## IMPORTANT NOTICE TO MEMBERS

### 2020 MEMBERSHIP RENEWAL

It's time to renew your membership for 2020!

The good news:

- Membership fees remain the same as last year
- You can renew online and pay via PayPal on [www.jaguarmg.com](http://www.jaguarmg.com)

The preferred method of renewal & payment is via the online form and payment with PayPal. [*In case you are wondering, you don't need to have a PayPal account to pay for your membership on our club website. When directed to the PayPal page, simply click on "Pay with Debit or Credit Card" and then you can use VISA, Mastercard or American Express without creating a PayPal account.*]

If you prefer not to use the online renewal process on the club website, see the 2020 Membership Form on page 22 of the November / December issue of Classical Gas issue or use the PDF available on the website and mail in your renewal.

When renewing, please take this opportunity to update your contact & vehicle information.

## YOUR GREAT IDEAS

**What kind of ideas?: Ideas on how in 2020, we can celebrate the theme of Jaguar's and MG's History of Innovation, Invention and Competition.**

**WHEN:** At the January 14<sup>th</sup>, Members Meeting.....  
However, this is just the beginning.

**HOW?** At the January 14<sup>th</sup> meeting we will have a group discussion and ask the attendees for their ideas during the meeting. It is not necessary to explain "how", just the "what". What we come up with will be captured and given to the Executive for review.

Looking forward to hearing your thoughts. If you can't attend the meeting and have ideas, send them to:

Mike McChesney [michaelmcchesney57@yahoo.com](mailto:michaelmcchesney57@yahoo.com)

Malcolm Reith [malcolm@malcolmr.net](mailto:malcolm@malcolmr.net)

**MGs and Jaguars Rule!....jointly**

Ross Mullen of Ross Sports is primarily a restorer of Datsun Sports Cars and based in Surrey BC. He has contacted the club through Ian Newby looking for help with two 1963 Mark 2 Jaguars. Ross participated in our 2019 Heritage Show. His email request is as follows:-

"I have a customer with two 1963 Mark 2 and we are assessing the first vehicle. It has had some previous body damage that has been poorly repaired and now wing to door gaps, both front and rear are askew and rear fender skirts are not lining up the way they should. I would love to be able to see a few good examples of what proper gap and tolerances are so that we may repair this beautiful car to its former glory."

If you are able to advise or show examples of a good car, and keep another classic Jaguar or 2 on the road then please contact Ross at –

## Classical Gas Cover Photo Submissions Appreciated

Classical Gas covers normally alternate between photos of MGs and Jaguars. The January February issue of Classical Gas (to be published February 11) is scheduled to have a Jaguar on the cover. If you have a favourite photo of a Jaguar (portrait not landscape orientation) that you would like to submit for consideration, please notify Classical Gas Senior Editor Jennifer Orum at [jlorum@shaw.ca](mailto:jlorum@shaw.ca) and she will indicate when the photo can be sent to her.

## Requesting an Expression of Interest from early XK and E-Type owners

Jim McLagan recently became the Western Canadian representative for the UK based E-Type and XK Club. He has been a member of the E-Type club for over 10 years and discovered the monthly magazine was interesting with articles about events and from people restoring similar cars to the work he was doing on his 1967 FHC. Discounts for club members from vendors also came in useful and another benefit was discovering events organized through the club. Sue and Jim have participated in a few including a guided driving tour around New Zealand in 2016 and in 2019 a similar event in Greece, with the bonus of adding some new friends from the XK and E-Type clubs.

His goal is to share the benefits of the club with other Jaguar owners and try to grow the local participation. This would obviously not be a conflict with CXKJR/CCMGC activities and if we have enough interest we would brainstorm ideas such as weekend events to some of the spectacular areas around this part of the world.

Although you are encouraged to think about joining one of the clubs this is not a requirement to Express Your Interest in participating in any events we arrange.

Please scroll through the websites for the two clubs <https://www.e-typeclub.com>

and <https://www.xkclub.com>, read the digital version of the magazine and if you have any questions please drop Jim an email at [jmclagan@shaw.ca](mailto:jmclagan@shaw.ca) or call him at 604 538 4579.

# Robbie Burns Night

**Burns Night Birthday Celebration**  
**Ian's Place, 3428 – 262<sup>nd</sup> Street, Aldergrove**  
**Sunday 26 January**  
**4 – 8 pm**

The 'German Haggis' will be piped into the celebration by our good friend Stephen Gallagher. Stephen will do a set of tunes on his bagpipes during the evening too!!

Major Ian Davidson Newby will Address the Beast, and whilst doing, will slaughter it for all to enjoy.... precisely!!

We have room and grub for about 40pp so your friends and other 'Burns Aficionados' are most welcome. It is a BYOB's (scotch) event!

