in 1928 or so. This car is mentioned in many books focusing on the history of

the MG car company. In particular, this car is shown in the book, "MGB" by David Knowles, MBI as Henry Ford II is accepting delivery from Jaguar Rover Triumph president, Graham Whitehead. In 1995 this car was transferred to the Gast Museum in Strasburg, PA where it rejoined the original MG owned by Edsel Ford that left the Ford Museum in 1982. In Oct 1997, the Gast Museum auctioned its cars. As I understand the story from there, a woman from NY purchased the car, and then sold it to the president of the Long Island Corvette club who in turn sold it to my uncle. I purchased the car from him in 2000.

I have made some repairs and identified some problems that I have not addressed being hesitant to disturb the car's originality.

Items I have repaired: Speedometer - repaired by Brit Bits in NH due to fluttering needle. Water pump - replaced due to bad bearing - have original which goes with the car. Lower Control Arm Bushings - replaced because the old ones were flattened due to storage. Under-dash pad - it was missing - replaced with ABS vinyl from Moss Motors

The body is dent and rust free. The paint blisters noted above are only visible upon close examination. The tires are original with no noticeable wear. The 5 alloy wheels are in excellent condition and have never had external balance weights added. Car comes with the original tonneau cover, original jack and original owner's manual.

This car is being sold as is. No warranty. I did my best to note everything I know about the car's condition. Please ask any questions before bidding. The car is located in Virginia Beach, VA and the buyer is fully responsible for shipping. Payment in full required prior to release. Payment by bank check or certified check within 5 days.

Feel free to call me with questions (I will not disclose the reserve!): 757-580-6806 or email to lastmgb@digidoor.com

"Santa's on his way"

December 2004

Ford Sells Jaguar/Cosworth Racing Team.

Ford Motor Company announced the sale of both its Jaguar Formula 1 team and Cosworth Racing, its motor sport engines subsidiary, thus escaping its potential closure costs of several hundred million dollars. A deal to sell the lackluster Formula 1 team to Red Bull, the Australian energy drinks group, was signed less than 24 hours before a deadline for the team to register for next year's championship. If missed, the team would have forfeited its rights to take part in F1- making it effectively worthless. Winding up the team could also have prejudiced the sale of Cosworth to Kevin Kalkhoven and Gerry Forsythe, co owners of the Champ Car series.

We're coming up to Year End!

Remember to get your renewal subscriptions in before Dec 31st or you won't get the discount rates which are Jag - \$73 MG - \$48 for early payment. After Jan 1 2005 the rates are Jag - \$88 MG - \$63

MG ZR IS THE NEW TOP PERFORMER

MG's pocket rocket ZR is now also the company's best selling car. 2004 is the first time an MG model has consistently outsold a Rover car since the brand's expansion in 2001, though the Rover marque still commands greater overall sales popularity accounting for 65 per cent of the company's sales. The sports hatch leads in the UK and Italy, and performs well in Spain, Ireland and Portugal.

Commenting on its new number one status, sales and marketing director Rod Ramsay, said: "The popularity of the MG ZR continues to grow and represents the brand's young-at-heart position. Though the top of the range ZR 160 leads the range in the performance stakes, racing to 60 mph in 7.4 seconds, and onto a top speed of 131 mph, it's the entry model ZR 105 that is the one that is turning young heads. Its appealing price, great performance and high standard equipment specification, means it enjoys two thirds of the model's sales performance."

The 2004 MG ZR has a new exterior appearance, with a new style of bumpers, clear lens halogen headlamps and integrated front grille design which are now more reminiscent of the MG SV supercar. The ZR has improved dynamics for a great driving experience. Inside, the high quality and stylish cabin has also been revised with a new fascia design, rotary air vents, a new centre console, soft touch switchgear and an array of technology features.

The MG ZR 105 is available from £10,395 with a 7E / T1 (Thatcham approved) ABI insurance rating with the top-of-the-range MG ZR 160 available from £14,995. Since launch, sales of the ZR have exceeded 70,000 cars.

You should be aware of this caution from the Nanaimo RCMP

Tuesday, November 23, 2004 4:38 PM
Subject: : Being aware and taking care.

A police warning.

(This could also be used as a ploy for kidnapping)

Imagine:

You walk across the parking lot, unlock your car and get inside; you lock your doors, start the engine and shift into REVERSE; you look into the rear-view mirror to back out of your

parking space and notice a piece of paper stuck to the middle of the rear window. So, you shift into PARK, unlock your doors and jump out of your car to remove that paper (or whatever it is) that is obstructing your view. When you reach the back of your car, that is when the car-jackers appear out of nowhere, jump into your car and take off!! Your engine was running, (ladies would have their purse in the car) and they practically mow you down as they speed off in your car. BE AWARE OF THIS NEW SCHEME THAT IS NOW BEING USED EXTENSIVELY. JUST DRIVE AWAY AND REMOVE THE PAPER LATER. (and be thankful that you read this!) I hope you will forward this to friends and family especially to women!

A purse contains all identification, and you certainly do NOT want someone getting your home address. They already HAVE your keys!!!!

Thanks to..... T.B. (Tom) BURKETT, CPL.

St. Patrick Day's Parade.....

The owner of the Celtic Treasures on Dunbar, Steve McVittie, has been very supportive of our club. CG Advertising, and a fine basket for Heritage. I'd very much like to support him in this venture with both Jags and MGs. The parade is the 13th of March, leaving from the north end of the Granville St. Bridge and ending around Hastings. If we tell him in advance, prior to Feb. 1st, how many cars to expect he'll try and arrange to have the dignitary's ride with us to ensure that we get a prominent place in the parade. We should come up with some magnetic club logos for our doors, to promote the clubs. As Vito pointed out, many cars are away for the winter in Mar. but we should be able to get a few out. With Collector plates doesn't really cost that much to insure the cars a month early.

I've downloaded two application forms for the clubs and will fill them out and submit them, unless there are strong objections.

Check out the details at www.celticfest.com . It's a week long event which looks like a lot of fun.

Thanks again.
Les Garbutt
