ALL BRITISH FIELD MEET VANDUSEN GARDENS—MAY 20TH, 2023

Diane Stanley and Robert McCullough at the CCMGC display.

We are looking for people to represent our Clubs at our Jaguar and MG tents. It's a great opportunity to show off our Clubs to Jaguar and MG enthusiasts who might consider becoming members or attend our annual events.

If you are attending the ABFM this year and can spare an hour or more to sit at either the MG or the Jaguar table please contact Malcolm Stanton at malcolmisinyvr@gmail.com or Mike McChesney at michaelmcchesney57@yahoo.com. Give them your preference for location: MG or Jaguar. Also, provide the time of day or flexibility on time for attending the display. The displays should be open to the public between 10:00 and about 3:30.

As a volunteer you would answer questions people might have about our club and events. At the tables we will have display copies of our award-winning Classical Gas magazine, club information brochures, membership forms and pamphlets about our annual Heritage Classic weekend. You will probably be asked questions about your own car and hear stories about the visitor's cars or the one their uncle had in the 60's. Its great fun.

This year at the MG table we will have some extra information promoting MG's 100 th anniversary. I hope we can count on your support. Please let us know.

Set of 4 Jaguar XJ 19" Rims

Norman Sung has some rims for sale, details below:

My friend just bought an extreme low milage X350 from US auction and a set of rims separately which are for 2010-2019, later model of XJ. Among the four rims set the rear rims are wider like an inch. See attached photos.

The set seems not fit into the X350 anyway. My friend is a kind of disappointed. The rims condition are like mint as was lightly used with further refurbished upon arrival in Vancouver recently. A very beautiful and aggressive turbine look design. Genuine Jaguar Alloys C2D4499 C2D4500

Asking for \$3k.
