# Annual Mid Winter Gala

**Saturday, 20 January 2018**

**The Wild Fig Restaurant and Lounge**

**Executive Plaza Hotel & Conference Centre**

**405 North Road, Coquitlam, B.C. V3K 3V9**

6:00 p.m. No Host Bar

7:00 p.m. Dinner Buffet

The theme this year is Robbie Burns, so tartans and kilts are encouraged, but absolutely not required, but feel free to participate if you wish.

The cost is \$50 per person (taxes & gratuity included) there is still time to register.

Accommodation arrangements should be made directly with the Executive Plaza Hotel. Rates start at \$115 (plus taxes) for a Deluxe Double or King Room. Call the hotel at 604-936-9399 or 1-888-433-3932 and quote Group Booking ID 23356. Underground parking is included in the room rate. See the hotel website <http://www.executivehotels.net/coquitlamhotel/> for more info.

Parking is also free in the underground lot for those attending the dinner, but not staying at the hotel. Just register your license plate number with the front desk.

You can sign up using the club website with your credit card. You do not need a PayPal account to do this and Mike Harford has made it very easy to use. Alternately you can pay at the next club meeting on 9th January or mail in but make sure you don't mail at the last minute.

For more information and to register, go [HERE](#) Please register as soon as you are able to so we have an idea of numbers for the hotel.

## **A MESSAGE FROM MIKE MCCHESNEY**

### **Membership and Club Roster**

Hello and Happy New Year. This is a reminder that it is CXKJR / CCMGC membership renewal time. For those who have renewed thanks and welcome back.

You can access a renewal form through our club web site at [jaguarmg.com](http://jaguarmg.com). There is also a copy of the form on page 25 of the November / December issue of Classical Gas magazine.

When completing your renewal form can you fill in the section on the cars you own. This will help us verify our records for the preparation of the 2018 Membership Roster. Renew early to ensure your name and details are included.

CXKJR members, can you get your renewal into us before January 27<sup>th</sup>, 2018? We need to send our list of Jaguar members and fees into JCNA before the end of January, for JCNA registration. Thanks for your help.

If you will be attending our membership meeting on January 9th you can bring your renewal to the meeting and hand it into Mike McChesney (Membership Secretary).

We are looking forward to seeing you at the many great club events planned for 2018.

## **NEWBY'S ANNUAL SUPER BOWL PARTY**

**3474—262nd Street, Aldergrove, V4W 2X2**

**4th February, 1:00 p.m. onward**

Come out and join Ian and Doreen at the 15th annual Super Bowl Party in Aldergrove.

The event is potluck, so bring a dish to add to the feast and enjoy the game and the camaraderie.

You don't have to like football as there are also a number of interesting Jaguars and MGs to view in the Newby collection, as well as three double-decker buses and many other British projects. There is always new acquisitions to look at – this year you can see a 1965 UH1-D Vietnam Huey helicopter, a pair of Soviet era PZKW-IV armoured cars, and an MGA roadster. Hopefully there won't be two feet of snow as was the case last year – but just in case, Ian is having the venerable 1942 Oliver-Cletrac bulldozer refurbished. For more information on the party, call Doreen or Ian at 604-856-8477.

### IMPORTANT NOTICE

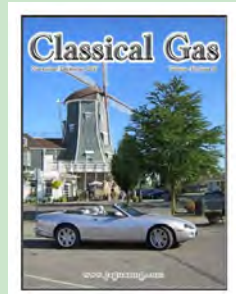

**Have you renewed your 2018 Membership? If you have not done so this will be the last Little Classical Gas you will receive. So sad!**

### HOW DO YOU WANT YOUR CLASSICAL GAS?

Members are reminded that issues of Classical Gas can be accessed from the home page of the club website:

[www.jaguarmg.com](http://www.jaguarmg.com)

Those members who want to only access the magazine electronically (and not receive a printed hard copy) are added to a list who receive an email when each issue is published. The email gives a direct link to the issue. In some cases, those on the "electronic only" list get their Classical Gas issue earlier than the normal publishing date.

The Club saves money from those who choose to read Classical Gas electronically, with savings on printing, and in many cases mailing.

We are happy to provide hard copies of the magazine to those members who want it. On the other hand, if you like to read documents online, the electric version might meet your needs. If you would like to be added to the "electronic only" list, please contact me at [jlorum@shaw.ca](mailto:jlorum@shaw.ca)

It is with great sadness that we share with our members the passing of Ken Smith.

