SPECIAL ANNOUNCEMENT! ANDY SMITH TO MAKE RETURN VISIT

We are very excited to announce a return presentation of *Andy Smith* at the January 11th membership meeting. Andrew is the friend of John Clarke, who builds the cars and directs the car stunts for the James Bond, and Batman movies, along with several others. We know that those of you who attended the last presentation will be looking forward to this very special return engagement. If you like cars, stunts, and movies YOU WILL NOT WANT TO MISS THIS MEETING. Andy and John have now got the video files that we could not run at the previous meeting working, with the club projector, so this should be a most entertaining event to start off the new year with a bang. *This special night is not an "open event" and is for currently paid up members and their partners only - so if you have not paid for the 2010 year, be prepared to pay up at the meeting. We look forward to seeing you at this most entertaining evening - arranged by John Clarke.

Little Classical Gas received an email from the travelers in their 1928 Graham-Paige ! Candelaria, Pampa, Tehue, Paloma, Wallaby and Herman Zapp Let's keep chasing Dreams, Now in Australia!

www.sparkyourdream.net or www.argentinaalaska.com

They are still travelling - not to Asia yet as was originally their plan when they spoke to our club. AND yes there is another child, his name is Marcus Wallaby - guess where he was born ?? [I will be happy to forward their email if requested -ed.]

Check your Classical Gas ... look for email addresses to other clubs etc. including MGA! and check out GT 35 "A Get Together of The First Magnette-tude"! It's being held at the Lake Lawn Resort in Delavan, WI

Anyone interested in making submissions to Classical Gas should contact Jennifer Orum, Senior Editor Classical Gas, at (604) 880 7598 or jlorum@shaw.ca to find out specs for articles and photos.

Can you do the Bunny Hop? The executive is looking for someone to hop forward and take over the Easter Bunny Run. A few obscure questions, cleverly disguised and promoted as easy; a driving route that confuses, but only slightly; and a flexible destination for lunch. It is with sadness that we let our memberds know that Arnie Taub passed away on Friday, February 26th. Arnie was the man behind the Run to the Gorge event as well as the Western Washington All British Field Meet. If you had the opportunity to meet him, I am sure you will remember a very gregarious man who was a friend to many and had a love and admiration of all British cars. He will be missed.

His family has requested privacy during this time and there will be no public funeral.

The Run to the Gorge event will be canceled this year, but the ABFM will continue on as planned.

Guest Speaker at April 12th meeting - John Carlson, NAACC

Briefly for those who don't know - NAACC is something of a lobby group intent on pursuing unfair government legislation (green or otherwise) against car hobbyists. For example, a major piece of "green" initiative is to remove all cars 1995 and older from our streets. If you think this is fantasy then who would have thought smoking would be banned in pubs?

The National Association of Automobile Clubs of Canada has entered into a formal working partnership with the Historical Vehicle Association. The HVA is the newly formed North American voice of the collector vehicle hobby in both Canada and the USA. (According to the NAACC webpage, "Hagerty Insurance graciously provided the funding necessary to make this happen.") See the new www.naacc.ca See their site for more information on Speed Limiters (not an issue for most of us ...), Scrappage (definitely an issue for us), and other subjects that may or may not pique your interest.

TO MEMBERS

I would like to thank you so much for the very nice retirement card, that was a wonderful surprise. Retirement lasted about five minutes! I am now running Hagerty Classic Car Insurance for Canada. With B.C., Alberta and Ontario to look after I am busier than I have ever been. I must come and give you all a presentation and tell you about the benefits of insuring with Hagerty vs ICBC. I think I might have a bit of inside information in that regard!

I am sure I will see many of you at the ABFM, if not before

Kindest Regards Nigel Matthews

***1969 MGB roadster. HELP!!!** Please rescue me from the crusher at ABC Metal in Langley. I am under a death threat, and I don't want to be turned into a Honda Civic or a Miata. My owner got part way through restoring me, and bought lots of new parts, and then let someone send me and my parts to the crusher. I even have my ownership papers and my Key. I have a new dash board and convertible top. I don't have as much rust as most of my cousins. If I don't get saved by someone who can pay my ransom - \$800 half of which my captors will send to a charity, I am due to get smucked late in the day on July 13th. Oh dear! Somebody please help me. John Clarke has negotiated my reprieve for the past three weeks, but even his fast talking and negotiating can't save me any longer. **Call John at 604 291 1890.** He has pictures he can send You. IMPORTANT NOTICE re Sept 13 Membership Meeting

There won't be any Healeys there.

