President's Message

Our last social event for 2025 is the pot-luck Christmas dinner at the Club on **Wednesday, December 10th**, from 7.30pm. This will be followed by the presentation of the Club awards for 2025. All members are invited along with their spouses, partners, or girlfriends. Please bring a plate of food – it can be an appetiser, a main dish, or a dessert. There will be a power cord available if your dish needs to be kept warm. Plates and cutlery will be provided by the Club, and there will be Tim Horton's coffee for those that want it.

The first driving event of 2026 is the annual **Cox Memorial Whimper Wonderland Run** held on Thursday January 1st. This New Year's Day event goes rain or shine, and has only once been cancelled due to excessive snow. Details of the event, and how to pre-register, is included elsewhere in this LCG. The next Club meeting will be on January 14th.

We thank you for your continued support of the Club and wish everyone a happy and safe Christmas season.

I am pleased to confirm that all the nominees for the Executive positions were elected unanimously at the AGM. Welcome to Kevin Parenteau, VP Jaguar, and John Evans, VP MG, and welcome back to Marcey Gibson, Past President Jaguar, and Troy Bell, a Club Trustee who will also hold the position of Past President MG in 2026. David Crouch, Jaguar President, and myself, MG President, will continue in those positions for another year. Allen Brown as Treasurer and Brian McBride as Secretary, were also confirmed.

2026 COX MEMORIAL WHIMPER WONDERLAND RUN Thursday, January 1st.

The annual **Whimper Wonderland Run** is the ideal way to start the New Year, and is a guaranteed cobweb remover and hangover cure. The event will start from the Chevron Gas Station at 176th Street (Hwy 15) and 8th Avenue in South Surrey, around 11am. Our Club will be joined by members of Langley Mostly British Club (LAMB), the Old English Car Club (OECC), the Vancouver Mini Club (VMC), the Pre-56 MG Club, and the Fraser Valley British Motor Club.

The Run celebrates the original organisers, Tony and Judy Cox, who were members of CCMGC, LAMB and OECC, and also Chris Carter, a member of the VMC, who was tragically killed on New Year's Day. This year's Run is about 50 kms (30 miles) in length and will take about 75 to 90 minutes to drive. It ends at the Jimmy Mac's Pub in Port Kells for lunch and the traditional British car quiz. Please pre-register for this event by email to membership@jaguarmg.com before December 27th, indicating your car and the number of people so we can advise the Pub. The event is limited to 35 cars, or 70 people, so please register early. Route notes will be emailed to entrants.

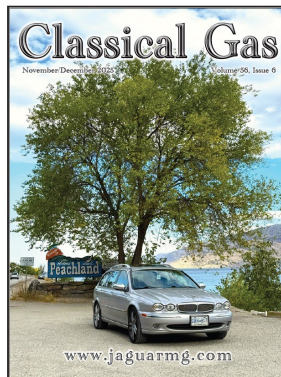

There are several prizes to be won on the day – the best head gear at the start, as chosen by the organisers, along with two awards for the quiz winners and runners up. Please gather from 10.30am for socialising and photographs.

“Examples of January 1st head wear – Tony Cox and Francine Reilly competing for best red hair.”

**Fibreglass hard top for a MGB
Also Body Shell**

The rear window is good. Yes, I will prep and paint it in what ever colour. \$300 for the hard top as is, another \$300 for the painting, if desired.

The available body shell is a '74. All the sheet metal work has been completed including inner and outer sills, rear quarters, floors etc. It would indeed be a perfect start to a vintage racer. The front subframe is clean and attached, as is the rear axle and springs. It's a roller basically. There are also two new fibreglass front fenders that go with the car, again, in keeping with the race car possibility. The price is \$1500. It needs a good home soon, as winter is coming and my shop is full of active projects.

1964 Jaguar E Type Series 1 Roadster

This restored British Racing Green Jaguar E Type was restored by Tom Doyle over the last 20 years. The body, mechanical and electrical systems have all been rebuilt from the ground up.

It is powered by the 3.8 L 6L engine, serials numbers matched to the factory. It was restored to be driven with disc brakes with Wilwood front calipers, braided SS oil lines, conversion to a negative ground, adjustable heavy torsion bars, Dayton wire wheels with Pirelli tires.

This car won second place in the 2017 Jaguar Concours D'Elegance in the driven class. The only recent modification has been the addition of a heat shield to sit between the alternator and the engine.

Tom adored this car and loved driving it while exploring Jaguar history with it. My sister and I have enjoyed it for the last few years, but have decided to find this car a new caretaker. It is a special car with 98,000 miles on the odometer. It is ready to drive and enjoy.

Before going to an auction, we thought we would offer the car first to a local buyer. We had the car appraised by Mark Erickson of Remarkable Vehicle Appraisals which leads to our asking price of \$390,000 CDN. We can provide a copy of the appraisal upon request. The price includes the provenance for the car, a rebuild diary and driving log. Also included are a few spare parts, including a new clutch plate.

Please contact Doug Doyle at lux_beata@hotmail.com or by phone at 604-616-7155.

Thanks for your interest.