*In Memoriam*

Ken passed away peacefully on Friday, January 5, 2018, with his wife, Barby, and his two sons at his bedside. He was 84.

This is a tremendous loss for the MG community. Ken dedicated his life to MG, and primarily the MGB.

As many of you know, Ken was a founding member of NAMGBR and served as the first editor of the MGB Driver. He later served as the MGB Registrar and was the current MGB LE Registrar.

Ken was a longtime member of the Moss team, serving as club liaison and editor of Moss Motoring.

Ken was also co-editor of North American Classic MG Magazine and served in the RAF in his younger days.

### This request is not for everyone

Many of you know that Peter Tilbury has a car hoist in his home garage. Who cares you may wonder – well the hoist is broken. Peter and other members use that hoist to work on members cars at no charge. Cars that are going on trips are checked over.

Now the pitch...I would like everyone Peter has helped to consider making a donation towards the cost of repairing the hoist. Money can be paid at the club meeting to me (at the K4K table) or directly to Peter. Thanks for your help - let's get the hoist enjoying its ups & downs again.

## Message from the Classical Gas Editor

Members are reminded that the last nine issues of Classical Gas are posted on the CXKJR/CCMGC website [www.jaguarmq.com](http://www.jaguarmq.com) at all times. You can choose to access issues electronically and not receive hard copies of the magazine, which saves the club printing and mailing costs. An email is sent to "electronic only" members when each issue is published, giving a direct link to the issue. If you would like to access Classical Gas electronically and be taken off the list for hard copies of the magazine, please notify Senior Editor Jennifer Orum at [jlorum@shaw.ca](mailto:jlorum@shaw.ca).

### DRIVE YOUR MG OR JAGUAR DAY

**MAY 5, 2018**

**Garry Point Park, Richmond**

**9:30 a.m. for a 10:00 a.m. departure**

This year the annual drive your MG or Jaguar car will be a poker run. There will be several stops where each participating team will draw a card for a poker hand. Participants unhappy with their hands can buy replacement cards for \$2 each, with all proceeds going to the Kruise for Kids. Each team has to come up with a team name. There will be prizes for the best poker hand and the best team name.

Help is wanted for parking cars at the ABFM. Anyone interested should contact Adam Langelier at

[mklop63@hotmail.com](mailto:mklop63@hotmail.com)

### THE NEXT SUNDAY SOCIAL IS IN STEVESTON

**JUNE 3, 2018 AT 11:30 A.M.**

**BLUE CANOE WATERFRONT RESTAURANT**

**#140—3866 Bayview Street, Steveston, Richmond BC, V7E 4R7**

Located in Historic Steveston on the Bayview Pier. They will give us the their entire covered and screened in patio area overlooking the water and boats. There is a pay parking lot very close by on the same side of the street.

Menu on the website at <http://www.bluecanoerestaurant.com>

The goal of these is "Social" and fun for everyone. We are hoping to get more spouses and families, a laid back and casual event. There will not be a drive, just turn up in your classic car or "other" as you wish.

## FATHER'S DAY PICNIC

**June 17, 2018**

One of the club's most popular events is at Confederation Park Miniature Railway, located a few blocks north of Hastings in Burnaby. There are over two miles of track on two main routes, with steam and diesel locomotives hauling trains through two tunnels and over several bridges. 1/8 full size, the trains carry up to 30 passengers. What to bring? Your favourite car, picnic food, and folding chairs if you have room. There will be dedicated parking by the entrance for MGs and Jags, with parking for non-marque sports cars available on the street and in the adjacent lots. The invitation includes the members' extended families e.g. grandparents and grandchildren. Important note: Sometimes parents get upset when they bring the whole family and we are unable to carry their infants. Infants unable to sit on the train seats and support themselves must be in a hands-free snuggly-type carrier worn by an adult. The railway operates from 11 am to 5 pm. In the past most club members (and their families) were on site between 12:30 and 4:00 pm. How much? No charge. The club has arranged for unlimited rides on the trains and a concession sells hot dogs, ice cream, hot & cold drinks.

### B.C. COLLECTOR CAR APPRECIATION DAY RUN

JULY 7, 2018

CXKJR/CCMGC is celebrating Collector Car Appreciation Day a week early! The run is planned to start at the Burnaby Lake Clubhouse and will end at the Newby Estate in Cloverdale, where participants will enjoy a tour of the vehicle collection and a catered lunch. Neighbouring MG and Jaguar clubs in the US have been invited to participate. Registration will be via a link on our website. Further details at the June membership meeting.

