JCNA AGM INFORMATION

To all Clubs,

I would like to take this opportunity to remind all affiliate Clubs that the 2007 JCNA Annual General Meeting (AGM) is scheduled for Saturday, March 24, 2007, in Houston, Texas. Information regarding the AGM schedule, hotel reservations and events can be found on the JCNA website. The 2007 AGM page can be accessed directly from the JCNA Home Page.

I also want to remind all Clubs that as a result of a change in the JCNA By-laws at the 2006 AGM in Seattle, any proposed changes to the By-laws MUST BE SUBMITTED TO THE JCNA SECRETARY NOT LATER THEN 8 WEEKS BEFORE THE AGM. The deadline for submission of any proposed By-law changes is January 26, 2007. Proposed By-laws changes should be submitted to Sherman Taffel, JCNA Secretary at stafel@jcna.com or at his home address which can be found on the contacts page of the JCNA website or in the listing of officers in the latest issue of Jaguar Journal. Any proposed By-law change submitted after January 26th will be considered untimely and will not be voted upon at the AGM.

Any matters other than proposed By-laws changes that any Club wishes to be put before the delegates at the AGM should also be sent to Sherman Taffel as soon as possible. We request that Clubs adhere to the January 26th submission date as well, if at all possible, so that the AGM agenda can be prepared, circulated and reviewed by all Clubs well in advance of the AGM.

Thank you all for your attention and anticipated cooperation. If you have any questions about the AGM agenda or submission of By-laws proposals, please contact Sherman Taffel, me or your Regional Director(s).

I look forward to seeing you at the AGM in Houston.

Steve Weinstein
JCNA Vice President
Northeast Regional Director

February Run To The Wine-n-Cheese

The monthly drive will be taking place in correlation with the annual Heather's Wine and Cheese event on February 25th.

Doug and Rhonda Gale will be leading a drive from the Burnaby Lake Clubhouse to the Heather's home. Departure time is 1pm. They

will be supplying maps so you can make your way there successfully.

Contact numbers for Doug & Rhonda are 604-521-3021 (home) or 604-789-8901 (cell) - in case you get lost!

THREE REASONS TO ATTEND THE FEBRUARY MEETING

- #1 Our featured presenter is MG member Ed Theobald, who is the General Manager of Envirotec Canada. Ed will give an update on AirCare.
- #2 The chance to be creative. We're going to solicit suggestions for two things:
 - (a) a possible 'theme' for Heritage Classic 2007, our club's 38th annual weekend extravaganza August 17 to 19 being held at Waterfront Park in North Vancouver. As always it will include a field event Saturday for folk who love their cars (including a Concours for those who are picky about them), an Awards Banquet, plus a fun rally and a slalom. Ideas suggested to date include: "Picnic in the Park", "Travels with My Car" and "Art in the Park".
 - (b) a possible name for a fun cruise being organized for those attending the international MGB 2007 event in Sonoma California July 16 to 20, and then heading north here, including many en route to Whistler to attend GT 32 July 23 to 26. (Yes, we'll be moving fast.) The Seattle MG Club has organized a cruise south from Washington to the California event that will be picking up Canadian MG's in Everett and then others all along the way through the three states. They are calling their cruise "Rolling Thunder". We need to come up with an equally great name for our cruise coming north.
- #3 Membership meetings are always fun!!!

GT32 in Whistler

Registrations have started to roll in for GT32 from all over Canada and the US. To date, GT32 has received eight registrations from CCMGC members, including five MGA Roadsters, an MGA Coupe, a Magnette, and an MGB. Any CCMGC or CXKJR members who do not have Internet access to www.GT32.com to get event details and to download a registration form can call Peter Tilbury, on 604 535 0648, to get a registration form by mail. The event runs from July 23rd to July 27th in Whistler.

AN INTERESTING PERSPECTIVE

This is from the talk Colin gave at Octagon during the tour on Feb 18. Origin of story is not known.

You'll never see an old man in a MG

The unwritten law governing roadways from 1945 to present wouldn't permit it. Youth is not an option with the MG. It's a must. The minute you're in it, a kindly breeze erases the creases in your forehead and the hair you haven't seen since your Junior Prom is suddenly fodder for the four winds again. Your muscles may be gone, but you've been blessed with a new body by Morris of Coventry. A body no one could ever quite appreciate: the MG is a man's car born of an era when men were men who commanded their vehicles. And women were women who thought the MG rather cute, but quite impractical for the kiddies. And impractical they were, though easy on petrol, the MG was not an easy rider. It mirrored every pit in the pavement, every nuance on the road. Rough on the rear? You bet. And yet, one ride down one country lane, rubbed by generations of wheel to sensual smoothness made magic... And men called it MG.