It's a great night of feasting and music....featuring Bob's famous 'German Haggis', neeps n' tatties etc. and an intimate performance by Bruce Coughlan & Nolan Murray aka 'The Whisky Minstrels'!! (we will be passing the sporran to collect pennies to pay the lads – so please bring some \$\$).

# A LOOK BACK OVER 2019

We thought that a look back at the 50<sup>th</sup> year of the club would ring in the first monthly edition for 2020.

We chose to show the club events organised by our Executive and sub committees; how many did you make? If we missed some please forgive the omission. There were also many externally organised events throughout the year that members participated in. We were the highest contributor to Kruise for Kids at \$4,500, their record year total was over \$24,000.

It was the year that Team Newby presided over us, Doreen for MG and Ian as Jag Presidents. As original members I bet they never considered a 50<sup>th</sup> anniversary back in 1969! We celebrated with some special events like showing our cars at the Vancouver Auto Show in March, the Mash Bash at Château Newby's, 2 great parties with live bands Fab Fourever Beatles tribute and Ready Steady Go, British Invasion. We had a "Retro" Club Meeting in May at Robson Park Vancouver, the very first meeting venue and saw our Heritage Car Show located at Hazelmere RV park where the first Heritage show took place.

The club continues to have a strong membership and most importantly in the volunteers it takes to put on all these events. We also fondly remember those no longer with us, there were a few.

## MIKE POWLEY MEMORIAL COLLECTIBLE NIGHT

### Tuesday, March 10

The Collectibles Night was reintroduced last year and attracted six enthusiastic members who provided us with a fun evening and a display of very interesting collections. A thanks goes to Peter Tilbury for a well-organized show. This is a great opportunity to display and share your hobby, treasures and collections with the club members. Your contribution towards an engaging fun evening is not required to be car related and can vary from rare to valuable to tongue in cheek. Show us what else you collect (other than old English cars)!

To reserve a display space at the meeting: call or text Ken Magnus (250) 240-0185 or email at [ken-magnus@shaw.ca](mailto:ken-magnus@shaw.ca).

## SPRING RUN AND LUNCH SATURDAY MARCH 14, 2020

This is the first drive of the spring, so plan to get those MGs and Jaguars out of the garage and on the road! The event will involve a drive in the Fraser Valley that ends up at Dickens Tea Room & British Museum in Chilliwack for lunch.

A bonus! Mike McChesney has invited members to drop by his mountainside home after lunch – 15 minutes from Dickens – to see his 1967 Vanden Plas Princess 4 Litre R “Stone Princess” Project. His wife Karlie’s quilt artistry will also be on display, with around 30 quilts in the house and attached studio.

If you are planning to stop for lunch at Dickens Sweets please check their menu on their web-site and **call them** to place your food order. They are set up to receive orders from the Jaguar / MG Club. They would like to have advance notice of the orders and number of people attending so that they can be better prepared to serve us.

### Have You Ever Raced an MG or Jaguar?

This year the Club's Executive has established a CXKJR/CCMGC Theme for 2020 - "A History of Innovation, Invention & Competition". Following this theme, Classical Gas will have a series of articles on MG and Jaguar racing, which will refer to club members who have raced either marque. It can be any kind of racing - for example: hill climbs, wheel to wheel racing on a track, road racing, slalom/autocross. If you have raced an MG and/or a Jaguar anytime in the past or are doing so currently, please email me at [jlorum@shaw.ca](mailto:jlorum@shaw.ca). If you have photos, please don't send them with your initial email - I will arrange for you to send them at a later date.

Thank you,

**NAMGBR's MG2020 – June 28<sup>th</sup> to July 1<sup>st</sup>.**

Are you planning to attend the North American MGB Register's convention in Calgary this year? Would you prefer to travel to and from Calgary with the company of others in a convoy? A travel group is being organized.

The plan is to leave the Lower Mainland on Saturday June 27<sup>th</sup> and stay overnight, en route about mid way. Then arrive in Calgary on the 28<sup>th</sup>. This breaks the trip up into roughly 2, five hour driving days. The return would reverse the route, leaving Calgary on Thursday, July 2<sup>nd</sup>, stay overnight and finish the drive home on Friday, July 3<sup>rd</sup>.

More details will follow at a later date. To get started:

Register for MG2020 by going to [www.namgbr.org/mg2020-2](http://www.namgbr.org/mg2020-2). Other British cars are also invited.

