Al Riches

Membership Secretary

I will send out a more regular, although slightly changed newsletter when Microsoft Publisher accepts my request for product upgrade. So sorry I cannot at this time insert the club logo or copy many of my other clips. Look for a calendar in the next week or so and ditto for the classifieds.

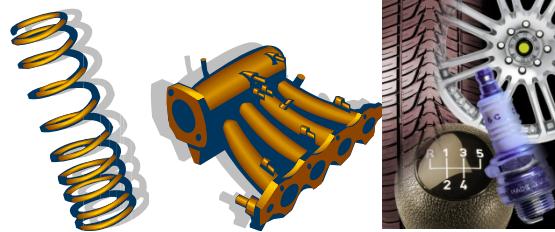

Now would be a great time to review those New Year's resolutions.

Going to finish that car project? Going to start one? Need

to make some space to work?

Send in your ads – I'm starting "fresh" for 2012.

All the best to you all.

SEE YOU ON TUESDAY

New Classical Gas Opportunity Available!

After four years as Senior Editor of *Classical Gas*, Jennifer Orum would like to share the fun with another CXKJR or CCMGC member. We're therefore looking for a club member to work initially with Jennifer as Assistant Editor, then as Co-Editor and finally as the new Senior Editor. Some editing experience, although not necessarily magazine editing, is important. The Senior Editor works with Technical Editor Joe Carroll, Ad Manager Doug MacDonald as well as Al Riches (distribution), Mike Powley (website) and those responsible for layout and printing – and just as important, with all the club members who submit articles and photos.

The Senior Editor attends executive meetings whenever possible, to remain familiar with club events, issues and culture. Anyone interested or wishing more information can contact Jennifer at jlorum@shaw.ca

Welcome to new and renewing members!

This is YOUR space, it can be used for announcements, a thank you, whatever you'd like — at least until there are too many market place ads and therefore no more space for nonsense. Maybe it's time to clean out the garage and either sell some stuff (your ad here) or advertise for those parts you need to finish a project (your ad here) or meet some pals for a drive (your ad here) - I hope you see what I WANT!!

Still looking for an apprentice editor, apprenticeship time TBA.

COFFEE COFFEE COFFEE

APRIL 15TH

Welcome one and all to the first coffee/run of the year. Doug and Rhonda have planned a route in and around Burnaby, starting with coffee at Caffe Artigiano on E. Hastings at 10:30 (leave from Club House or meet there) leaving around 11:15, then heading south-ish visiting various parks and the PBF and eventually finishing on Burnaby Mountain at Horizons with the option to go in or go on with your day. The route is about 50 km and takes around 2.5 hours. We have a gift (from the city) for the first 20 cars. Please let us know if you plan to join us so we don't leave without you. We have reserved a large table for 10 at the Caffe, there is parking on Hastings and some spaces in the back. Rhonda/Doug 604-521-3021 or at the meeting!

At the last garage night we were talking about SU carbs, and I have this book that shows which carburetor number corresponds to specific cars. I have copied and attached the pages referencing the MG's and jaguars. There was a lot of interest in this information. - Fred Wallace

Editor's note: I have attached the PDF file for those interested.

We have been invited to a Triumph Club BBQ & show. Starts at 7:00 PM at the Burnaby Lake Clubhouse on Wednesday, July 11. The cost to Jaguar/MG members is free but the Triumph Club needs a head count. For anyone not signed up yet, please forward confirmation to Vito (vdonatiello@shaw.ca)

Wanda Doyle would like to invite all members to her group art show at the Arts Council Gallery in Centennial Lodge in Queens Park, New Westminster, June 26 - July 28, 2013.

Opening Reception on Canada Day! Artists Kay Austen, ceramics; Shari Knox, Jewellery Designer and Wanda Doyle, Painter have put together an exciting collection. Gallery hours 1:00 - 5:00 daily except Mondays [\(604\) 525-3244](tel:(604)525-3244)

Note: Main entrance to the Park is at 1st Street and 3rd Avenue. Drive thru the parking lot and turn left, driving past the tennis courts and arena. Look for the building with the totem pole!

