

CXKJR / CCMGC NEWS BULLETIN – JANUARY 2017

Dear Members:

On behalf of your new club executive, a very Happy New Year to you and your family! We wish all of you a happy and healthy 2017. With no one presently coming forward to take over Little Classical Gas, we have decided to opt for a simpler format and will use the existing email list to send out a monthly news bulletin in advance of each member's meeting. This bulletin will be restricted to a few important and timely items, and will not contain advertisements or classifieds.

Your new executive met for the first time on January 2 and we are all excited about working for the benefit of our club. We will be making some subtle changes in order to streamline our meetings, and we will be soliciting input from members when possible to do so.

Membership Renewals

If you have not yet done so, now is the time to renew your membership. This is particularly important for Jaguar members who wish to have their JCNA memberships renewed, which entitles you to receive the Jaguar Journal and enter into JCNA sanctioned events such as Concours and Slalom. You can bring your completed membership forms to next week's meeting and hand them in to Len Walker, or you can mail them in as many of you have already done.

Mid-Winter Gala

The date for our first social event of the year is fast approaching. If you wish to attend this event, please email your intention to attend to Fred Wallace at freddybear@telus.net, and bring your cheque to next week's meeting. The date of the event is Saturday, January 21 and the cost is \$50.00 per person.

Next Member's Meeting

Our first member's meeting for 2017 is this coming Tuesday January 10 at 7:30 P.M. We will be announcing our calendar of driving events and social events for 2017, we will be presenting some opportunities for members to organize driving events, and we will present the second in our autobiographical series featuring member Roy Gill and motorcycle racing. We hope you can plan to join us!

Happy Motoring,

Timothy Horton

CXKJR President

CXKJR / CCMGC NEWS BULLETIN – FEBRUARY 2017

Dear Members:

This is our second monthly bulletin in advance of our monthly member's meeting, and contains some important information for you.

Membership Renewals

This is our last reminder to you to renew your membership if you have not already done so. If you have not, this will be the last communication you will receive from the club, you will no longer receive Classical Gas, and Jaguar members who have not renewed will not be renewed with JCNA. If you still wish to renew, you can bring your completed membership forms to next week's meeting and hand them in to Len Walker, or you can mail them in as many of you have already done.

Next Member's Meeting

Our second members' meeting for 2017 is this coming Tuesday February 14 at 7:30 P.M., and in response to member input we will have a Valentine's Night Social! This evening will take on a format similar to our Christmas pot-luck with round tables, and a shortened business meeting followed by lots of social time to share with fellow club members.

In appreciation of our members, the club will be providing pizza, cake, and coffee for you to enjoy. In order to provide adequate food for all we require an approximate number of people attending. If you have renewed for 2017, you should have received an email invitation to which we would ask you to respond if you are planning to attend. We hope you will plan to come out and celebrate the evening with us.

JCNA AGM 2017

Our club is pleased to host the 2017 Jaguar Clubs of North America Annual General Meeting at the River Rock Casino and Resort in Richmond on March 16-19, 2017. We are looking for additional volunteers to help with the distribution of packages at the registration desk on the following dates:

Thursday March 16 between 1:00 pm and 7:00 pm

Friday March 17 between 9:00 am and 4:00 pm

Saturday March 18 between 7:00am and 10:00 am

If you can assist during any of these periods, please reply to Jim McLagan at jmclagan@shaw.ca or call 604-538-4579.

This event is an opportunity to attend the annual JCNA meeting, meet fellow Jaguar enthusiasts from all over North America, and discover how the organization works. We encourage club members to consider attending parts of the event, which includes a Saint Patrick's Day Party on Friday night and the Awards banquet on Saturday night. Please note that the deadline for registration is **February 22**. Further details may be found on the JCNA website at www.jcna.com.

Name Badges

Your executive is proceeding with implementation of our new logos and you will soon see them in Classical Gas and on our website. We are preparing new banners for shows and updating our display boards. We are also proceeding with new name badges for members at this time, and have received samples which were shown at the Mid-Winter Gala. The badges will be magnetic, and rectangular with the logos on the left and the name on the right. The logos and names will appear in dark green on a silver background.

In response to input from members, we are providing you with three options:

Type 1 = CXKJR Logo on the left; first and last name on the right

Type 2 = CCMGC logo on the left; first and last name on the right

Type 3 = both CXKJR and CCMGC logos on the left; names on the right (logos will be smaller)

This initial run of new name badges will be provided to members at no charge. To obtain your name badge, you must be renewed for 2017, and you must submit a request via email to thorton@telus.net with the following information:

1. First and Last Name for you (and your spouse if applicable)
2. Choice of Badge (Type 1, 2 or 3)

We need to have the new badges available for distribution at the March members' meeting so that members will have them in time for the JCNA AGM, so the deadline for receiving name badge requests is **Wednesday March 1**. Please note that this is a firm deadline; orders received after this date will be included in a later run. The new name badges will be distributed at the March meeting. If you live outside the Lower Mainland and need to have yours mailed, please indicate so in your email request, and be sure to provide a complete and current mailing address.

We are also working on tool box and window decals, and options for apparel with the new logos will follow in due course.

