*FOR SALE

1970 MGB GT

The car was built in May 1970 in a mustard colour for the California market. I bought it in the early 1990's from a young chap who wanted to buy a van. It was then a dark red. The engine had been re-built, fancy wheel rims, an aluminum valve cover, and stereo speakers had been installed; all of which I removed and replaced them with original parts as well as a new set of Continental tires. I replaced the rocker panels and one fender and had the car painted with Jaguar paint called "flame red". My wife and I took the car to a few car shows and the Vancouver-Whistler run. I also drove it to work and around Vancouver for pleasure. But shortly after I retired we had three cars and being unwilling to buy insurance for all of them I put the MG up on blocks in my garage. Two years ago I hired a mechanic and we changed the needle valves, balanced the carburetors and had the engine running smoothly. We changed a portion of a brake line, installed reconditioned callipers on the front wheel disk brakes and did some maintenance on the rear drum brakes. I purchased a new set of floor carpets, etc., but they have not been installed. One year ago I trucked it to Ladner and had more work done to hopefully bring the car to collector status but unfortunately it failed because of a few relatively minor problems. Shortly after that we sold our house and rented an apartment. I drove the MG to its new home, the underground garage of our apartment building where it has rested since last September. It is a good car but needs some work to make it roadworthy again.

The 1970 GT is a relatively rare model Hennings lists only seven for sale from the years 1970 -1976 with only one 1970. The average price for the seven is \$12,800 USD.

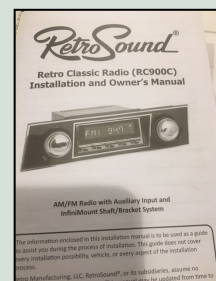

For further details contact Gerald Brown. Tel: 604-266-0571 email: g.brown@shaw.ca

**FOR SALE

Perfect for a Collector Plated Car. Looks old but modern inside! AM/FM with auxiliary input for what have you! I had it in my Jag before I got the Modified Plate. Complete in box. \$150.00

Summer Tour 2019

“Discover the Palouse”

Here it is just February and you have this guy telling you it is TIME! That's right, it is time to start thinking about the 2019 driving season and, more importantly, deciding what you need to do to get your LBC(s) ready.

As in the past, 2019 will offer you plenty of opportunities to get out and DRIVE. But we are here to talk about the IBCC Summer Tour for 2019, June 27-30, located in Moscow, ID. We have christened this tour, “Discover the Palouse,” which describes our intent for you to fully enjoy this beautiful part of Idaho and Washington. The drive to Moscow will in itself be delightful regardless of your starting point, but we have more to offer once you get there!

The host hotel is the Best Western University Inn, and we are very excited to be working with them. They have given us a block of 100 rooms, of which 46 have already been reserved. I suggest that you make your reservation as soon as possible. The hotel will also host our Thursday (6/27) evening reception, as well as Saturday evening's awards banquet

<https://www.idahobritishcars.org/moscow-rooms/>

We have arranged several Friday (6/28) activities for you to participate in if you so desire, these being a wine tour, a dig for star garnets and a Palouse drive. Or you can explore the area on your own. https://www.idahobritishcars.org/event_listings/st2019/

We are excited to have the Saturday (6/29) show in downtown Moscow, where we have been given 2-1/2 blocks to display our cars for all to see. We should have a large crowd, as the Farmers Market will be just down the street from us. There are also numerous stores and restaurants for you to visit.

In addition to being able to visit a new town (a first time for Summer Tour!), we are so happy to have you joining us on this tour which will surely be unique. In this newsletter, you will find articles with complete tour information, the registration form and how to sign up for the wine tour.

WANTED

***BOOK - Jaguar XK140 Explored

I am presently undertaking the restoration of my 1956 XK140 FHC now that funds are available. I heard of the book "Jaguar XK 140 Explored" a few years ago from a local club member while attending the ABFM. I was not in a position to purchase the book then when it was a few hundred dollars, and now that I've been able to budget \$500 a month I went online to purchase the book. Imagine my chagrin to discover the book is no longer in print and the cheapest I've found on line is for sat for US\$945.00. At present Welsh Enterprises has one and are asking \$1500.00. Argh!