For the drive to and from Calgary you can arrange accommodations for Saturday, June 27<sup>th</sup> and Thursday July 2<sup>nd</sup> at the 3 Valley Lake Chateau using the following instructions:

Please have your club members do the following if they'd like to book:

**Book on our website:** Visit [www.3valley.com](http://www.3valley.com) ; click on “**Book Now**” ; in comments add “JAG MG CLUB”; after they make their reservation. I will go into it and add the 10% discount, following up with an email.

or

**Call us toll free 1.888.667.2109** – please note we are closed for the winter season and don't always answer our phones, messages can be left or an email sent to [hello@3valley.com](mailto:hello@3valley.com) and we will get back to them as soon as we can.

Diana Bostock

This should be a beautiful drive and a fun event. Drop me a note if you are planning to come along.

### \*\*\*FOR SALE 1978 MG

Owned for nearly 32 years and now selling due to ill health

The 78 is a deep red...least amount of orange in that red. Mini light rims, stainless steel exhaust, leather seats, new twin s.u' bought from the U.S.A. a month before I parked her and covered her in the underground. Spotless engine bay with the same red, struts for both the bonnet and trunk, carpeted trunk with a wooden toolbox I built and attached to the top of the spare including the tools,

Petronix, Absolutely rust free, convertible top 8 years old in perfect condition with a zip out window,

New harness front to back 10 years ago. Tarred undercarriage. A second hood release installed under the front wheel well... interesting story there. Overdrive in third and fourth and wood steering wheel. Excellent compression across and I'm sure she still is. The gentleman that rebuilt the motor used to race them and that motor has stood the test of time.

I'm asking \$12500 which is negotiable within reason

## Brief Editorial

Aprils' Little classical Gas is an abridged version sent out a little earlier than usual along with a members update from your executive containing some very important information for all.

Given the COVID 19 health situation, many of the events we are used to attending have been cancelled or postponed. We will keep you up to date where possible but encourage members to do their own follow up, checking event web sites for their latest situation.

Please check our club web site for our own events as well as others.  
[www.jaguarmg.com](http://www.jaguarmg.com)

As our weather improves, and events get cancelled we will all miss the camaraderie and friendships made through our hobby with cancelled meetings and events. Isolation is not a typical human condition - we tend to be social animals, however, and most importantly, you are encouraged to stay safe and follow our governments guidelines and stay home. For many of us this may be a good opportunity to tinker with our cars in the warmer weather instead of a freezing cold garage (at least mine is always cold!). Self isolation in the garage does not seem so bad.

Stay safe

## MESSAGE FROM OCTAGON MOTORS

Like all of you, the team at Octagon Motor Group has spent the past weeks learning about COVID-19, and thinking about how to keep our employees, our customers, and their families at home safe during this difficult time.

We are closely following the advice of public health officials, and implementing the steps they suggest to prevent the spread of the virus. We are regularly reminding ourselves about the importance of frequent hand washing, and we are disinfecting "touch points" in the shop and showroom area throughout the day. Our employees understand that they must not come to Octagon if they begin to feel unwell, and we are asking the same of our customers.

In addition, we are happy to accommodate customers who would prefer to drop and collect their cars outside, with payments taken over the phone.

**With these precautions in place, we remain open to serve our customers. To reflect the slowing economic times, we are reducing our labour rate to \$95 per hour, from our usual \$125. This change is effective immediately, for any cars that come into the shop before April 31, 2020.**

We would also like to remind our customers that while collector cars are our mainstay, we are fully equipped with the latest diagnostic equipment for virtually all modern cars, and are happy and able to work on your daily driver as well as your classic.

Sincerely,  
The Octagon Team

**NAMGBR's MG2020 – June 28<sup>th</sup> to July 1<sup>st</sup>.**

Are you planning to attend the North American MGB Register's convention in Calgary this year? Would you prefer to travel to and from Calgary with the company of others in a convoy? A travel group is being organized.

The plan is to leave the Lower Mainland on Saturday June 27<sup>th</sup> and stay overnight, en route about mid way. Then arrive in Calgary on the 28<sup>th</sup>. This breaks the trip up into roughly 2, five hour driving days. The return would reverse the route, leaving Calgary on Thursday, July 2<sup>nd</sup>, stay overnight and finish the drive home on Friday, July 3<sup>rd</sup>.

More details will follow at a later date. To get started:

Register for MG2020 by going to [www.namgbr.org/mg2020-2](http://www.namgbr.org/mg2020-2). Other British cars are also invited.

For the drive to and from Calgary you can arrange accommodations for Saturday, June 27<sup>th</sup> and Thursday July 2<sup>nd</sup> at the 3 Valley Lake Chateau using the following instructions:

Please have your club members do the following if they'd like to book:

**Book on our website:** Visit [www.3valley.com](http://www.3valley.com) ; click on “**Book Now**” ; in comments add “JAG MG CLUB”; after they make their reservation. I will go into it and add the 10% discount, following up with an email.

or

**Call us toll free 1.888.667.2109** – please note we are closed for the winter season and don't always answer our phones, messages can be left or an email sent to [hello@3valley.com](mailto:hello@3valley.com) and we will get back to them as soon as we can.

