

Welcome to the New Year!

2006 and all that.....

There are a lot of new and exciting events forthcoming in the New Year. Make sure that you check the calendar at the back and also on the website at www.jaguarmg.com. You will find all of the details - date, time, contact, phone, e-mail etc to let you have all of the information.

Welcome and thank you!

A special welcome to our new Club Presidents. The Jaguar President is Graham Walker and the MG president is Lou Majta. They are both ably assisted by our new VP's - Jennifer Orum - Jaguar and Bruce Hargott - MG and as always our Club secretary expert - Afton Cayford. The cash is now in the hands of Paul Richardson! Thanks to Leon Pond for looking after all of our money so far (has anyone seen him lately!!!!)

Special thanks go to outgoing Presidents Vito Donatiello - Jag and Doug Hall - MG for their services during 2005

'Gradge' Night!!!!

We are pleased to announce an ongoing event under the very capable hands of John Clarke where motoring brou ha-ha and challenges will be discussed and operated on for all interested. The meetings will be on the last Monday of each month throughout the year, excluding July & August, from 7pm to 10-ish! The locations will be announced in each LCG or contact John at 604-291-1890.

To start off the sessions, the first meeting will be at chez Clarke - 7491 Aubrey St., Burnaby or jclassics@telus.net

The subject will be Basic Bodywork strategies and resources.

Bill & Nan's Big Bash!!!

Sunday Feb 26th 2 - 5pm

Once again the New Year is highlighted by the annual event that everyone eagerly awaits! Yes...it's the wine and cheese event at Bill & Nan Heather's, 325-54th St, Delta (604-943-5303) and don't get lost going there because it's nowhere near Delta - it's in Tsawwassen!! I know - I got lost the first time I went there! (Ed. LCG!). Get ready to cast off the New Year blues and celebrate with all of the members in this riotous shindig that starts the Year off with a bang!

MG? NEEDED....

Here is a message from Al Riches.

Is there anyone who can help this member of an MG car club in Cornwall England who is coming to Canada for a holiday this Spring and wants to rent a Classic Car for the return drive from Vancouver to Kelowna. It would be nice if it was an MG but it is not important.

Please contact Al at 604-942-7370

Can anyone help?

From a member of the JAGUAR ASSOCIATES GROUP in San Francisco.

"Trying to find the rarest E-Types"

I am trying to accumulate a list of the remaining 1971 V12 Roadsters. Through the Jaguar Archives I have found that 101 LHD 1971 V12 Roadsters were built and so far I

have located only 24.

If you own or know someone who owns one please e-mail the serial # and as much information as possible to LHMTM@AOL.COM or Cell# 510-846-5186 Thanks in advance for your help. It will be interesting to see how many of the great cars are with Club members.

Thanks, LARRY HARRIS

It's Bill & Nan's Annual Wine & Cheese Party!!

Come along to the annual event and bring along a bottle of your favourite wine! Bill & Nan Heather once again provide a wonderful setting for some chit-chat about anything to do with Wine - Cheese and cars! The invitation is being held at their house - 325 54th St., Delta (Tsawwassen!) from 2pm to 5pm on Sunday 26th February. Come on over and meet new members and old friends.

GARAGE NIGHT

The topic for this months Garage Night is 'Engine assessment and basic 4 stroke engines ' to be held at Bjorn Bjornson's, 10540 Caithcart Road, Richmond (604-244-9819). If you have work that needs to be done on your vehicle get in touch with John Clarke 604-291-1890 so that different processes can be seen other than work on John or Bjorn's cars.

Interesting information from Duncan Cowen

"I came across an amazing reference tool on the internet.

There is a company, <http://www.advanceautowire.com/mgb.pdf> that offers new wiring harnesses for sale to fit a variety of MGBs and Triumphs. More importantly for us maintainers though, this company has graciously posted all stock wiring diagrams for the MGB - in colour! Having coloured wires on the diagram makes a circuit much easier to follow, so I've always coloured mine with felt pens. The diagrams for the MGB come in PDF format, sized for 8.5 X 11 paper, so anyone with a colour printer can bang themselves off a copy.

They say they'll be adding schematics for more cars soon, but I guess those of us with MGAs and Jaguars will have to stick to felt pens for now!

Anyhow, thought I'd pass along this invaluable resource."

This Month's Big News!!

The Heather's Wine & Cheese Party on Sunday 26th and John Clarke's Garage Night on Monday 27th. Come to either or both for a good time! Lots to see and do!