Happy Motoring,

Timothy Horton

CXKJR / CCMGC NEWS BULLETIN – March 2017

Dear Members:

This is our third monthly bulletin in advance of our monthly member's meeting, and contains some important information for you.

Next Member's Meeting

Please plan to join us for our next members' meeting this coming Tuesday March 14 at 7:30 P.M. Our member Roy Gill will present a slide show on motorcycle racing in his native Ireland.

Name Badges

If you ordered a new name badge, they will be available for distribution at the meeting on Tuesday. Please come to the table and identify yourself, and we will present you with your new badge(s).

Classical Gas

Jennifer is looking for a vertical photograph of a Jaguar or MG for the next cover. Please contact her at jlorum@shaw.ca or 604-880-7598 if you have a photo which meets her criteria for the cover. For a cover, the photo should be colour and 150 DPI minimum at 8.5 x 11 inches. It should be taken vertically (ie. portrait) orientation, and unedited, so our design firm can optimize them for the magazine.

First Driving Event of 2017

Our first driving event of 2017 is our Spring Run and Lunch on Sunday, March 25. Details will be announced at this Tuesday's meeting.

CXKJR / CCMGC NEWS BULLETIN – April 2017

Dear Members:

This is our fourth monthly bulletin in advance of our monthly member's meeting, and contains some important information for you. We are sending this out a little earlier than usual as our April driving event falls before our next members' meeting, and we wanted to get the details to you.

April Sunday Run & Lunch

Our April driving event is scheduled for Sunday April 9 and will be a Sunday Run & Lunch. We will meet at the Real Canadian Superstore parking lot located at 333 Seymour Boulevard in North Vancouver (where we met for last year's Spring Run). We will meet there at 10:30 A.M. for a 11:00 A.M. departure and will drive along the Upper Levels Highway and along the Sea To Sky Highway to Squamish. Once there we will enjoy a lunch at the Wigan Pier Fish & Chips Restaurant. Please RSVP to Timothy Horton (thorton@telus.net) if you plan to attend, so that we can alert the restaurant as to our numbers for lunch.

Mike's Collectible Night

9 May

For many years Mike Powley organized the March membership meeting as an opportunity for club members to present innovative displays of models and /or other collectibles (not required to be car related), trying to win the hearts of members voting for their favourites. First, second and third place trophies are presented. Chris Venning has offered to organize the Collectibles Night this year, so if you would be willing to participate and bring a display, contact Chris at triogold@shaw.ca or 604-785-6141

Father's Day Picnic

One of the club's most popular events is at Confederation Park Miniature Railway, located a few blocks north of Hastings in Burnaby. There are over two miles of track on two main routes, with steam and diesel locomotives hauling trains through two tunnels and over several bridges. 1/8 full size, the trains carry up to 30 passengers. What to bring? Your favourite car, picnic food, and folding chairs if you have room. There will be dedicated parking by the entrance for MGs and Jags, with parking for non-marque sports cars available on the street and in the adjacent lots. The invitation includes the members' extended families e.g. grandparents and grandchildren. Important note: Sometimes parents get upset when they bring the whole family and we are unable to carry their infants. Infants unable to sit on the train seats and support themselves must be in a hands-free snuggly-type carrier worn by an adult. The railway operates from 11 am to 5 pm. In the past most club members (and their families) were on site between 12:30 and 4:00 pm. How much? No charge. The club has arranged for unlimited rides on the trains and a concession sells hot dogs, ice cream, hot & cold drinks.

A complete set of '**AUTOMOBILE QUARTERLY**' Volumes starting Spring 1962 – Spring 2012

They are in immaculate condition. 51 years (Four issues per year) and each of the four individual issues is hard bound, two hundred and four in total. Like new, with each year in its own sleeve with extra books of indexes and the 2005 Executive Planner for a total of 210 books.

I am trying to sell them for a widow of a past friend of mine and if I was 20 years younger I would keep them but as nice as they are I feel I need to let them go. They are spectacular hard cover bound books having an amazing amount of information in each one along with many colour and early black-and-white pictures of incredible quality.

I have looked them up on the internet and found several examples but none in as good condition and many not complete.

Sold examples:

This set did not have the yearly sleeves that the set I have for sale has plus were not in as new a shape as this set.

I've listed the volume numbers wise per box for ease of keeping track of what's in each box. These are only to be sold as a complete set. Are they worth what I have found on the internet, I don't know.

Our new Membership Coordinator **MIKE MCCHESENEY** is settling into his new role and accepting renewals for 2018.

DOUG HAAKONSEN will be returning to the role of Advertising Coordinator; welcome back Doug!

We are still looking for another HERITAGE 2018 COORDINATOR and are still looking to fill the position of SECRETARY. Please contact Tim Horton or Chris Down if you can help.

Members are reminded that claims for reimbursements must be accompanied by a CXKJR-CCMGC Expense Claim Form and receipts.

These should be submitted to our Treasurer Ruth Schmidt at a members meeting, who will prepare the cheque(s) and bring them to the following executive meeting for signing.

Please note that we cannot process requests for reimbursements which are not accompanied by expense claim forms and receipts.

These recommendations come from our bookkeeping service and are intended to help our club bring its financial records into line with proper accounting procedures.
