Classical Gas is now available from the CXKJR/CCMGC website www.jaguarmg.com Go to the website's homepage and you will see the covers of the most recent nine issues – click on a cover and voilà, the full issue is there. You can read it online, download it to your computer and/or print it.

The link to the each bimonthly issue is posted on the website the day the printed copies are distributed at the club membership meeting. Members who have chosen the electronic version will receive a notice when it is posted, those who receive *Classical Gas* in the mail won't need to wait to see it.

Visit www.jaguarmg.com and check out the online copies. You might find that this is preferable to receiving a printed copy and if so, notify me [Jennifer] at jlorum@shaw.ca. Members willing to access the magazine only online will save trees! Printing and mailing costs will also be reduced. Over time, we may start saving enough money to consider switching the entire magazine to colour, not just the covers.

[Members receiving Classical Gas in printed form can certainly continue to do so if that is their preference. Thanks to our Advertising Manager Doug MacDonald, income from our 41 Classical Gas advertisers amounts to approximately \$10,000 annually. This is used to pay for the production, printing and mailing costs of our award-winning magazine.]

"For Club members still thinking about joining the "Cruise to the Capital" in July, there will be an information and discussion session in the Club bar, from 6.30 to 7pm, this Tuesday (before the March 11th Club meeting)."

Drive Your MG or Jaguar Day – Saturday, May 3rd, 2014

The CCMGC and CXKJR would like to invite you to a *Koffee Klatch* and Drive, terminating in a family lunch. Last year, 50 people in 32 cars participated in this event, on a gloriously sunny day. Some comments heard after the drive last year:

"Fantastic fun. Really allowed us to enjoy our Jag."

"What a lovely route."

"I've lived here all my life, and have never been on those roads before".

"My MG loved the twisty bits".

"The route notes were the clearest".

"I don't know where we went wrong."

"I was just following him." (see above)

"I can't believe my MGA wouldn't start this morning!" (Miata driver)

"I have been a CCMGC member for over ten years, and this is the first drive I have done. Glad we came."

"We've had such a great day. We are definitely becoming members of this Club."

Please put the date in your calendar. Details of the event, including start location and start time, will be given in the coming weeks. We hope you can join us. Peter and Anne Tilbury ([604 535 0648](tel:6045350648)).

Two miles of track on two main routes, with 1/8 full size steam and diesel locomotives hauling trains through two tunnels and over several bridges. Dedicated parking by the entrance for MGs and Jags. The railway operates from 11 am to 5 pm. In the past most club members (and their families) were on site between 12:30 and 4:00 pm. No charge. The 2014 Highland Games and Scottish Festival will be held on Saturday, June 21 at Percy Perry Stadium (formerly Coquitlam Town Centre Stadium.) Once again, they are having the British Car display. MORE INFORMATION AND A FEW MORE EVENTS!

C2C (cont'd from page one)

Arrangements are almost finalized for the **Cruise to the Capital**. Four cars will start from outside the Legislature in Victoria on July 4th and head to South Surrey - these include NAMGAR members from Virginia and Washington State.

The following day they will be joined by another 7 cars who will travel to CCMGC members Ken & Lorraine Finnigan's house in Kamloops for lunch. Several cars from the Okanagan will also join the group at Ken & Lorraine's house and will travel with the group to Sicamous for the night stop. A total of 13 cars will then head east and spend the 3rd night of the Cruise in Strathmore, Alberta. The next day the Cruise heads for Swift Current, Saskatchewan followed by Estevan, Saskatchewan. The Cruise crosses into the US just after Estevan and heads for Grand Forks, North Dakota, where members of the Minnesota MG Club and NAMGAR members from Manitoba will join us for the evening. The Minnesota Club will convoy with us to Duluth, Minnesota where they have organized an evening event. In Duluth we will be joined by 2 more Cruisers from Wichita, Kansas and Fort Worth, Texas. The following day we travel along the southern shores of Lake Superior to Munising, Michigan. We then re-enter Canada at Sault Ste Marie and head east thru Ontario. Tim Coyne, past President of NAMGAR, and his wife, Sue, have kindly offered to host a BBQ for members of the Cruise at their cottage in northern Ontario. We will then travel to Massey, Ontario for the night stop. The next day we continue to head east thru Sudbury, stopping in Pembroke for the night. Our final day is a short run from Pembroke into Ottawa in time for the start of GT-39.

