Something to think about ...

Joining a national registry is optional if you are an MG owner but if you choose to do so the combined cost of CCMGC membership plus the national register is higher than if you are a member of CXKJR where membership in JCNA is part of the membership fee.!

Just one of those funny things.

Saturday, May 4th, is "Drive Your MG or Jaguar Day"

On May 4th, members of CCMGC/CXKJR will fire up their classic cars to take a drive in the countryside to blow away the cobwebs. This is the 5th annual **Drive Your MG and Jaguar Day**, which is a derivative of NAMGAR's "Drive Your MGA and Magnette Day", and is intended as an early season drive. It goes ahead come rain or shine.

Previous "Drives" have included jaunts up Seymour, Grouse and Cypress mountains (in the fog), a visit to the London double-decker bus belonging to the Newbys in Aldergrove, lunch at the Railway Museum in Squamish, and a wine tour in the White Rock/South Surrey areas. This year's drive will start from a Coffee Shop in the Fraser Valley, after which the cars will be exercised on light traffic minor valley roads. The freeway will be a no-go area! This will be a family friendly event, and will include a stop at a restaurant for lunch. Further details will be available in the coming months, but **put this date in your diary** or in your electronic device, if you think you might like to have a blast. *Editor's note. Thanks for the info Peter, I can hardly wait to see where we go this year—probably not the Wedding Window—unless that's the Café name??*

### MIKE'S COLLECTABLES NIGHT March 12th.

Rosemarie Powley has asked Chris Venning to disburse Mike's toy collection. Chris gave club members an opportunity to purchase pieces from Mike's collection at the February meeting and he will be bringing more from Mike's collection to the March meeting. The toys will be displayed in cardboard flats and are mixed sizes and qualities. The prices will be very low, and the sale is on a first come first serve basis. It's one way to say good-bye.

March 26th 7.00 pm. John Clarke's Garage Night. Members only, bring a folding chair.

But I slide off  
the chair ...

Stop playing in  
the grease pit  
then.

It is with sadness that we share with our members the passing of long time member Cliff Davis. Cliff was passionate about his cars, art of all kinds and loved to cook. He was club treasurer for many years; President of CXKJR in 1988; and he and Thelma attended many of the club's events. His beautiful red 1955 XK140 is a spectacular example of a quality restoration. A memorial will be held at 2 PM on April 12 at Boal Memorial Chapel in North Vancouver. See Cliff and Thelma's car on the cover of the Sept/Oct 2012 Classical Gas. Our condolences to Thelma at this difficult time.

Date: March 24, 2013

Time: Arrival noon with Brunch Buffet open at 12:30 p.m.

Brunch location: Hazelmere Golf & Tennis Club, 18150 - 8th Ave, Surrey

Cost: \$30 per person (taxes & tip included). Bar service is extra.

To book, phone Bev at 604 466 1867 or she will have a sign up sheet at the March meeting. Payment must be made in advance. Cut off for reservations is March 20th.

There will be two departure points for the drive, the Burnaby Rugby Clubhouse and the Slalom site parking lot at Scott Road Skytrain Station. Please phone Alan at 604 942 7370 to register your choice of start location.

Hello fellow Jag lovers (especially you E Type owners-I feel your pain.) I am trying to spruce up my '69 E Type FHC driver. I am in need of the chrome strips for the spare tire cover and both doors, the arm rests for both doors, the latches for the lid on the small storage compartment immediately behind the seats, one spinner and the passenger side sun visor/chrome fastener set. Any help locating these items would be greatly appreciated.

I caught site of what I believe is an XKE Jag parked outside, under some trees and almost covered with snow in a backyard not far from where I live in Laval, Quebec. There are at least 2 other cars with it, one is a Mini and the other I think is a VW beetle of some kind. My identification is tentative in all three cases because only fenders (and the roof of the Mini) are visible peeking out of the snow. I am saddened to see great cars left in such a situation to rot away so thought it worth a few minutes of my time to see if something can be done. If you know of anyone in the area who would be interested in such a "barn find" I can approach the residents of the house and find out more about the cars and see if they are interested in selling or even showing them. If there is a positive response I can then send you the contact information, I am not interested in being involved more than that (although I might be interested in seeing the cars close up).

Thank you to Bill & Nan Heather for the great Cheese Choices at the annual Wine & Cheese Party. Great to see everyone there.

Come and experience Vito Donatiello

In some ways, cleaning your car for the All British Field Meet is just a warm up for our Heritage Event in August. The more you do now the less to do then (or that's my theory).