Swap and Shop

The following items are needed by members:

A Churchill tool catalogue.

Wheel gauge for a TR3, just the guts, which is the same as a MGA (Vito).

Paul Pillon has both of his Jags up for sale; whichever one sells first will finance restoration work on the other.

There is a 1959 XK150 Fixed Head Coupe for sale in North Van, white/red, \$51,000 on consignment near the old Mazda dealership.

Oil pressure sender for an E-Type 2+2 (Leon).

Magic Oiler for a Jensen (sp?) Supercharger.

Joe Carroll announced that a friend of his is going through some health challenges and as such is selling his sealing/machining business for peanuts. All that's needed is an aptitude to being handy, making bushings, running a lathe - will throw in a hydraulic press.

There is a need for someone who can true up MG wire wheels.

Rocker switch for E-Type heating fan motor.

Anglo Canadian 1965 MG Roadster that is available to the club. John Clarke has appraised it as straight but ratty - it is basically a barn find. All the numbers match and the desire is to keep it together until someone who wants an early B is found. We have storage available for three months to see if anyone wants to take it on; if no one is found by then the proposal is to sell the vehicle, recoup our losses on the storage fee, and donate the rest of the money to charity.

MARCH IS MIKE'S MODEL MANIA MONTH!!

Mike Powley is hosting model night in March, and has advised the populace that it is an open event for any kind of paraphernalia, not just MG/Jag cars. The form for entry is on the Website www.jaguarmg.com or with your shipped LCG or is available at the Club meeting.

We look forward to seeing you in a club car or a Brand X.

A great offer from a Club member...

Having recently completed an engine remove/replace and assorted work in between, I have a 1000 lb engine stand, and a load leveler which I will not be using soon (I hope!!).

I would be happy to lend the stand and/or the leveler to any current member of the club.

All I would need would be to see their membership card. The loan period would be maximum three months.

My phone number is (604)321-5548, and my email address is als@almarkfinancial.com

Thanks , Al Simmons

"GRADGE" NIGHT!!

The next garage night will be held at John Clarke's, 7491 Aubrey St., Burnaby. Phone # 604-291-1890 on Monday, April 24th, at 7:00 PM sharp please.

The topic will be "The assessment of a proposed restoration project - an MGA coupe and an MGB roadster". Also engine lubrication systems.

Bring a smile and a folding chair, it should be fun. Help for beginners through to those who have lost their teeth!

Is there anyone interested in helping with this remarkable venture?

From Eric Willis willisemc@aol.com

Now that I am retired and have the time, I would like to build a Suffolk car, (UK company), Jaguar SS100 replica. It is based on a MK 1, 2, or 3, XJ6 donor car with some of the parts modified, speciality chassis, and fiberglass and aluminium body parts, and various replica trim items.

Before I spend too much time on this project I would be very pleased if you could advise me where to the find information on, if, and how, the finished vehicle could be registered for road use in BC. I have seen the Ontario HRA information on registering. There is also some information from ICBC which is available on the web, which indicates that there is a category for "Kit cars" or "Replicars", but it does not seem to be very complete. I will want to be sure before I start that the finished car can be registered.

I would appreciate any help.

Notice from Al Riches....

I would like to remind Club members that both the Mar/Apr Classical Gas and the 2006 Membership Roster will be available at Monday night's Club meeting for pick-up.

As this will be a double weight mailing, we hope that as many members as possible will be able to pick theirs up and take one for other Club members who live close by or they see often.

Hello vintage car enthusiasts!

Could you please bring our website (www.tbvsc.com) to the attention of your members as this year we are once again hosting an all marques event entitled "Back to the Bay" on June 15, 16 and 17 in Thunder Bay, Ontario. This event began in 1991 here in Thunder Bay with 28 vehicles participating and it has continued to grow with this year's expected attendance to be 120 vehicles and close to 250 people. In the past, cars from Ontario, Manitoba, Minnesota, and Wisconsin have shared this tradition of great cars, great friends, great weather, and great fun for all. Details of the event and the registration form are on our club's website as well as photos from 2003 when we last hosted this Rendezvous.

Thunder Bay is located on beautiful Lake Superior and is a stop on the famous, scenic Lake Superior Circle Route Tour. Many car enthusiasts enjoy this drive immensely as the views are unparalleled, the hills and curves delightful and the scenery quite spectacular.

Yours truly,

Lori Jarvis, Publicity and Promotion Chair,
Rendezvous 2006,
Thunder Bay Vintage Sports Car Club.