**FRIDAY 19—SUNDAY 21 JUNE 2020**

**Info:** <http://calgarymgclub.org/britsbest.html>

Our host motel property will once again be the **Crystal Springs Motel**, which will have most of their rooms blocked for our guests. **Friday and Saturday evenings will be informal socials** at the motel (no Saturday banquet). The lawn area and gazebo have BBQs available for self-catering: bring a hot dog, burger, steak or eggplant to cook-up on site... our club will provide complimentary salad, soft drinks and chips/nuts etc. Previous attendees know it's a great place to hang out and talk tech or tell stories around our parked cars! **Saturday is the car show** (\$10 registration collected at the event), followed by the **Morris Calvert Memorial Rally** - of course this includes a stop for some legendary **pie** at the Edgewater Golf Course!

Motel rates at Crystal Springs:

6 Studio queen rooms (1 queen size bed with a kitchenette on the main floor) for \$94

4 Studio two queen rooms ( 2 queen size beds with a kitchenette on the main floor) for \$104

7 Standard king rooms ( 1 king size bed, non-kitchenette, 2 on the main floor, 5 on the upper floor) for \$94

4 Standard two queen rooms ( 2 queen size beds, non-kitchenette, on the upper floor) for \$99

3 Superior two queen rooms ( 2 queen size beds in separate room, non-kitchenette, 1 main floor, 2 upstairs) for \$109

Prices are for 2 guests and there is a \$10 extra person fee after 2 people

Please mark your calendars for the Father's Day weekend in Radium Hot Springs, and keep an eye on the [BritsBest 2020 thread on the Club forum at the MGExperience](#) for the latest news and updates. Since we're not going to do formal pre-registration this year, it would be great for attendees to add their names to the list on the above thread so we can have a good idea of head count prior to the weekend.

We look forward to seeing you in Radium Hot Springs in June... as well as at MG2020!

## \*\*FOR SALE 1978 MG

Owned for nearly 32 years and now selling due to ill health

The 78 is a deep red...least amount of orange in that red. Mini light rims, stainless steel exhaust, leather seats, new twin s.u' bought from the U.S.A. a month before I parked her and covered her in the underground. Spotless engine bay with the same red, struts for both the bonnet and trunk, carpeted trunk with a wooden toolbox I built and attached to the top of the spare including the tools,

Petronix, Absolutely rust free, convertible top 8 years old in perfect condition with a zip out window,

New harness front to back 10 years ago. Tarred undercarriage. A second hood release installed under the front wheel well... interesting story there. Overdrive in third and fourth and wood steering wheel. Excellent compression across and I'm sure she still is. The gentleman that rebuilt the motor used to race them and that motor has stood the test of time.

\$2500 OBO – about the value of head, carbs and tool kit

Electric Windows and Rear Window Ventilator—set up for A/C

Photos: <https://autorant.smugmug.com/Car-Stuff/420G/>

Due to one of life's surprises I won't have time in the foreseeable future to continue the refurbishment of this lovely car.

She needs rescuing – close to rust free and too good to part out. These cars were fitted with the E-Type triple carb engine, 9:1 pistons. This car is 99% complete (I don't know of anything missing), includes complete 2<sup>nd</sup> engine / transmission / steering pump from a Jaguar 420 (excl carbs). Original engine block is cracked due to lack of antifreeze. The electric windows work and prior to being stored outside all appearances are it was very well kept.

Rear seats good, front need recovering, no carpets.

The plan was to sell a '63 Mk 10 and replace it with this the '67 420G, a much more advanced car. Woodwork needs refinishing – it was intended to re-varnish dash and table wood, wrap or paint door trim and dashtop. I know, sacrilege!

### 1967 JAGUAR 420G AUTOMATIC

**\$2500 OBO – about the value of head, carbs and tool kit**

**Electric Windows and Rear Window Ventilator—set up for A/C**

**Photos: <https://autorant.smugmug.com/Car-Stuff/420G/>**

Due to one of life's surprises I won't have time in the foreseeable future to continue the refurbishment of this lovely car.

She needs rescuing – close to rust free and too good to part out. These cars were fitted with the E-Type triple carb engine, 9:1 pistons. This car is 99% complete (I don't know of anything missing), includes complete 2<sup>nd</sup> engine / transmission / steering pump from a Jaguar 420 (excl carbs). Original engine block is cracked due to lack of antifreeze. The electric windows work and prior to being stored outside all appearances are it was very well kept.

Rear seats good, front need recovering, no carpets.

The plan was to sell a '63 Mk 10 and replace it with this the '67 420G, a much more advanced car. Woodwork needs refinishing – it was intended to re-varnish dash and table wood, wrap or paint door trim and dashtop. I know, sacrilege!