Please keep the weekend August 17th to 19th free so that you can participate in some or all the events we have planned for Heritage 43. Last year the 50th Anniversary of the E-Type was celebrated with a great show of these cars and THIS (his) year it is the 50th Anniversary of the MGB. On Friday night the Nog 'n Natter social has been reintroduced and there will be appetizers to enjoy as you catch up with old friends and make new acquaintances. On Saturday we hope there will be record entries on the field and for those that do not show their car we encourage them to spend a few hours checking out the cars in this spectacular North Shore venue. Wrap up the weekend with Sunday Brunch at Horizons Restaurant on top of Burnaby Mountain. Meet at Burnaby Lake Clubhouse to experience Al Riches' entertaining drive to the top! More at the meetings and in the next few weeks. Ask your executive if you would like specifics.

CXKJR/CCMGC Club events (announcements and reports)

We provide information on upcoming activities, both those sponsored by our club and other organizations, share the fun of past events, include technical articles of interest to Jag and MG owners

MG News Page/ JCNA News Page

The two News pages include announcements and reports for events sponsored by other MG and Jag clubs or national organizations, plus articles on any topic that would pique the interest of our membership.

Features

Articles written by our members about their history and adventures with collector cars.

Our CG production team includes Technical Editor Joe Carroll, Ad Manager Doug MacDonald, Al Riches (distribution), Mike Powley (website) and more ...

The exciting invitation included in the January February *Classical Gas* for someone to join the CG team as Assistant Editor did not encourage a crowd of people to rush forward. **We are therefore now offering several different ways for CCMGC/CXKJR members to assist in the magazine's production, and are thus looking for volunteers to be responsible for each of these parts of CG: Club Events, MG/JCNA News Pages, Features.** Being responsible for one of these four areas will involve encouraging submissions from members, editing articles submitted, choosing what items and photos are to be included, and in some cases, writing material when needed submissions don't come in. The content of each area will be submitted to the Senior Editor in Microsoft Word (unformatted).

HERITAGE 43, Our Classic Field Meet

AUGUST 17th to 19th, 2012

Nog 'n Natter at the Burnaby Lake Club House

Car Show at Waterfront Park/Awards Dinner at Pinnacle Hotel
Morning Drive then Farewell Lunch at Horizons

Registrations for JCNA Concours will be accepted up to and at the August 14 Club Meeting. Please contact Heritage Registrar Jim McLagan if you have any questions.

Heritage registration forms will be available at the meeting for those of us [MGBs] who have continued to procrastinate.

Mike Powley is currently in Peace Arch Hospital and the family very much appreciates all the concern and good wishes from his CXKJR/CCMGC friends.

If you would like to visit Mike, please call Mike's son David (at 604 218 3005). If you leave a voice mail message, indicate your name, phone number and when you would like to visit, and the call will be returned as soon as possible. While Mike enjoys seeing his friends, the family would like to schedule visits to avoid too many at one time.

"Thanks Mike for all those fabulous Model Nights and for arranging for so many of us to enjoy the Highland Games."

Kaffee Klatch August

...and they're off

The August Kaffee Klatch will be combined with John Morse's Slalom event for MGs, Jags and Brand Xs on Sunday August 26th.

Hosted by Doug and Karen Haakonsen the plan is to meet around 10 am at the slalom site located at the Scott Road Park N Ride (just off the King George Hwy between Scott Rd and 128th Street in North Surrey). Following the official slalom event, Klatchers can display their driving skills and run the timed circuit just for fun.

Ed. Note: the term "Klatchers" courtesy of Doug Haakonsen

The Koffee Klatch is a rain or shine event and depending on the weather will proceed to Fraser Downs earlier (10 – 10:15) where all the "fun" is indoors! Email Doug at or sign up

The group will then proceed about 11:15 on a planned run of about 20-25 minutes to the Fraser Downs Racetrack and Casino in Cloverdale for lunch or late breakfast. Meals are good value and prices in the \$7 – 12 range. There is live horse racing all afternoon and the Klatchers can also try their luck in the casino. Fun for all and all for fun!

For those that aren't going to be partaking in the Heritage events on Sunday, August 19th, feel free to join Mike and Tonya in the PoCo car show. The Downtown Port Coquitlam's 8th Annual Car Show is happening on Sunday, August 19th 2012 10am - 6pm, put on by the Port Coquitlam Business Improvement Association. Registration fee is \$25, which includes a dash plaque, goodie bag, t-shirt, door prize entries and a buffet breakfast. They ask you to be there at 8:30 am with your car. Even if you don't want to show your car, feel free to just come and have a look. It is located in Downtown Port Coquitlam on Shaughnessy Street and adjacent side streets. Historically, there are always a few British cars, but it would be nice to see more. More information for the event, including online registration, can be found here: <http://www.pocobia.com/carshow.html> If you intend on going, drop Mike or Tonya an email at mharford@telus.net or give them a call at 604.464.2212 so we can try and group the cars.