**From Classical Gas Senior Editor, Jennifer Orum:**

Take photos at the VanDusen ABFM? If so, I'd appreciate you sending me a few of your best shots. I'd also like to receive photos from the following upcoming events:

1. June 12 membership meeting (of kicking tires session in the parking lot)
2. Fathers Day Picnic
3. British Car Display at the Highland Games

**Important note for those with photos to submit:** please contact me first before you send the photos since my email inbox tends to get filled up quickly. I'm on the road (driving in my MGB to Richmond, Virginia, and Gettysburg, Pennsylvania, to two MG shows) and won't be accessing my email every day.

I'd also appreciate receiving the following:

- a. Technical articles, particularly Jaguar-related since we don't get many
- b. Photos of Kids and Pets in MGs & Jaguars
- c. Photos for the Logo Challenge - creative approaches to showing the Jaguar or MG logos.
- d. Articles about your adventures in your MG or Jaguar this summer

Other submissions of photos and articles are also welcome.

Check out the electronic version of Classical Gas on the home page of our club website [www.jaguarmg.com](http://www.jaguarmg.com) - you can access the last nine issues of Classical Gas on the Home Page by scrolling down until you see the thumbnails of the nine issues. Click on a thumbnail and the full issue downloads. If you want to stop receiving the hard copy of Classical Gas and only access the electronic version, let me know. This will save the club printing and mailing costs.

And finally, after over 10 years as Classical Gas Senior Editor, I have given notice to the Club Executive that it's time for a change. I plan to leave the position no later than June 2019. In the meantime, I'd appreciate someone with editing skills to step forward to assist me now. See details of this in my Editorial in the May June issue of Classical Gas coming out June 12.

One of the club's most popular events is at Confederation Park Miniature Railway, located a few blocks north of Hastings in Burnaby. There are over two miles of track on two main routes, with steam and diesel locomotives hauling trains through two tunnels and over several bridges. 1/8 full size, the trains carry up to 30 passengers. What to bring? Your favourite car, picnic food, and folding chairs if you have room. There will be dedicated parking by the entrance for MGs and Jags, with parking for non-marque sports cars available on the street and in the adjacent lots. The invitation includes the members' extended families e.g. grandparents and grandchildren. Important note: Sometimes parents get upset when they bring the whole family and we are unable to carry their infants. Infants unable to sit on the train seats and support themselves must be in a hands-free snuggly-type carrier worn by an adult. The railway operates from 11 am to 5 pm. In the past most club members (and their families) were on site between 12:30 and 4:00 pm. How much? No charge. The club has arranged for unlimited rides on the trains and a concession sells hot dogs, ice cream, hot & cold drinks. VACANCY

### A Message from Jennifer Orum

I have given the club Executive notice that I will be leaving the Senior Editor position next year. We'd like to see someone step forward to work with me producing the magazine for the next several issues, someone with some background and skills in editing. It would be preferable that they have experience with a publishing program such as Adobe InDesign or Microsoft Publisher, but that is not necessary, as long as they are skilled at Microsoft Word and have effective general communication, writing and computer skills. I am not able to use publishing software myself, but work with our design company to do the layout. Since we receive over \$10,000 in income from Classical Gas advertisers each year, we are able to pay the costs of the professional layout, the printing and the mailing, without using funds from membership income.

Anyone interested in or wishing more information on the opportunity to join the Classical gas team to assist with the Senior Editor tasks can contact me at [jlorum@shaw.ca](mailto:jlorum@shaw.ca)

#### PRESIDENTS' RUN

## Message from Jennifer Orum, Senior Editor of Classical Gas

### Electronic Version

Members are reminded that the most recent nine copies of Classical Gas can be accessed from the club website [www.jaguarmg.com](http://www.jaguarmg.com)

A number of our members have chosen to access the magazine only online and not receive a hard copy. If you now receive a printed copy, but decide you are happy to receive it only online, please let me know. When we publish each issue of Classical Gas, an email is sent to those members who are in our "online only" group with a direct link to the magazine. In some cases, that group gets to see the issue earlier than those who pick it up at a membership meeting or receive it via regular mail.

The July August issue is now available online, a bit early this time. Why not take a look? You can access it via the following link:

[http://www.jaguarmg.com/gaspdfs/web\\_vol49-4.pdf](http://www.jaguarmg.com/gaspdfs/web_vol49-4.pdf)

### Assistance Needed

Those members attending Heritage this year are invited to submit photos of the Saturday show or Sunday activities for possible inclusion in the September October issue. I'd also appreciate receiving MG photos as potential candidates for the Sept Oct cover. And we're always looking for Kids in Cars and Pets in Cars photos. If you decide to send photographs and don't use a system such as DropBox, please email me first so I can indicate when I'd like to receive them. My inbox often gets close to full so receiving attached photos can in some cases fill up my in-box if too many come at the same time.