- Triple Carbs
- Tool Kit
- Jack
- Hubcaps
- Owners' manual
- Exhaust complete (looks recent)
- Local Vancouver Plimley car
- 2<sup>nd</sup> engine
- Spare dash top
- Spare fuel tanks
- Spare bumper
- Spare grille parts
- Spare brake booster / master cylinder

This is a fairly complete car with many extra parts for complete restoration. Currently has no engine in it because when I bought it someone had installed a Mark 2 XK engine with automatic box in it, and in so doing had altered the engine mounts on the chassis and made an alteration to the firewall that I believe can be repaired using the matching section out of the donor car that is available to accompany this Mark V when purchased. The car also did not have the original engine with it. I still have the XK engine and gearbox as it came out of the car and could supply that if the new owner wanted to put it back in the car. The car will need a clutch assembly as the original was removed when the auto box was put in the car. I may have one for it (not sure).

In response to its lack of correct engine I acquired a donor Mark V chassis and tub (which can accompany the Mark V when sold). I did that because I was able to acquire the matching numbers engine block for that chassis, as well as the number plate. By using that chassis properly cleaned up and painted, it solves the engine mount issue (its mounts have not been altered) and delivers a matching numbers chassis and engine block and a correct number plate. I have obtained the Heritage Certificate for that number plate. Obviously the car needs a full engine rebuild but I also have quite a few parts for that. All chrome is present with the car. There is a full interior that is a replacement from original and would obviously benefit from being replaced with a better quality interior kit, but the headliner may be satisfactory to keep (it needs cleaning but is in generally good condition in the car) depending on the colour chosen for the interior. I believe that all the wood is present and in the car along with the full instrument cluster and keys. Only minor work looks to be necessary on a few of the wood pieces. Dash is in good shape. Will of course need new tires.

The Heritage Certificate for the matching number chassis, engine and plate states the car was originally Birch Grey with Red interior, but of course the nice part is that it can be redone in any colour combination the new owner favours. The car came from the interior and is very rust free for its age. I would not anticipate a lot of body work being required at all except restoring the firewall (hopefully using the section from the donor car as a template or as a replacement section). The body is in very good condition (currently grey in colour). Along with the car I have a very nearly complete restored tool kit (I think only missing two items) and it has many of the very hard to source tools. I will include it with the car for an additional cost (assembling a tool kit for older Jaguars like the Mark V is both challenging and extremely costly, with many tools now becoming unavailable). The asking price is \$8500 or near offer. Tools extra at current market rate.

I can be contacted at [gsmoy@telus.net](mailto:gsmoy@telus.net) or by phone at 250-743-5463. Posted by Geoff Moyse, Jaguar Car Club of Victoria, B.C.

Tea – a drink for all occasions, an English pastime. Good for problem solving while working in the garage on British cars, in fact not enough tea could be the problem itself. It is important enough that Practical Classics magazine researched the best brew method and posted it on U-tube.

## July 14th Virtual Club Meeting

Grab your drink of choice and sign in any time after **7:15pm on Tuesday, July 14<sup>th</sup>** for the club's third virtual meeting! The meeting will open up 15 minutes early to welcome you and ensure the technology is working ahead of our event. If you missed our previous Zoom meetings and you're new to Zoom, please take a look at the "**Super Easy Guide for Zoom**" – a resource offering some great Zoom tips & pointers, sent in a separate email. Details are below for the upcoming event and we look forward to "seeing you" on the little screen.

- To join the meeting on your smartphone, tablet (such as an iPad) or computer, simply click this link: <https://us02web.zoom.us/j/89819519676>
- If that does not work, copy & paste the above link into your browser (a "browser" refers to a program on your computer that allows you surf the internet called: Chrome, Safari, Firefox, Edge, Internet Explorer, IE, Opera, or other name).
- **Note:** On your Smartphone/cell phone or tablet device, you may be asked to install the Zoom application. This is a safe application and is fine to install (it is a free app; just follow the instructions).
- Zoom is a very social platform enabling us to include live video feeds from other members. We'd love to be able to see you too so please:
  - o Grant permissions to use your video camera and microphone;
  - o Put your device in a place that is well lit (e.g. near a window) and where light shines in front of you (not from behind);
  - o Sit or stand where we can see your face clearly (you should be able to see your face on your screen)
- **Optionally, you can also join the Meeting using your home telephone or mobile telephone,** though without the ability to see your Club friends.
  - o Dial this local toll-free number: **778-907-2071**
  - o Enter the following meeting ID: **898 1951 9676**
  - o Wait until you are connected.
- Finally and to avoid any excessive data plan charges on your Smartphone or tablet, make sure you are using your home's WiFi connection NOT your carrier's data plan when using Zoom.