Remember the first Koffee Klatch of this year? For those that do The Pita Factory has moved and are now at 8000 Winston Street, still in Burnaby. Still open every day except Saturday from 8 AM to 4 PM—the Gales.

My name is Bernadette Boyer and I contacted Peter Sven as there was a photo of his Jag Mk V in the Province Newspaper May, 2010. I have a friend whose parents owned a 1950s Jag Mk V and it was sold by her mother, Rosemary Danby, in about 1968-69. My friend is interested in finding out if someone still owns it locally; if so, she would like to see it again and perhaps have a photo taken with the car. My friend, Kathy Danby, is the family historian, and as a birthday surprise for her, I would like to see if I can locate the car and bring her to see it. Peter Sven mentioned I could see if you could put a note about this in the Jag Newsletter. Much appreciated, Bernadette Boyer bernadetteboyer@shaw.ca

Excerpts from a recently overheard conversation between two prominent members of the club:

Jim: "Hey Bev, have you heard the latest on what's happening at the Nog 'n Natter on Friday night?"

Bev: "No, what's happening now, Jim?"

Jim: "Well believe it or not, the organizing committee has arranged for four local artists to display and offer their pieces at reduced prices in a silent auction. Our own Wanda Doyle will be there and selling her art greeting cards, too." And get this Bev, two of the artists specialize in car art that features Jags and MGs."

Bev: "Wow, that's great... and I heard they will have door prizes and gift draws throughout the evening too!"

Jim: "Yeh, and they've assured us there will be mountains of food and drinks available and you know how I like my beer - cold and plentiful!"

Bev: "And I love appy's! On top of all that, Jim they've arranged for Jaguar Richmond to underwrite a portion of the cost, so the member cost now is just \$10 bucks per person..."

Jim: "No kidding... Hey, this is cheaper than staying home for the evening – let's get the word out, so everyone can unwind and have a few laughs together before Saturday's big field meet at Waterfront Park."

Bev: "Okay, let's do it..."

ODDS & ENDS PAGE

(rather like that drawer we all have where we keep those ever so important odds and ends)

A full-page In Memoriam for Mike Powley is being included in the September/October *Classical Gas*. Anyone with a good photo of Mike at a club or other car event is asked to forward the photo to Jennifer at jlorum@shaw.ca before September 17. Those who knew Mike well are also invited to send along stories about experiences with him - please keep the size of such submissions to one small paragraph. Thank you. [Jennifer Orum, Classical Gas Editor]

Rather than a memorial service, we [Rosemarie, David, + Marianne Powley] will be having a celebration of Mike's life in the coming month – most likely towards the end of September. No firm date has been settled on at this time, but rest assured you can expect to hear from our family in the coming weeks about a date and location.

In lieu of flowers, we would kindly request that donations be made to: The White Rock/South Surrey Hospice Society in memory of Mike Powley attn. Residence Fund. 15510 Russell Ave. White Rock, BC V4B 2R3

Our members who wish to contribute may do so at the September meeting; others can forward their contributions via mail or call Doug Haakensen to arrange to donate. The executive has voted to make a donation also, in acknowledgment of Mike's years of service and dedication to our club.

LITTLE CLASSICAL GAS

The club has recently been advised by the Burnaby Lake Clubhouse manager that the south end of the parking lot (closest to the building) will be repaved starting as early as Tuesday, October 9th which coincides with our meeting night.

Members attending the meeting are therefore advised and requested to **use the north end of the parking lot**. Street parking may also be available however, if the current great weather continues, these parking areas may be fully utilized by the tennis players.

Sorry for any inconvenience.

There will be a slide show about the trip to Goodwood at the October club meeting. Welcome back to those members who were away on holiday!

Every year Doug Gale collects donations from club members (and others) and presents it to the Lower Mainland Christmas Bureau to be used to provide Christmas joy to those less fortunate than ourselves.

HO HO HO—can you believe it's almost Christmas?

Well, it's not really BUT it is almost time for Kruise for Kids. On Sunday, November 4th come and join other car enthusiasts who meet at the Red Robin Restaurant parking lot in Guildford Town Centre, starting at 8 AM, for a 10 AM departure to the Langley Convention Centre. Call Doug for details 604-521-3021