The MGTC was the first great getaway car to cross the ocean and open up the highways to the classic European invasion. Before the TC rode out of the Morris Garages (long for MG) there were just the Ford and Chevy – domestic in every sense of the word. While the TC was foreign, yet familiar, British by design, American by desire. No other would compare with this welcome intruder.

At once, the MG is athletic and courtly, ageless in a time sphere where time doesn't matter at all. If it were just made last year, the MG would obliterate everything made before or after it because it is the definitive sportscar. Linear from any angle there are no curves to detract from the purity of design or the honesty of purpose. The MG is today, yesterday, and tomorrow. All things to all men whatever their age or station. To ride one is to recapture youth on the highways; to own one is to own youth forever.

GT32 Information Meeting

All CCMGC and CXKJR members are invited to a GT32 information meeting at the Clubhouse, at 6 pm on Monday, April 16th, to learn about the NAMGAR event being hosted by the CCMGC in Whistler in July. If you are interested in attending the event, showing your car in the car show, or wish to assist with the running of the event in Whistler, the organizing committee will try to answer all your questions at this meeting. If you are unable to attend this meeting and want information, please email Peter Tilbury at info@GT32.com, or call 604 535 0648.

April Meeting Event: Jay Leno Car Collection

A fortunate few of us have had the good fortune to see the car collection in the flesh (metal), and even fewer have been given the run of this sprawling museum with permission to photograph its contents. Nigel Mathews of the ICBC Collector Vehicle Program is a friend of Jay and produced this digital slide show which he will share with

us. There is something for all of us in this presentation and Nigel's commentary gives a fascinating look into Jay Leno the auto enthusiast.

Note: The show will start at 7.30pm immediately after the GT 32 meeting.

"GRAPES TO GLACIERS" - CONVOY FROM SONOMA TO WHISTLER

To those going to attend NAMGBR's MG 2007 in Sonoma, California July 16 to 20th:

Our CCMGC club is leading a convoy "Grapes to Glaciers" from MG 2007 in Sonoma to GT 32 in Whistler. It will span three nights and four days. We're just finalizing the route now, which will go through the southern part of the Oregon Coast, and then inland through the Oregon wine country and up through some spectacular Northwest roads to Whistler. We already have a number of MG'ers interested in joining our convoy, from the Portland and Seattle areas, as well as from some eastern states such as Virginia and Ohio.

Any MG's going to MG 2007 and returning home right afterwards are welcome to join us, even those who are not attending GT32.

Further details will be available soon. Please let me know if you considering joining us and I can put you on a list to receive updates. (Note that I can also provide some information on the MG Car Club North West Centre's "Rolling Thunder" convoy which is going from the Seattle area to Sonoma July 14 to 16.)

CLUB STEAM RAILWAY PICNIC—June 17

Once again the CCMGC and CXKJR invites all their members and their families to a picnic at the Burnaby Central Railway in Confederation Park. As usual, the Clubs have made a donation to the Railway which guarantees rides for us until we all get sick or faint. The Railway was built by and is operated by the BC Society of Model Engineers. There are two miles of track with tunnels, bridges and mountains in the attractive site. The Railway is reserving tables and shelters for us and there is special parking for British Cars. Unfortunately, barbecues and hibachis etc are not permitted. (It is rumoured the steam engines

don't like the competition).

The site is open from 11am to 5pm and the picnic is on Fathers' Day, June 17th. The Railway is located on Willingdon Avenue north of Hastings Street at Penzance Drive and there is plenty of parking on the street and in adjacent lots.

An added attraction this year is a visit to the station by the Mainland Modular guys with their huge H-O layout. So do drop by, if you can't stay for a picnic, buy a snack from the Concession and have a ride! PLEASE NOTE. If you are planning on bringing a very small child to ride the train, please bring a "snugly" or similar carrier that leaves the adults hands free.

QUESTIONS? Call Joe @ 604 988 2497.

GT32 Update

At the end of May, there were 91 cars entered in the car show for GT32. The numbers for each class were: 1500 - 22, 1600 - 18, 1600 MkII - 10, Twin Cam - 2, Deluxe - 1, Coupe - 4, Magnette - 4, Variant - 0, Altered A - 4, Premier - 5, Display - 3, other MG - 13, and other British - 5. There is still time to enter your Jaguar in "other British", and MGB or MGB GT in "other MG". We would also like to see an Elva or a TVR in the Variant Class. In fact, any vehicle with an MGA chassis or an MGA engine and gearbox, is eligible for this class.

We are expecting a very special MGA, with an astonishing history, to be on display on the field at the Whistler Golf Club, and this should provide some additional excitement for people attending the car show. It will be the first time this car has been seen in Canada.