## A SOCIALLY RESPONSIBLE RUN TO SQUAMISH

Saturday July 11, 2020 10:30 a.m.

Come celebrate B.C. Collector Car Appreciation Day with a drive on the spectacularly scenic Sea To Sky Highway. Starting point is North Vancouver ending at Squamish. Pre-order fish and chips from the Wigan Pier Restaurant or bring a picnic lunch to enjoy in the park, and then enjoy a guided tour of the West Coast Railway Heritage Park with railway author and historian Timothy Horton who will speak about selected exhibits. Participants can stay and explore the park on their own after the guided tour.

The fish and chips will be pre-ordered, and additional food and beverages will be available at the railway museum. The museum is offering a special discounted and all-inclusive ticket price of only \$15.00 for our club, which includes mini-rail, speeder and rail diesel car rides.

This event is limited to 50 people, so pre-registration is mandatory. Participation will be on a first come, first serve basis. Visit our website at [www.jaguarmg.com](http://www.jaguarmg.com) to register and pay in advance for lunch and the museum. You will receive confirmation and drive details. Required information: Driver name, phone number, number of passengers, vehicle description, lunch order, and museum entry.

In light of the COVID-19 pandemic, all participants will be required to abide by the Health Canada and Provincial Health Officer's guidelines. Those visiting the railway museum will also be required to comply with the guidelines in place there. By registering the participant knows, appreciates and understands the risks associated with attendance of the event given the COVID-19 pandemic and indemnifies and holds harmless The Jaguar MG Club for any loss and/or damage whatsoever arising from attending the event. Please do not attend our drive to Squamish if any of the following applies: you have a fever, cough or difficulty breathing, you have been outside the country in the past 14 days, you have had or been in close contact with a confirmed or probable case of COVID-19.

We look forward to seeing you and your car on July 11. For further information please contact the event organizer Timothy Horton at [thorton@telus.net](mailto:thorton@telus.net) or (604) 922-1856.

# The Classic Auto Rally—The CAR or LeCAR And The COVID Bash

## Saturday, August 15th, 2020

The CCMGC / CXKJR is pleased to present the **Classic Auto Rally** and the **COVID Bash** picnic. A fun day for the whole family. The day's events also include live entertainment during the picnic lunch at the Newby Estate Tent (CARNET), followed by a tour of the Newby Garage.

- This event is limited to a maximum of 50 people.
- You must pre-register for the Rally, and/or for the COVID Bash Picnic, by emailing [patilbury@shaw.ca](mailto:patilbury@shaw.ca) or by texting to 604.889.5067.
- Registration is open now, and will close August 11th, or when the maximum number is reached.
- Social distancing will be practised, and face masks are recommended.

### The Rally:

- Please email or text the names of the driver, the co-driver, and any others in the CAR. Please also indicate the CAR make and model.
- The CAR is an event showcasing the fun with navigation. Therefore, a CAR must have a minimum of 2 occupants, with valid BC Driver's licenses.
- Registrants will receive the CAR details by email 2 days before the event. This email will include the start location, their start time, and the route notes.
- Entrants are asked to bring 2 or more items for the Surrey Food Bank.

### The Picnic:

- For those attending the picnic there will be a \$10 door charge to cover the cost of the entertainment.
- Please bring your own beverage, your own picnic and your own chairs.

**For additional information, or if you have any questions, please contact the CAR organisers, Peter & Anne Tilbury by email or phone on the email address and tel number above.**

*In the light of the COVID-19 pandemic, all participants will be required to abide by the Health Canada and Provincial Health Officer's guidelines. ## **Classic Auto Rally (CAR)**

## **and COVID Bash Picnic**

**Saturday, August 15th, 2020**

The CCMGC / CXKJR is pleased to present the **Classic Auto Rally** and the **COVID Bash** picnic. A fun day for the whole family. The day's events also include live entertainment by Bernie and Red during the picnic, followed by a tour of the Newby Garage.

Make the day fit your schedule. You can participate in both the Rally and the Picnic **or** attend either the morning Rally **or** afternoon Picnic. Pre-register for these events by e-mailing Peter and Anne Tilbury at [patilbury@shaw.ca](mailto:patilbury@shaw.ca) or by texting to [604.889.5067](tel:604.889.5067). The last day for registration is August 12<sup>th</sup>. But don't leave the organizers in suspense wondering if you are coming.

### **CAR, the Rally:**

- Please email or text the names of the driver, the co-driver, and any others in the CAR to Peter and Anne Tilbury. Please also indicate your car's make and model.
- The CAR is an event showcasing the fun with navigation. Therefore, a CAR must have a minimum of 2 occupants, with valid BC Driver's licenses.
- Registrants will receive the CAR details by email 2 days before the event. This email will include the start location, their start time, and the route notes.
- The end point is the Newby's estate and cars should start arriving after 1:00 pm.