Like to plan ahead? Western States in Colorado September 2—6

July 12 is the Powley Prowl Kaffee Klatch

hosted jointly by CXKJR/CCMGC & Morgan Owners Group - NW. Hosted by Ric MacDonald. Mike Powley was a member of both CXKJR and the Morgan Group and this special event is a celebration of the many drives Mike went on and organized.

It is also fitting that the Province of British Columbia has declared July 12 to be 'Collector Car Appreciation Day.' Preliminary plans include a drive through Fort Langley and along the Fraser River to Mission, and then back to a picnic lunch at the south end of Campbell Valley Park in Langley.

AUGUST 15–AUGUST 17

DON'T PLAN ON STAYING HOME, THERE'S TOO MUCH TO DO!

Plan to support your club by entering this, the 45th anniversary of Heritage.

It has grown and changed over the years, moving it's location all around the Fraser Valley, Delta, Vancouver and the North Shore.

This year the concours and field meet is in beautiful Douglas Park in Langley, amidst flowers, shade trees and one block from shopping, dining, and the outdoor Langley Arts Alive Festival on Fraser Highway.

Friday evening's Cars and Stars welcome reception is on the Langley Coast hotel's parkade roof, with live classical music, food under the marquis catered by the hotel and a cash bar. Jaguars from the first Heritage show era will be on display.

If you've never visited the Canadian Museum of Flight at the Langley airport, attend the Saturday evening awards dinner set in the museum's hanger among vintage warbirds and live and static displays.

The outdoor cocktail reception includes a show of aerobatics by a vintage biplane - just for us!

Sunday morning's JCNA sanctioned slalom is a must for the competitive drivers, and the country drive to Hazlemere Golf and Country Club for Brunch, is always a favourite.

AND/OR

Aug 16 & 17, 11am – 5pm

You and your friends are invited to stroll through 3 acres of beautiful gardens and to view the newest original artwork of over 30 artists, including Jaguar member Wanda Doyle. Meet the artists, enjoy the peaceful Oriental Garden and the lovely Rose Garden or just find a quiet spot to get inspired. We look forward to seeing you at the Gardens!

Park & Tilford Gardens
333 Brooksbank Ave. North Vancouver

And in September there are more events: Western States in Colorado Springs on September 2—6, the Luxury & Supercars at VanDusen on September 6—7 and the Sea to Sky British Rally on September 20th.

And of course our own President's Run.

Presidents' Run 2014

CXKJR/CCMGC Executive Elections Coming Up

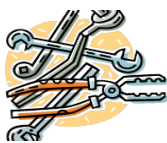

At the Annual General Meeting each year four positions are voted on: Vice-President (Jaguar), Vice-President (MG), Secretary & Treasurer. In the case of the Secretary and Treasurer, the incumbents can choose to be candidates for an additional year. After serving a year, the two Vice-Presidents automatically move to the two President positions and the two Presidents automatically move to the Past-President positions. This year we are also open to nominations for the Membership/Correspondence position to enable Alan Riches to take a break. Anyone interested in stepping forward or nominating another member for any of these positions should contact Marcia Vanwely at marcicroy@hotmail.com.

This year's AGM will be at our November meeting on Tuesday, November 11, 2014

GARAGE NIGHT Tuesday Oct. 28.

This will be a demonstration of the disassembly of an MG front end suspension and braking system. The procedures covered are fairly generic to all modern automobiles. We will also discuss preparation for the next garage night on Tuesday, November 25, which will cover the tear down and assessment of an engine.

Members only.

7:00 pm sharp.

Thank you to Vito Donatiello and his team for the interesting and entertaining video presentations at our club meetings. They're great!

TIME CHANGE
NOVEMBER 1ST -
DON'T FORGET TO
FALL BACK ONE
HOUR!

What is Kruse for Kids? This event is an opportunity for Metro Vancouver and Fraser Valley car clubs to get together, show off their cars and/or their decorating skills with the common goal of ensuring that children and families in our area have a joyful Christmas. The Lower Mainland Christmas Bureau receives 100% of your cash donation and their director Chris Bayliss is very open about where the money goes and the process of making sure the bureau's resources are directed to those in need. CXKJR/CCMGC has given the highest club donation for the past four years, has also been active in helping to produce the event. and as you all know Doug Gale is a determined solicitor of your support. Now, as in other years he would like to ask you and thank you for giving generously to those who need a helping hand this Christmas. Come along on November 2 and join in the fun! Meet at the Red Robin Restaurant parking lot in Guildford Town Centre, starting at 8 AM, for a 10 AM departure to the Langley Convention Centre. A new, unwrapped gift is your entry fee.