So I am appealing to anyone in the club that would be prepared to allow me to access their copy during my restoration. I would of course take very good care of such a precious book. Alternatively I would be willing to purchase it for \$500 with the promise that if I go to sell it on completion of the restoration any profit above the purchase price goes to the original owner. Guess what I'm trying to say is I'm not looking to profit except from the information the book contains.

39th ANNUAL TULIP RALLYE

April 27, 2019

Begins and ends at Cascade Mall, South Burlington

The Tulip Rallye is a gimmick type rallye open to all makes of cars.

The route is entirely on public, paved roads, no off-roading. The event is suitable for all vehicles and driver skill levels. It is a laid back and casual "gimmick rallye" where the challenge is to spot and record the answers to questions based on signs and objects found along the way while following turn-by-turn route driving instructions, devilishly laid out by the Rallyemaster, whose job it is to make you laugh as you attempt to find the answers to the rather silly questions, riddles, and trivia. Also note that we don't use the traditional "tulip" symbols in the route instructions.

39th ANNUAL TULIP RALLYE

April 27, 2019

Begins and ends at Cascade Mall, South Burlington

The Tulip Rallye is a gimmick type rallye open to all makes of cars.

The route is entirely on public, paved roads, no off-roading. The event is suitable for all vehicles and driver skill levels. It is a laid back and casual "gimmick rallye" where the challenge is to spot and record the answers to questions based on signs and objects found along the way while following turn-by-turn route driving instructions, devilishly laid out by the Rallyemaster, whose job it is to make you laugh as you attempt to find the answers to the rather silly questions, riddles, and trivia. Also note that we don't use the traditional "tulip" symbols in the route instructions.

Details and a registration form can be found at www.tuliprallye.org

BRITSBEST CLASSIC 2019

June 14 - 16, 2019

Radium Hot Springs

The car show will be held at Legends Field on the Saturday with cars arranged in "picnic circles", and the best-in-show determined by 'vote with your donation tickets'. We raised over \$1000 for local youth programmes at Edgewater Elementary School in this way in 2018, and they will once again be the beneficiaries in 2019. The Saturday car show is supported by informal motel parking lot "tire kickers", a Friday evening social gathering, Saturday evening wind up meal, informal pie runs and another Morris Calvert Memorial Rally (poker run).

Our host hotel properties will have blocked rooms for our guests. Reservations will only be accepted once your entry for the event is confirmed, so please do not contact the hotels until you have a confirmation number to give them.

While principally attended by British sports cars, we welcome British vehicles of all types. MGs and Triumphs are common to the show, but we have seen Mini, Healey, Riley, Rover, Land Rover, Range Rover, Rolls Royce, Jaguar, Daimler, TVR, Lotus, Caterham and Jensen Healey. There's a lot of notable 60ths this year, but we're glad to have any owners celebrate their car's anniversary with us!

CANADIAN CLASSIC MG CLUB

Article written for UK **Practical Classics** Magazine
March - April edition

Practical Classics have a 'Clubs and Events' section so this being a banner year for Jaguar MG I sent them some information about us, far away in Vancouver BC.

After a several emails and requests for more photos, the coverage was much less than I had hoped for and of course somewhat inaccurate! The magazine reports a general decline in car club attendance in Britain and the lack of youth in the ranks. I wrote about our healthy membership, activities, our youth efforts at Heritage and with Hagerty and the club's longevity. Well at least we got a bit of recognition in what has become the most successful collector car magazine in the UK. Their yearly Classic Car and Restoration Show held each March at the NEC Birmingham now rivals the old "Motor Show" that used to be held in Earls Court London. The show features all aspects of collecting, not just trailer queens with a live build going on stage over the course of the 3 days.

SECRET 6 MEETS

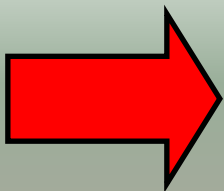

Jaguar MG Car Club

Vancouver, British Columbia

Allen Lawrence has been in touch to tell us that it's the 50th anniversary of the Vancouver-based Jaguar MG Club. Says Allan: 'We're a very active club as we do a multitude of drives out and we also take part in events around the region. We have a bi-monthly

magazine and also have schemes in place to attract younger enthusiasts. Plus, each year we support a chosen charity; we raised over \$20,000 in 2018 for Kruse for Kids. All Jaguar and MG owners are welcome; there's more about the club at jaguarmg.com.'