Kruise for Kids is the car driver's equivalent to the much publicized Motorcycle Toy Run. It is an opportunity for Car Clubs to get together and drive with their unwrapped toys to a central location and donate both cash and toys, as a group, to the Lower Mainland Christmas Bureau. For over 10 years this has been our club charity and has enabled us to apply for grants and donations to events such as Heritage. You can expect to hear from Doug this month encouraging both your generosity and participation. Thank you everyone for your support

## ANNUAL GENERAL MEETING

13 November 2018

7:30 pm

The next meeting will be our 2018 AGM. You will previously have received details from Tim regarding the agenda and the constitution.

There are several positions available on the executive, please consider helping your club as without volunteers we would not be the successful club we have been for the last 49 years.

**After the formal meeting we will adjourn for a social evening and pizza.**

### THE WORD 'JAG' – English Oxford Dictionary

Abbreviation: Judge Advocate General

#### Definition 1:

Noun: A sharp projection – “It’s only reachable by a trail and several flights of stairs, but the beach itself is glorious, the sand bleached almost white and the waves lapping at the huge jags of stone erupting from the earth”

Scottish: An injection – “However, news broadcasts are catching me out all the time with reports about the controversial MMR jags, flu jags or latest drug deaths”

Verb: Stab, pierce or prick – “she jagged herself in the mouth”

#### Definition 2:

North American informal: A bout of unrestrained or excessive indulgence in alcohol or drugs, or in a particular emotion or activity – “a thirty-five minute crying jag”

Dialect – A bundle - “a jag of hay”

#### Finally Definition 3

A Jaguar Car – “an E-type Jag”

## \*\*\*FOR SALE - 1989 JAGUAR VANDEN PLAS

Grey. 93,000 km. Lovingly driven and maintained since lease buyout in 1992 with regular servicing by MCL Motors, XJ Motors, and Octagon Motors. Service records available. Rated in excellent condition by Octagon. Low mileage is due to significant overseas travel in early years and health issues in recent years. Always parked in garage. No collisions, only parking lot damage which was fully repaired. Only issues are radio security code lost, so not working, and new solenoid needed for highway cruise control.

Asking: \$5,000 Cdn

## \*\*\*FOR SALE

### 1970 MGB GT

The car was built in May 1970 in a mustard colour for the California market. I bought it in the early 1990's from a young chap who wanted to buy a van. It was then a dark red. The engine had been re-built, fancy wheel rims, an aluminum valve cover, and stereo speakers had been installed; all of which I removed and replaced them with original parts as well as a new set of Continental tires. I replaced the rocker panels and one fender and had the car painted with Jaguar paint called "flame red". My wife and I took the car to a few car shows and the Vancouver-Whistler run. I also drove it to work and around Vancouver for pleasure. But shortly after I retired we had three cars and being unwilling to buy insurance for all of them I put the MG up on blocks in my garage. Two years ago I hired a mechanic and we changed the needle valves, balanced the carburetors and had the engine running smoothly. We changed a portion of a brake line, installed reconditioned callipers on the front wheel disk brakes and did some maintenance on the rear drum brakes. I purchased a new set of floor carpets, etc., but they have not been installed. One year ago I trucked it to Ladner and had more work done to hopefully bring the car to collector status but unfortunately it failed because of a few relatively minor problems. Shortly after that we sold our house and rented an apartment. I drove the MG to its new home, the underground garage of our apartment building where it has rested since last September. It is a good car but needs some work to make it roadworthy again.

The 1970 GT is a relatively rare model Hennings lists only seven for sale from the years 1970 -1976 with only one 1970. The average price for the seven is \$12,800 USD.

For further details contact Gerald Brown. Tel: 604-266-0571 email: [g.brown@shaw.ca](mailto:g.brown@shaw.ca)

## SAD NEWS

**NOVEMBER 21** It is with great sadness that we announce the passing of long time member Carol Carr. Carol was an active member of the club, always full of laughter and fun. Over the years she gave back to the club as President (Jaguar 1997), Membership, and she was a tireless supporter of Kruse for Kids. There was a private service for family only. Heartfelt condolences go out to Doug from us all.