Hoots Mon!..... It's The Highland Games again!

Saturday June 24th

Bring out your English car (ie made in the UK) and get a bonus: Parking on the field and free entry for the driver and navigator of an English Car. By bringing your car on the field, you will have a great day, but also you will save about £10 (\$24 Canadian). Cars range from new, top of the line Jaguars or those cute little Minis that are now very popular, to well used humble sedans of the 50's or earlier prewar models. Make a day of it, park and display your treasure on the field then enjoy the rest of the activities. Enter via the South East gate prior to 10:00 am. Follow the arrows and car silhouettes. Owners, please keep your car on the field till 3:00 pm. Visit the Old English Car Club at <http://www.oecc.ca/> to see some local cars or follow the links to a world of car pages. Need more info: call Mike Powley at 604-542-0921. For the unfortunates that do not own an English car, come to the South end of the field and visit us on the field on Saturday June 24th.

Smell that petrol and old leather and be nostalgic about driving on the "right" side.

The Columbia Gorge MGA Club, based in Portland, is proud to announce the 2006 Columbia Gorge Classic Rallye, the premier annual event hosted by the club. The dates are June 23-25, and the location is the Willamette Valley between Portland and Eugene, Oregon.

On Friday evening, June 23, there is a reception, vehicle safety inspection, and participant meeting at Gran Prix Imports in Wilsonville (just south of Portland). The next day, the all-day rally will depart from Gran Prix Imports at 8 a.m., ending up in the Eugene area about 4-5 p.m. with awards presentation following. Participants may choose to spend the night at the offered hotel in Eugene, and take part in the organized tour back to Portland the following morning, Sunday, June 25.

The rally is open to European sports sedans and sports cars made in 1980 and earlier, with a limit of 60 entries. The registration fee is \$60 or \$50, depending on the class entered.

One innovation to be introduced this year will be multiple classes. In addition to those wishing to drive the regular TSD course, there will also be a "Novice Class" for those with very little or no TSD rally experience, providing an opportunity to drive a true TSD rally, but with the course-following simplified. Additionally, there will also be a "Touring Class" for those who merely wish to drive a modified rally route without the challenges of interpreting "rally language" or staying on time.

An additional new development this year is posting the General Instructions on the host club's website. Rallies are traditionally governed by a combination of these "Generals" and the Route Instructions. The Route Instructions are distributed just shortly before the beginning of the rally, but the General Instructions need to be studied and understood in advance, so they'll be available to everyone well in advance where they can be downloaded and printed.

See the MGA club's website (www.ColumbiaGorgeMGAClub.org) for more info, including a printable application form, and reserve the dates - June 23-25 - now. This promises to be a great one!

Jaguars on the Island

Information from Doug Ingram.

You are invited to attend the second annual "Jaguars on the Island", hosted by the Jaguar Car Club of Victoria on July 28th and 29th, in Victoria, British Columbia. Above all, we emphasize participation - all Jaguars and all Jaguar enthusiasts are welcomed and encouraged - this is not an event just for show cars. (We will also hold a sanctioned Concours for those interested in that sort of thing).

The main purpose of this event is to enjoy our gorgeous Jaguars in a beautiful place. The attached file contains full information and a registration form.

We would be very happy if you attended.

Cheers, Doug Ingram, Chair and the Jaguars on the Island Committee

Little Classical Gas - August 2006

GREAT NEWS FOR ALL OF OUR READERS!!!

We have a new Editor!

In response to many requests we finally have a replacement editor - Mike Harford! Mike has decided that the Newsletter does need a change of ideas and format and he told me he would like to 'have a go'. Mike will be taking over from the September issue and Adrienne and I would like to thank him for his kind (!) thoughts. We wish him the very best and thanks to everyone in the past who has helped provide information and ideas - please keep them coming (to Mike's email address!) Best wishes to Mike (and condolences to Tonya!!) Dave Williams. Ed. LCG

The Langley Area Mostly British Motoring Club (LAMB)

invites us all to this year's Cloverdale Jamboree charity car show at the Clover Square Village on Saturday September 16th. They are adding a British Jamboree to the line-up. It will be a feature of the event, not just an add-on to the American steel. They will have their own section to display British finery and will also have British entertainment. They are trying to assist the organizers in getting as many British vehicles as possible to wow the crowd. They are hoping for a minimum of 50. Pre-registration is a definite plus so they can gauge the space requirements.