Reminder re: Grapes to Glaciers Run

Jennifer Orum is leading a convoy cruising from MG 2007 in Sonoma, California, to GT 32 in Whistler from July 19 to 23. Cars along the way are encouraged to join us. We'll be passing through the Fraser Valley and the Vancouver area early Monday afternoon, July 23. Contact Jennifer for more info at (604) 880 7598.

HERITAGE CLASSIC—Don't Miss It !!!

This year our clubs' premier annual event is being held from Friday, August 17 to Sunday, August 19. Whether your Jaguar or MG is a show winner, a daily driver, or an occasional cruiser, come join the fun.

A field meet, car show and Concours will be held at North Vancouver's spectacular Waterfront Park on Saturday that will feature Jaguars, MG's and British motorcycles. The Saturday night banquet at Chez Michel Bistro will include great food, award presentations from the car show, a silent auction and a raffle. Sunday will bring a fun rally and slalom (autocross) and the wrap-up brunch.

New this year at the Saturday Field Meet will be a display of automotive art and prize draws for those entered in the Enthusiast Classes.

Please join us for part or all of this wonderful weekend event.

HERITAGE 2007—August 17-19

It's not too late to register for Heritage! Don't miss it!

This year's Heritage Classic from August 17 to 19 has something for everyone and thus we're hoping all CCMGC and CXKJR members will take part in at least one event. There's a buffet dinner at Cheers Restaurant on Friday night (only \$5 per person). The Saturday car show at Waterfront Park on Saturday will have judged cars, but just as important, the new 'enthusiast' class for those who just want to get their Jags or MGs on the field to enjoy the day. The show will also feature automotive art, including a number of local artists displaying their work. Saturday night's banquet is taking place at Chez Michel Restaurant. Sunday brings the fun rally or cruise from the Lonsdale Quay to the Slalom at the Scott Road Sky-Train station, followed by brunch at the Xcalibur. We'd like to see all our members and cars at least some part of the weekend.

Detailed information is available on our website www.jaguarmg.com. You can also contact Jennifer at jlorum@shaw.ca and 604 926 8712, or for registration information, Rhonda Gale at (604) 521 3021. See page 3 for the Registration Form.

Presidents' Run 2007

Just an FYI—The run this year will be September 14-16. More details to follow. If you have any questions, contact either Jennifer Orum or Tonya Harford.

English Car Affair in the Park

The Old English Car Club of BC is invited our members to the 13th Annual English Car Affair in the Park at Fort Rodd Hill in Victoria September 15-16.

You and your English vehicle are invited to the car show with a difference: a friendly merry-go-round of vehicle-related activities.

Join us on Saturday afternoon for a tour around scenic Metchosin, just west of Victoria, followed by a casual dinner at Brannigans Restaurant near Sooke. On Sunday, enjoy the car show at beautiful Fort Rodd Hill & Fisgard Light National Historic Site. The day will include live music, fun and games for all ages, technical displays and more! Your entry fee includes a dash plaque and laminated window card providing details of your car.

They hope to have better weather than last year but sometimes in September English cars get English weather!

GT32 Followup

WOW! What a great GT32 event – 120 cars and 300 people. Star of the show was EX186, an MGA Special built in 1958 to win Le Mans, but never raced, and then smuggled out the back door of the factory to save it from being scrapped when the factory was closed. Found its way to California, where it lay in a barn for over 40 years. This was the first time this stunning car had been in Canada. Alongside this was an ex-Sebring MGA (#38), that had its restoration completed just a week before the event.

The GT32 organizing team received many accolades from the attendees – thanks to all from CCMGC and CXKJR who helped to make this event the best GT ever. We incorporated some new features that will be adopted by GT organizers in the future. And speaking of the future, GT33 will be in June 2008 in Pennsylvania, just south of Pittsburgh (details in CG soon).

Look out for spectacular photos from GT32 on the website www.GT32.com soon. A CD of these photos can be ordered from Les Garbutt.

Five Club Run—October 13 & 14

Organized by the Seattle Jaguar Drivers & Restorers Club (JDRC), the tour will involve all five Jaguar Clubs in the Pacific Northwest and four different starting locations: Jaguar Tacoma (JDRC), Castle Rock, Wa (Jaguar Owners Club of Oregon), Port Angeles (Victoria Club) and Sumas (CCXKJR & Pacific Jaguar Enthusiasts Group). The destination is the historic Inn at Port Hadlock. The website is www.innatporthadlock.com

As of October 6, there are still some rooms available at the Inn (non-water view). For information on availability and rates, call the Inn at 1-800-785-7030. Those planning to take part should also notify Kirby Drawbaugh of the Seattle JDRC before October 10 at (425) 228 2465 or adraw@aol.com

It is very important that you let Jennifer Orum know who will be taking part from our club. Please send her a note at jlorum@shaw.ca or call her at (604) 880 7598

Volunteers Needed Immediately

Christmas Party: Last spring we booked facilities at the Waldorf Hotel for our Christmas Party December 1. The intent is to have a Polynesian theme. We need someone immediately to organize details of the event. The party will likely require several people to be involved, not just the chief organizer, so other volunteers are welcome as well.

