MIKE POWLEY MEMORIAL COLLECTIBLES NIGHT

WEDNESDAY, MARCH 8

For many years Mike Powley organized the March membership meeting as an opportunity for club members to present displays of models and/or other collectibles (not required to be car-related).

If you have any treasured collections that you would like to share with the club, consider being part of the March 8 Collectibles Night at the Burnaby Lake Clubhouse. As was done last year, participants will have the option of presenting their collections in-person by showing their collection on a display table at the Clubhouse. For those who are out of town or can't attend the meeting for other reasons, there will be an option of submitting photos of the collection that will be shown in a PowerPoint.

There are a limited number of spaces available for collections, so contact Jennifer Orum as soon as possible to find out the details and how to apply. jlorum@shaw.ca.