### **Covid Bash, the Picnic:**

- Please bring your own beverage, your own picnic, and your own chairs.
- Please register the names of all who are coming with you in your car by e-mailing Peter and Anne Tilbury.
- Don't forget to bring and show your classic car.
- Guests can begin arriving at the Newby's after 12:00 pm.
- Entertainment will begin at 3:00 pm.

### **Supporting the Community:**

Please help the Surrey Food Bank by bringing 2 or more food items to the Drive or Picnic.

#### **About the entertainment:**

### **Bernie and Red**

Are musical humourists who blend their English humour with observations about North America in their music. Their music covers every era, but mostly those classics that you remember from the '50s and '60s.

Originally from Liverpool, England where they met as teenagers at the Cavern, watching the Beatles, Bernie & Red moved to Canada in the late '70s. Bernie & Red have been performing around the world for the past 36 years.

Learn more about Bernie & Red by visiting their website [www.bernieandred.com](http://www.bernieandred.com)

#### **Other important information**

This event is limited to a maximum of 50 people.

You must pre-register for the Rally, and/or for the COVID Bash Picnic, by emailing [patilbury@shaw.ca](mailto:patilbury@shaw.ca) or by texting to [604.889.5067](tel:604.889.5067).

Registration will close August 12th, or when the maximum number is reached.

Social distancing will be practised, and face masks are recommended.

**For additional information, or if you have any questions, please contact the CAR organizers, Peter & Anne Tilbury, by email or phone on the email address and tel number above.**

#### **Covid-19**

In keeping with current provincial regulations, in-person meetings are limited to **50** persons. Also, for meetings of this type a list of attendees will be retained for contact tracing requirements. These two requirements dictate that pre-registration for the meeting is required.

All participants will be required to abide by the Health Canada and Provincial Health Officer's guidelines. By registering, a participant knows, appreciates, and understands the risks associated with attendance at the event given the COVID-19 pandemic, and indemnifies and holds harmless the Canadian XK Jaguar Register and the Canadian Classic MG Club for any loss and/or damage whatsoever arising from attending the event.

By participating you agree to take precautions including social distancing and wearing a face mask when appropriate. You also declare that you have no symptoms, and not knowingly are at risk or have been exposed to any infected person, or travelled out of province in the last 30 days.

**2007 XK8 Jaguar Coupe**

Racing Green with Caramel Interior

- Vancouver car with 124,500 km (mostly highway) owned by Tom and Wanda Doyle
- Purchased in Nov 2013 through the Jag dealer in Vancouver and it was previously owned by, coincidentally, one of our own Jag Club Members, Jim McLean.
- Serviced by Silk Cat Automotive. Maintenance Record/File is available
- 124,500 km. Drives beautifully. In excellent shape for a 2007 car.
- Some wear on shift gear and steering wheel which could be touched up with paint but a minor expense.
- Oil cooler and Battery replaced Sept. 2019
- Cat convertors Nov. 2018

\$20,000 obo

# MARKET PLACE

\* FOR SALE

This is a fairly complete car with many extra parts for complete restoration. Currently has no engine in it because when I bought it someone had installed a Mark 2 XK engine with automatic box in it, and in so doing had altered the engine mounts on the chassis and made an alteration to the firewall that I believe can be repaired using the matching section out of the donor car that is available to accompany this Mark V when purchased. The car also did not have the original engine with it. I still have the XK engine and gearbox as it came out of the car and could supply that if the new owner wanted to put it back in the car. The car will need a clutch assembly as the original was removed when the auto box was put in the car. I may have one for it (not sure).

In response to its lack of correct engine I acquired a donor Mark V chassis and tub (which can accompany the Mark V when sold). I did that because I was able to acquire the matching numbers engine block for that chassis, as well as the number plate. By using that chassis properly cleaned up and painted, it solves the engine mount issue (its mounts have not been altered) and delivers a matching numbers chassis and engine block and a correct number plate. I have obtained the Heritage Certificate for that number plate. Obviously the car needs a full engine rebuild but I also have quite a few parts for that. All chrome is present with the car. There is a full interior that is a replacement from original and would obviously benefit from being replaced with a better quality interior kit, but the headliner may be satisfactory to keep (it needs cleaning but is in generally good condition in the car) depending on the colour chosen for the interior. I believe that all the wood is present and in the car along with the full instrument cluster and keys. Only minor work looks to be necessary on a few of the wood pieces. Dash is in good shape. Will of course need new tires.