Web Liaison: Our club website is an important way for others to find out about CCMGC and CXKJR, and is one of our main ways to promote the club. We require someone to act as a liaison between the club's Executive Board and our webmaster. It is hoped that the Web Liaison will be able to attend the monthly Executive Board meetings whenever possible.

Editor of Classical Gas: The Editor position is a crucial one to the club, since CG is one of the key ways we communicate with our membership. The September/October edition is currently in production and we would like to identify the new editor as soon as possible, to assist with the production of the November/December edition and, at the latest, be available to produce the January/February 2008 edition. While not a voting member of the Executive Board, it is hoped that the Classical Gas Editor will be able to attend the monthly Board meetings. At the same time, given the many ways of communicating nowadays, we appreciate it may be possible for the Editor to be in contact with the Board electronically, and do their work 'at a distance'.

Anyone interested in these positions can contact Jennifer Orum (604) 880 7598 or jlorum@shaw.ca or Tonya Harford (604) 464 2212 or tharford@telus.net

Elections for 2008

Officers to be elected at our AGM on November 19:

Vice President, MG	Vice President, Jaguar
Treasurer	Secretary

A Vice-President automatically becomes the President the next year. In the third year the President automatically moves into the Past President position.

If you're interested in putting your name forward for any of these positions, or suggesting another member, please notify the Nominations Chair, Les Garbutt.

Notice of intention to change the Club Bylaws at Upcoming Annual General Meeting

Background: In April 1999, the CCMGC/CXKJR membership approved a "Club Bylaws" document that described how the club membership and its Executive Committee operates. It referred to items such as roles of the Club Officers, Trustees, Executive Committee and Administrative Positions, and the quorum at membership and Executive Committee meetings.

According to the Club Bylaws, Past Presidents are voting members of the Executive Committee, but are not treated the same way as the Presidents, Vice-Presidents, the Treasurer and the Secretary as far as quorum is concerned. To make this treatment consistent, a resolution will be proposed as an "extra-ordinary resolution" at the upcoming Annual General Meeting November 19, 2007 to amend the following Club Bylaw:

FROM: Club Executive Committee. 13. "A Quorum at any and all Club Executive Committee Meetings shall consist of no less than six members of said Executive Committee and no less than four members of the Elected Executive."

[Note that the "Elected Executive" is defined as including the Jaguar and MG Presidents and Vice-Presidents, the Treasurer and the Secretary.]

TO: Club Executive Committee. 13. "A Quorum at any and all Club Executive Committee meetings shall consist of no less than six members of said Executive Committee and no less than four members out of the following" President Jaguar, President MG, Vice-President Jaguar, Vice-President MG, Past-President Jaguar, Past-President MG, Treasurer, Secretary."

Abingdon Museum—The Making of the Abingdon 1935-1980

In the event you are making a trip to the UK before April 28, 2008, you may want to visit the Abingdon museum in Oxfordshire. There is currently an exhibition "The Making of the Abingdon Years" that recognizes the years that the MG marque was assembled. It is open only on Saturdays and Sundays from 10.30am to 4.00pm.

Free multimedia history of the MG car company before the war

Auto-history.tv has produced an informative multimedia history of the MG car company before the war which can be added to any web site for free. A direct link to the story can be found at: www.auto-history.tv/weekly/archives/prewarmg

Watch a century of classic motor racing films for free this Christmas

In addition, an excellent selection of motor racing films from Europe and the USA from the past 100+ years is now available to view for free at www.auto-history.tv until New Year's Eve.

A different film will be shown on the web site each day and will feature many of the world's greatest ever motor racing drivers, including Juan Manuel Fangio, Stirling Moss, Graham Hill, Tazio Nuvolari, Jim Clark, John Surtees, AJ Foyt, Phil Hill, Malcolm and Donald Campbell as well as many other champion drivers from the golden age of motor racing.

All the films are between one and five minutes in length and should all enthrall, inform and entertain anyone interested in motoring history.

The films cover leading race events from many of the world's most famous circuits, such as Le Mans, Indianapolis, Watkins Glen, Monte Carlo, Brands Hatch, Bonneville and some have not been seen for more than 50 years.