## Stanley Park 125th Anniversary Car Show

Location: Stanley Park – “Devonian Park” north of Georgia St / west of Denman

Time: August 24 – 25 – nominally noon until late afternoon

The Vancouver chapter of VCCC has recently (very recently) been approached by the Stanley Park 125th Anniversary Committee to gauge our willingness to organize and participate in this two day event. Peter Trant, the Vancouver VCCC contact person, has met with the event organizers and has walked the site.

### The Event

A car show on the grassy and now hard dry surface of Devonian Park immediately north of Georgia Street, and just west of the parking lot off Denman St. They would like to have car displays on both Saturday and Sunday from noon to late afternoon, but with in-out privileges. Although the Vancouver chapter of VCCC has a large membership, it is not reasonable to believe that we could adequately occupy this site by ourselves, so we are sending this notice to all of the lower mainland “car” clubs, to see if you are willing to participate as well.

Although the site is quite large, and there is little likelihood of an overflow, we would a representative of each of the clubs let me know about how many cars you would expect to provide, and the number on each of the two days. Because of the short timeframe we may have to place cars as they arrive and not by club or manufacturer. However, if the clubs can provide sufficient “parking attendants” and if we know how many cars to expect, we could set aside “blocks”.

If you were planning on visiting Stanley Park for the 125th Anniversary in any case, the Car Show will be an opportunity for free parking.

Not all of the details have been worked out as yet, but as we get closer to the event this memo will be updated and sent to the designated contact person from each participating club. If we have a large response for show cars, we will need parking volunteers.

Totem A&T and North Shore Rod and Custom are having their 12th annual car show near the North Vancouver Automall on the 25th, so please be mindful of that before making a Stanley Park commitment on that date.

### Hollow Tree Photo Display

The Stanley Park Event organizers are quite enthusiastic about our suggestion to have a display of

Hollow Tree” / Stanley Park photos. Because they expect the park to be congested with an estimated

11,000 visitors/per day, the display will be at the car show site, and not at the Hollow Tree.

The Vancouver chapter of VCCC has a large stick pin type display board on which we will attach photos as follows: Hollow Tree with vehicles and/or people, and general interest vehicle photos throughout the

Park, up to the present time.

If you have any personal photos (photocopies will be OK), they or your contact information, would be a welcome addition. We will get the message out through Stanley Park social media so that the public can have the opportunity to participate as well.

Thank you

### Sept 20-22. Our Club Presidents' Run. Run to Sun Peaks near Kamloops

Contact Bev Kolosoff [spottycat@telus.net](mailto:spottycat@telus.net).

Interested in convoying to this event? Contact [jlorum@shaw.ca](mailto:jlorum@shaw.ca).

The Presidents' Run was started as a way to wrap up the summer show season. Driving your Jaguar or MG is optional as the focus of the event is on spending time with fellow Club members and getting to know each other better.

Over the years the Run has taken us to the Okanagan, the Sunshine Coast, Vancouver Island, Harrison Hot Springs, Whistler and several Washington State locations.

This year we are going to Sun Peaks Resort north of Kamloops. For those interested in one last show, we have the opportunity to participate in the Run to the Sun Show and Shine. There are still a few places available.

Our headquarters hotel is Nancy Greene's Cahilty Lodge which is conveniently located near the show site in the village. There are still rooms available starting at \$77 per night.

Come and join us for a relaxing weekend and meet fellow British car enthusiasts from BC and Alberta. You're welcome to join us in whatever vehicle you choose to drive.

Our motto is "Run what you bring and join the fun!"

Talk to Troy Bell at the meeting to find out more about "How To Face-book".

Our condolences to the Venning family on the loss of their much loved Sandra.

Silk Cat in North Vancouver is initiating a rally to Whistler for Saturday September 21st. They are trying to bring back the whistler Run that Colin put on for so many years. This would be a good [alternate] event for the last run of the year (other than the Presidents' Run). Here is the website link to register.

Not happy with the way our clubs are run? Maybe you'd like more of the same? You can make change or preserve the present direction in November by getting involved in the Election.

### How Do You Want to Receive the Classical Gas Magazine?

In the spring a survey was sent to CCMGC/CXKJR members requesting feedback and suggestions regarding our Club's bi-monthly magazine. Respondents were asked about the way they wanted to receive Classical Gas – and were given three choices: (a) continue to receive printed copies; or (b) only have access to an electronic version on the internet; or (c) receive a printed copy and also have access to an electronic copy. One-third of the members responding to the survey chose each of the three options. As of the September/October issue of Classical Gas, we have begun reducing the number of printed copies.