The Heritage Certificate for the matching number chassis, engine and plate states the car was originally Birch Grey with Red interior, but of course the nice part is that it can be redone in any colour combination the new owner favours. The car came from the interior and is very rust free for its age. I would not anticipate a lot of body work being required at all except restoring the firewall (hopefully using the section from the donor car as a template or as a replacement section). The body is in very good condition (currently grey in colour). Along with the car I have a very nearly complete restored tool kit (I think only missing two items) and it has many of the very hard to source tools. I will include it with the car for an additional cost (assembling a tool kit for older Jaguars like the Mark V is both challenging and extremely costly, with many tools now becoming unavailable). The asking price is \$8500 or near offer. Tools extra at current market rate.

I can be contacted at [gsmoy@telus.net](mailto:gsmoy@telus.net) or by phone at 250-743-5463. Posted by Geoff Moyse, Jaguar Car Club of Victoria, B.C.

# 37<sup>th</sup> KRUISE FOR KIDS

## November 1, 2020

The routine has Changed

Between 9 am and 1 pm drive directly to the Langley Events Center. Enter the Parking Lot from 202A Street, stay in your car. There will be volunteers to take your gifts for the kids directly to a Christmas Bureau trailer. Make sure your cash/cheque donation is in an envelope, include your name and address, and indicate if you would like a receipt.

It maybe a bit crazy - but it will be fun!

Hallowe'en, Time Change, and a new Routine.

For more information contact:

Doua or Rhonda @604-521-3021

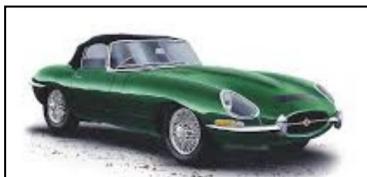

## A Message from Doug Gale

Let me be the first to wish you all a Merry Christmas and that brings me to the subject at hand. Yes I know it's only October but the Kruise for Kids is the first Sunday in November which is November 1<sup>st</sup> this year. And things are going to be different. The whole charity thing is in turmoil, people not working, many businesses closed etc. We can't have our Kruise as normal, so we decided on a drive thru! The Lower Mainland Christmas Bureau is very concerned because so many of their fund raising events have been cancelled. So here we go - the 37<sup>th</sup> annual Kruise 4 Kids -the first and hopefully last DRIVE THRU EVENT . Please see the included Poster or go to the website for more information: [www.kruiseforkids.com](http://www.kruiseforkids.com)

If you would like to donate a gift (toy) or make a monetary donation and are unable to attend in person I am glad to pick it up from you. Make all cheques payable to LMCB (Lower Mainland Christmas Bureau), 1870 Pandora St, Vancouver, BC V5L 1M5. Please give me some lead time if you would like your donation picked up or you can call me and make a pledge. THANK YOU, in advance, for your generosity!

## The Tony Cox Memorial Whimper Wonderland Drive January 1st, 2021

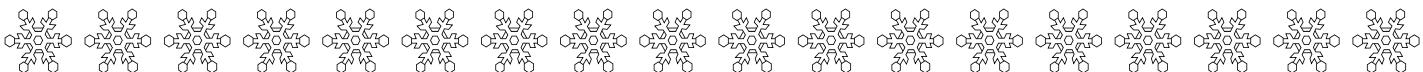

CCMGC and CXKJR members are invited to join Old English Car Club (OECC) members, Langley Mostly British (LAMB) members, and other British car owners for a drive on New Year's Day to blow away the winter cobwebs. This event was renamed last year in memory of a CCMGC member who passed away the previous year. Tony was also a member of the OECC and LAMB, and enjoyed driving his MGA with the top down in all kinds of weather.

The event will start at about 11am on Friday January 1st, from the Chevron station at 176th Street and 8th Avenue, in South Surrey. Due to the existing Covid restrictions, the traditional pub lunch with quiz will not be part of the program. This event will go come rain or shine, but please be aware that the format may change if the Covid regulations are changed in the interim.

We encourage participants to wear a silly hat, and a mask.

For more information: Please contact Peter and Anne Tilbury on [patilbury@shaw.ca](mailto:patilbury@shaw.ca), or 604 889 5067.

**\*\*\* FOR SALE  
RESTORATION PROJECT  
340 Mk II Jaguar**

I've had the car for about 10 years, I'm the second owner and purchased it in as project. It's reasonable sound, good rocker panels. It's reasonably sound, all rust is repairable by an amateur.

It's entirely complete, all of the interior, trim etc. is safely stored. It did run fine, no smoke, knocks etc. but that was a quite a while ago. It has a louvered bonnet but comes with a second bonnet. It also comes with some replacement items for the rear suspension.

I was hoping to complete it over the winter ( COVID = staying at home this winter) but my workspace is filled up.

If you could forward it to anyone who you think is a restoration enthusiast I'd be happy to provide all the information.

I have an asking price of \$3800.