WE NEED YOUR HELP

VOLUNTEERS NEEDED

for our Club tents at the ABFM, VanDusen Gardens.

We are making it known at the ABFM that the CCMGC and CXKJR are celebrating their 50th year of membership. The show organizers have been great and are supporting us by providing three tents, one for CXKJR, one for CCMGC and a larger tent to celebrate our accomplishment. We'll be able to show off our club and potentially entice new members to join the fun. We could use some member's help to promote our club at one of these tents.

If you can spare an hour or more attending one of our displays at the May 16th All British Field Meet could you sign-up to help at the May 14th Members Meeting at Robson Park, or send me a note at michaelsmccchesney57@yahoo.com. If you are not certain of your availability before hand you can come by our tents on the 16th and find a time to help out.

PARKING VOLUNTEERS NEEDED

Following tradition, Adam Langelier is looking for volunteers to park and un-park cars at the ABFM.

Please contact Adam at mklop63@hotmail.com

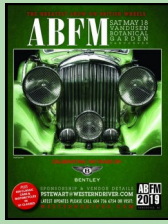

ABFM

Please join us at the Van Dusen **ABFM** to celebrate the 50th Anniversary of the Club. There will be a birthday cake at both the Jaguar and the MG areas on the field, and you can join us for a slice of cake around 2.30pm.

CLASSICAL GAS MAGAZINES

Do you have old issues of Classical Gas Magazine that you don't want? If so, could you bring them to the next Club meeting so we can distribute them at the ABFM, or bring them to the ABFM.

BRITSBEST CLASSIC 2019

June 14 - 16, 2019

Radium Hot Springs

The car show will be held at Legends Field on the Saturday with cars arranged in "picnic circles", and the best-in-show determined by 'vote with your donation tickets'. We raised over \$1000 for local youth programmes at Edgewater Elementary School in this way in 2018, and they will once again be the beneficiaries in 2019. The Saturday car show is supported by informal motel parking lot "tire kickers", a Friday evening social gathering, Saturday evening wind up meal, informal pie runs and another Morris Calvert Memorial Rally (poker run).

Our host hotel properties will have blocked rooms for our guests. Reservations will only be accepted once your entry for the event is confirmed, so please do not contact the hotels until you have a confirmation number to give them.

While principally attended by British sports cars, we welcome British vehicles of all types. MGs and Triumphs are common to the show, but we have seen Mini, Healey, Riley, Rover, Land Rover, Range Rover, Rolls Royce, Jaguar, Daimler, TVR, Lotus, Caterham and Jensen Healey. There's a lot of notable 60ths this year, but we're glad to have any owners celebrate their car's anniversary with us!

Tacoma Yacht Club Annual Car/Motorcycle Show
Saturday, June 15
[Tacoma Yacht Club](#)
5401 Yacht Club Road, Tacoma

10-4 pm

A bit different than your typical car show. The location is the beautiful Tacoma Yacht Club, 5401 Yacht Club Road, Tacoma, located between Ruston and Point Defiance and the hours are from 10am to 4pm.

The goal is to have lots of MGs (especially T-cars) together to advertise our club(s) and let people gaze in awe at our little British autos. The cost is just \$10. Download the entry form ([click here](#)) and send it with your entry fee to the address on the form.

Directions: From the I-5 (north or south) exit at the 705 (near the Tacoma Dome) heading towards City Center and downtown Tacoma. Caution—be careful of the signs as they can be confusing! Your goal at this point is to get onto Schuster Parkway. After approximately 3 $\frac{1}{4}$ miles take the Ruston Way exit (if you miss the exit you will now be on N. 30th St and all you need to do is to turn right at the first traffic light, which is McCarver St, and after one block turn left onto Ruston Way. Drive approximately 1 $\frac{1}{4}$ miles to the Ruston Way shops. Go around the roundabout turn right onto Yacht Club Road. Continue to the clubhouse and show.

NAMGAR GT-45 in Colorado Springs, CO June 1st to June 5th, 2020

We are planning a convoy to this event next year. It is about 1500 miles from Vancouver, so we expect that it will take about 5 days to drive there. The Rocky Mountain Centre MG Car Club are hosting this event, and their slogan is "Pikes Peak Or Bust". At over 14,000 feet, this will be a challenge for MGs. At this altitude the air is very thin, and the power loss will be about 25%.