## WHIMPER WONDERLAND DRIVE

Free Entry

START: Campbell River Store, 8th Avenue/176th Street, South Surrey

TIME: 10:30 am for 11 am start. Snow, rain or shine

DRIVE: 50 kms (30 miles) approx. 1 hour

FINISH: A local pub for lunch

The perfect event to cure your New Year's Eve hangover, and blow the cobwebs out of your car.

Wear a fancy hat and win a prize.

If you think you will participate in the Whimper Wonderland Drive, call or text Anne Tilbury 604-889-0225 on or before December 28th.

The only rule is that all soft tops must be down, rain, snow or shine. Non roadsters are also welcome. The Whimper Wonderland Drive was named to shame the whimps who turn up with their roofs up. In past years, with air temperatures around 2 to 4 degrees Celsius.

Pub quiz to entertain and win a prize

## \*\*FOR SALE - 1989 JAGUAR VANDEN PLAS

Grey. 93,000 km. Lovingly driven and maintained since lease buyout in 1992 with regular servicing by MCL Motors, XJ Motors, and Octagon Motors. Service records available. Rated in excellent condition by Octagon. Low mileage is due to significant overseas travel in early years and health issues in recent years. Always parked in garage. No collisions, only parking lot damage which was fully repaired. Only issues are radio security code lost, so not working, and new solenoid needed for highway cruise control.

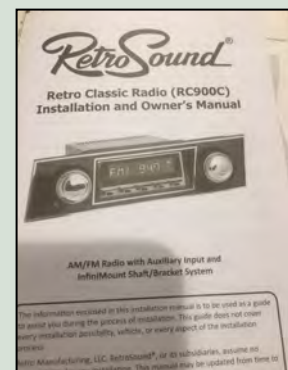

Asking: \$5,000 Cdn

### **1970 MGB GT**

The car was built in May 1970 in a mustard colour for the California market. I bought it in the early 1990's from a young chap who wanted to buy a van. It was then a dark red. The engine had been re-built, fancy wheel rims, an aluminum valve cover, and stereo speakers had been installed; all of which I removed and replaced them with original parts as well as a new set of Continental tires. I replaced the rocker panels and one fender and had the car painted with Jaguar paint called "flame red". My wife and I took the car to a few car shows and the Vancouver-Whistler run. I also drove it to work and around Vancouver for pleasure. But shortly after I retired we had three cars and being unwilling to buy insurance for all of them I put the MG up on blocks in my garage. Two years ago I hired a mechanic and we changed the needle valves, balanced the carburetors and had the engine running smoothly. We changed a portion of a brake line, installed reconditioned callipers on the front wheel disk brakes and did some maintenance on the rear drum brakes. I purchased a new set of floor carpets, etc., but they have not been installed. One year ago I trucked it to Ladner and had more work done to hopefully bring the car to collector status but unfortunately it failed because of a few relatively minor problems. Shortly after that we sold our house and rented an apartment. I drove the MG to its new home, the underground garage of our apartment building where it has rested since last September. It is a good car but needs some work to make it roadworthy again.

The 1970 GT is a relatively rare model Hennings lists only seven for sale from the years 1970 -1976 with only one 1970. The average price for the seven is \$12,800 USD.

**1964 MGB**

She's a concours example, sporting all the original, hard to find early MGB parts and details. I was careful to maintain as much original parts as possible because the original quality is so much better than the repro's available today.

She's as original and pristine as they come. Featuring body and paintwork by Coachwerks. She's won awards, she runs and handles beautifully. She even has a full new set of Blockley vintage style tires. She's going to make her next owner very happy! Visit

**1962 MGA MK II Transmission**

I am a LAMB club member and would like to get out to members who may be interested in a transmission . It was rebuilt a number of years ago by Allister Black and has less than 2,000 k on it. I have done a retrofit to 5 speed in my MGA and have no use for this transmission. It comes with the original bell housing and driveshaft, I am asking 1200.00 for the unit, if you know of any one that may be interested please pass it along.

Thanks for your help

**\* FREE PARTS**

I have 2 brand new brake discs, one front & one rear, originally for a 1966 Jaguar 3.8S. I also have an electric cooling fan and a Smiths voltage gauge. When I was in the Jag Club from 1985-2003, Jerry Parkhill maintained a considerable parts stock. I would like to donate these to a club member and parts stockist, hopefully, not too far from North Vancouver. Anyone interest contact Paul Akerhielm at 604-209-5364 or email [pcakerh@gmail.com](mailto:pcakerh@gmail.com)