September 2006

Heritage 2006

Heritage this year took place between August 18th and 20th. The weather was very cooperative and it helped it to be once again a successful and fun event. A new look to the car show to add a bit of variety, every car was in a "circle" pointed toward the center. It was nice to see the cars lined up in chronological order so you could see the changes made as the years past. Everyone's cars showed well in the sun with downtown Vancouver in the background. Some people brought picnics, while others took advantage of the proximity to the Lonsdale Quay, and had a bite there. We didn't make it to the dinner, but from what we heard on the Sunday, it was quite nice. Awards were handed out for the car show

event. Jerry Parkhill received the Mark Parkhill Award for 2006. Sunday morning came early for us. The rally went from North Vancouver to the Surrey Slalom Site. While 7 cars started out, only 6 made it to the end. Our MGB gave up a very short time into the rally. But determined to make it to the slalom, we parked our car, took a taxi to our house, then drove our Toyota Prius to the slalom site. 19 cars took part in the slalom, including our brand X.

Everyone seemed to have a great time. It was nice to see so many people participating. Rhonda had her hands busy with timing everyone. Once we all finished, it was time to head off for brunch and award presentations. The Excalibur puts on a good spread for the brunch, and we definitely had enough to eat. Al and John were busy tallying up the results, and the overall Jaguar winner was Art Dickinson in his modified 1983 XJS Coupe. The MG overall winner was Norm Stanley in his 1977 MBG Roadster. Congrats to you both, and the rest of the winners for all events. For a complete list of results stay tuned for the next issue of "Classical Gas".

British Jamboree at the Cloverdale Old Car Jamboree

A request from the Langley Area Mostly British Motoring Club:

This year the Cloverdale Jamboree charity car show is adding a British Jamboree to the line-up. We will be a feature of the event, not just an add-on to the American steel. We will have our own section to display our British finery and will also have British entertainment. I am trying to assist the organizers in getting as many British vehicles as possible to wow the crowd. We are hoping for a minimum of 50. Pre-registration is a definite plus so we can gauge the space requirements.

Help our club get as many of the British car community to participate as possible for this worthwhile event. As I said earlier, proceeds go to charity, plus, any time we can raise the British car profile, that is a good thing.

For further information, contact either Kathy Hahn (604-532-1220) or Audrey at SRO (604-514-2277)

Presidents' Run 2006

This year's Presidents' Run took place on September 15-17. It involved driving through the Northern parts of Washington state.

Here is an excerpt of the weekend events—submitted by Chris and Sandra Venning. Day one we picked up the group on the road to Sumas at 10:00 am. The border crossing was unusually busy for a Friday morning. After getting our weekend grog at

the Duty Free we set off to Anacortes. The cool morning was turning into a sun drenched day and it was now time to put the top down. Under Graham's lead we followed like a row of sheep. We had a lovely lunch at the Blue Mountain Grill

on Hwy # 9; then it was off to Arlington through the back side of Sedro Woolley. During a rest stop in Darrington we discovered a very small one room liquor store owned by an elderly lady who's daughter was selling homemade jams and jellies for pocket money for her trip to Scotland. We all left with a bag of wine and jelly. We arrived at our Motel The Mariner Inn in Anacortes at 6:30 pm. Everyone was

looking forward to dinner at the local Greek Restaurant ...

Kruise for Kids Toy Run 2006

The 2006 Kruise for Kids occurred on Sunday, November 5. The rain held off for the majority of the time, and it was a pleasant day—from the meeting point at Guildford Mall to the end point of the drive at the Langley Community Centre. This event is made possible by the members of the Greater Vancouver Car Club Council.

This year, our club was represented by Doug and Rhonda Gale, Doug and Carol Carr, Vito and Madelaine D'Onatiello, Mike and Tonya Harford, Peter Tilbury and Joe Carroll.

There were over \$8000 in door

prizes given out. But that wasn't the reason for attending. It is all about the Lower Mainland Christmas Bureau and fundraising for it. Our club raised over \$3000, a lot of which is owed to the huge efforts of Doug Gale.

Overall, more than \$12600 was raised this year, as well as several hundred toys of all sizes and types.

It was once again a great event, for a great cause, and is definitely worth attending.

For info on the Lower Mainland Christmas Bureau, point your browser to www.lmcb.ca

DON'T FORGET OUR CLUB CHRISTMAS PARTY....

Just a reminder to remember our Annual '12th Night' post-Christmas Party—This year it will be held on Saturday, January 13th at the River Rock Casino in Richmond. More details to follow in an upcoming issue.

2007 Calendars