Registration will open later this Fall, and details will be made available in LCG and on www.namgar.com. Hope you can join us.

Peter and Anne Tilbury.

KRUISE FOR KIDS

Sunday 10 November 2019

8:00 a.m. for 10:00 a.m. departure

Red Robin Parking Lot, Guildford Town Centre

bring an unwrapped toy

2019 is the 36th annual Kruise for Kids Toy Run! Usually held on the first Sunday in November, this year the date has changed to the **second Sunday, the 10th**. You will have had a week to get used to the end of Daylight Savings Time and for those who have found it a conflict you may have had a warm up run the week before with the London to Brighton Commemorative Run.

Kruise for Kids is the car driver's equivalent to the much publicized Motorcycle Toy Run. It is an opportunity for Car Clubs to get together and drive their collector cars with their unwrapped toys to a central location to donate both cash and toys, as a group, to the Lower Mainland Christmas Bureau. The LMCB started in 1930 and serves as a centralized warehouse where new toys & clothes are shipped to Christmas Bureaus and agencies across the Metro Vancouver area. For more than 10 years this has been our club charity, lending itself to promotions where we seek support for our own fund raising events. There are other charities, but this is one that allows us to get out and have a bit of fun – as the poster says – dress up your car, dress up yourself, come out and have a good time. Fun Fact: For more than 5 years your generosity and Doug's relentless nagging earned us the distinction of being the club with the highest cash donation. (Your membership meetings charity donations are included.) Other clubs have stepped up to our challenge but we are staying among the top three or four!

Here's a link to last year's event [VIDEO: Kruise for Kids celebrates 35 years of helping kids - Langley Advance Times](#)

Thank you everyone for your support—we look forward to seeing you either at the beginning of the drive or at the Langley Event Centre. Poster attached. [Kruise for Kids 2019](#)

Call Doug for details 604-521-3021
(He'll probably be calling you!)

*Sadly Chris Bayliss will not be at the event this year as he was seriously injured in a motorcycle accident and is in G.F. Strong Rehabilitation Center for possibly the next several months.

1980 MGB Limited Edition

For sale is my 1980 MGB Limited Edition. The mileage is 63,500 miles and is an ex-Washington car. I have had the car for just over six years and it has been on collector plates since February 2014, currently located in Surrey, B.C. and always garaged since purchased.

I have multiple bills for the car going back to 1997 when the mileage was 33,611 and some engine rebuild bills from 2000 plus a starter replacement bill from 2002 when mileage was shown as 56,637. The tires have years of life left but I am not sure when they were fitted, the spare does not match.

Soft top is like new with rear window unmarked plus a tonneau cover and it was repainted in approx. 2012/13.

**IN MEMORIAM
M. ANNE ROWLES
1941—2019**

It is with deep regret we announce the passing of Anne Rowles on November 13 in Vancouver after a lengthy illness. She and her husband of 49 years, Afton Cayford, have been long-time CXKJR members, with Afton serving as Club Secretary for many years. Anne sat on the Appellate Court (higher than the Supreme Court) and was a true pioneer for women in our legal profession.

WANTED

Information leading to the recovery of the Club's **Empty Tank Award**

It is a broken fuel pump on a base.

The Executive is fearful that it has been stripped down and sold for parts. To us it's priceless and worth more than the sum of its parts.

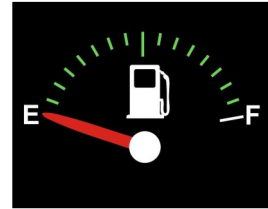

Possible suspects: someone whose car turns over but won't start. Or someone who just forgot they have it hidden away, out of sight, at home.

If you have any information on the whereabouts of this treasured award contact any of the Club's Executive.

If you have it, sneak it onto the head table at the next Members Meeting. No questions asked.

There will be some deserving club member out there who can't be justly recognized for their fuel management skills.

Thanks for your help.

If, when you view the magazine online, you decide you want to try out only receiving it electronically, let me know. On the other hand, we are happy to continue issuing you a printed copy if that is your preference.