If you would like us to stop providing you with the hard copy, please notify our Senior Editor, Jennifer Orum, at [jlorum@shaw.ca](mailto:jlorum@shaw.ca) or (604) 880 7598.

**The most effective way to do it, is to do it.**

### CXKJR/CCMGC Executive Elections Coming Up

At the Annual General Meeting each year four positions are voted on: Vice-President (Jaguar), Vice-President (MG), Secretary & Treasurer. In the case of the Secretary and Treasurer, the incumbents can choose to be candidates for an additional year.

After serving a year, the two Vice-Presidents automatically move to the two President positions and the two Presidents automatically move to the Past-President positions.

This year's AGM will occur on Tuesday, November 12, 2013. Anyone interested in nominating another member or stepping forward themselves should contact Danny Reilly at [dreilly@telus.net](mailto:dreilly@telus.net) or (604) 996 7106.

**What you do today can improve all your tomorrows. Ralph Marston**

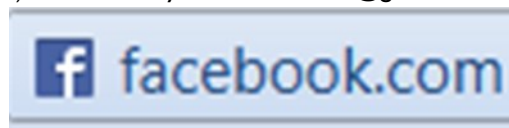

Long time member Edd Langelier is in Vancouver General Hospital, ICU.  
Visiting hours 7:30 am—8:30 am and 7:30 pm—8:30 pm. Card at meeting.

### CCMGC/CXKJR is Now On Facebook

If you're on Facebook check out the new club page at "Jag/Mg Club Vancouver." If you'd like to be on Facebook you can attend a session organized by Troy Bell – Starting at 6:30 pm before the October 8 and November 12 club meetings. Troy and others with a laptop that can access the internet will provide help for members with both Facebook set-up and how to navigate around. Look up family and friends as well as search out other groups that share their interests (e.g. car clubs, sports teams, other hobbies like sewing, fishing, pets ... the possibilities are endless). Once set up, members can take the next month to navigate on their own and come back to another session to have questions answered/problems solved. Those already on Facebook could still gain from attending one of the sessions for help in finding our or other MG/Jag club pages.

For those wanting more information on the Facebook sessions at the October and November club meetings (or for anyone able to volunteer to assist with the sessions), contact Troy Bell at [trob67@gmail.com](mailto:trob67@gmail.com)

There will be **Carrot Cake** at the November meeting! Maybe pizza next year ...

Thank you to all of you who supported the Kruise for Kids throughout the year at meetings, at Heritage and with your generous personal donations. This year, as in many others, our club's donation of \$3411 was at the top of the list! In total the event raised \$13,347.18 and collected around 600 toys for distribution by the Lower Mainland Christmas Bureau. It was great to see many of our club members at the event. The weather was amazing and so are you all—thank you once again for providing a joyful Christmas for those less fortunate.

Did you change your mind?? One third of our membership elected to receive the Classical Gas Magazine in electronic format only BUT so far Jennifer has only heard from 12 members— that leaves more than 40 who still have not contacted her. Did you change your mind? If so she'd like to know. If you're committed to moving forward with the electronic version (which does take up less room on the shelf and which you can probably find more easily) - please contact Jennifer to confirm your email address.

## **How Do You Want to Receive the Classical Gas Magazine?**

In the spring a survey was sent to CCMGC/CXKJR members requesting feedback and suggestions regarding our Club's bi-monthly magazine. Respondents were asked about the way they wanted to receive Classical Gas – and were given three choices: (a) continue to receive printed copies; or (b) only have access to an electronic version on the internet; or (c) receive a printed copy and also have access to an electronic copy. One-third of the members responding to the survey chose each of the three options. As of the September/October issue of Classical Gas, we have begun reducing the number of printed copies. If you would like us to stop providing you with the hard copy, please notify our Senior Editor, Jennifer Orum, at [jlorum@shaw.ca](mailto:jlorum@shaw.ca) or (604) 880 7598.

\*For Sale: 2007 Jaguar XK convertible for sale. Colour is Quartz with Warm Charcoal interior. It has 65,600 kilometres. It is offered at \$39,000. It is as new and drives beautifully. The engine is the 4.2 litre V8 with six speed automatic with paddle shifters. Just like a Formula One car if you drive it spiritedly. If you know of anyone who might be interested in a perfect fun grand touring sporting Jaguar please follow this link which has all the details and photos. <http://wandlwatkins.shawwebpace.ca/> Eventually, we will look for a more classic Jaguar. In the meantime we are keeping the S-Type and the Sunbeam Rapier Wayne Watkins in Victoria [wandl-watkins@shaw.ca](mailto:wandl-watkins@shaw.ca) 250-652-1247