The invitation to the Healey Club has been rescheduled to May 2011. The previous joint meetings: Triumph (2007), Morgan (2008) and Galaxi (2009) were all held in May when there is much more daylight than in September. It is expected that the same will hold true for May 2011...

Instead there will be photos from this year's very successful Heritage Classic weekend and after the break Steve Collins will present a DVD of the 2008 Goodwood Show.

2010 President's Run - reminders, highlights and updates!!

Reminder: This is a two part event, both parts held jointly with the Seattle MG Car Club North West (a great group of drivers!), September 25 & 26; October 16 & 17.

Highlights:

September 25 in Winthrop, Saturday night
- cowboy dinner, reached by horseback or covered wagon (that's what it says!!)

Updates: Dickens Sweet Shop in Chilliwack will open especially for us on Sunday, October 17.

October 16 in Harrison
Hot Springs and Spa - the name says it all !!

I actually have a question for your members, if it is permitted.

I am getting married May 21, 2011 to a wonderful woman and had wondered if one of your members may be interested in renting their classic Jaguar (the Jags from the '30s are gorgeous) to drive my future wife and her dad to the church. An added bonus would be allowing us to take a couple photos immediately following the ceremony. Thanks for your consideration.

October 18th Guest Speaker will be Nigel Matthews of Haggerty Insurance. An interesting and engaging speaker with knowledge and experience in the car industry. And usually some great stories too!

This year the MG Car Club in the UK is celebrating their 80 year anniversary. They are making this a world-wide celebration by inviting MG Clubs around the world to organize an event over the weekend of October 16th/17th. These Clubs will then post photos and/or a video to the MG-80 web site, following a time line around the world from east to west. The first events will be those of Clubs in New Zealand , ending with events in Alaska . See the item below for our club's participation.

2010 President's Run - reminders, highlights and updates!

Oct 16 We will meet with the other participants at 1:30 PM and drive to Harrison Hot Springs, arriving by 4. Dinner reservation at the Black Forest Steak and Schnitzel House at 5:30.

Oct 17 The drive on Sunday to **Dickens Sweets** www.dickenssweets.com in Chilliwack is **our club contribution to MG 80**. *For those not on the drive you take the freeway to exit 119, Yale Road, driving North, over the railway bridge then first right on to Alexander Ave., Dickens is a few blocks along on the left* . As photos of the cars at this event will be submitted to the MG-80 web site, it would be great if there was a good showing from our members. Of course, turn out will be affected by the weather, but many of our member's cars are driven no matter what the weather conditions are. The plan is to arrive at Dickens around noon when lunch will be available. If you are having lunch please let Allan Lawrence know so he can advise Dickens the number of people they can expect- alan_lawrence@telus.net . There is also a museum to look through. The shop address is 45945 Alexander Avenue in Chilliwack .

AFTER LUNCH - for those interested there is an additional option to visit Chilliwack Heritage Park (10 minutes away). There will be a major train and hobby show put on by Mount Cheam Lions. At 117,600 sq.ft. this is the largest train and hobby show in BC.

We will disperse from the Heritage centre and say cheerio to our American friends. If the weather is good and clear we may drive up to Burnaby mountain for a photo opportunity with the city in the background.

December 13 is our annual Pot Luck and Awards night!

A delightful way to end the year,
and from your editor and your executive

Merry Christmas and a Happy New Year.

Doug & Rhonda Gale would like to thank the CCMGC & CXKJR and their members for contributing to the success of this year's Kruise for Kids Toy Run. The event raised over \$15,000 and donated over 500 toys to the Lower Mainland Christmas Bureau. Your generosity was greatly appreciated.
