## MG PRESIDENT'S MESSAGE

Happy New Year to all members of CCMGC. Your 2025 Club Executive are planning to make this year an interesting one with both driving and social events. We can also confirm that we plan to have a Presidents' Run this year over the weekend of September 26<sup>th</sup> - 28<sup>th</sup>. Twenty twenty five is the 70<sup>th</sup> anniversary of the MGA, so we will be having some special events to celebrate this milestone.

Upcoming members' meetings are January 8<sup>th</sup> – Goodwood Revival presentation, February 12<sup>th</sup> – Valentine's night, and March 12<sup>th</sup> – collectibles displays. We look forward to talking to you on these social nights.

If you have renewed your CCMGC membership, we thank you. If not, please do so to continue receiving Little Classical Gast by email, and Classical Gas, the Club's fine magazine. We are looking for Vice Presidents for both CCMGC and CXKJR for 2025, so please talk to a member of the Executive if interested in either of these important positions, or to get more information.

## JAGUAR PRESIDENT'S MESSAGE

I am delighted to take the reins of the CXKJR for 2025! On the one hand, I have pride at being part of such a long running and award-winning club. On the other, I relish the challenge of trying to address the evolving interests of the club's members as well as navigating an emerging relationship with our parent organization, the JCNA. Interesting times!

I have big shoes to fill. Our past president, Marcey Gibson, led the way last year with a level of boundless energy and creativity that I can only hope to emulate. It is my goal to take Marcey's lead by making things even more fun: more entertaining monthly meetings, more social opportunities at meetings, and more opportunities to enjoy each other's company. We are a car club, first and foremost, but I think we can all agree that it would be a hollow experience without the opportunity to share our love of cars with other like-minded people.

To that end, I want to encourage you to reach out to connect with me via email or in-person at meetings. I am excited to hear any and all ideas about how we can improve the club, but I am equally interested in just meeting new people to talk about cars. I look forward to seeing you in the New Year!

IT'S THAT TIME  
OF YEAR  
AGAIN

  
**KEEP  
CALM  
AND  
RENEW YOUR  
MEMBERSHIP**

CXKJR/JCNA and CCMGC membership renewals are due now. The deadline for all renewals is January 31, 2025. After that date, if you have not renewed your membership, you will no longer receive Classical Gas and Little Classical Gas.

CXKJR (\$56) and JCNA (\$80) renewals are \$136, while CCMGC renewal rate is \$56. There is a surcharge of \$6 if you wish to receive Classical Gas magazine by mail. Should you decide not to renew your JCNA membership you can switch your membership to the MG side of the Club - your benefits are exactly the same, and there is no requirement to own an MG.

Renew online at [jaguarmg.com](http://jaguarmg.com), or call Anne Tilbury, Membership Secretary on 604.889.0225 with your credit card information.

Thank you and Happy New Year.

Anne Tilbury

**MIKE POWLEY MEMORIAL COLLECTIBLES NIGHT**  
**WEDNESDAY, MARCH 12, 2025**

## OPPORTUNITY TO JOIN THE CLASSICAL GAS TEAM

From the Senior Editor: Jennifer Orum

Classical Gas is in its 55th year of publication, having been started by Ian Newby in June 1970 a few months after CXKJR/CCMGC was born. An award-winning publication, Classical Gas is a major contributor to the success of our club.

The November December issue of Classical Gas included a call for members to help with the editing of the magazine. Fortunately help with the editing tasks has now become available.

The November December call for volunteers also announced the need to have someone join the Classical Gas team to be responsible for the renewals of our 25+ CG advertisers. While we have an Ad Manager who focuses on getting new ads to fill vacancies, we require an additional club member to invoice advertisers as their annual renewal date approaches.

Renewal dates are organized into six groups each year – Jan/Feb, Mar/Apr, May/June, July/Aug, Sept/Oct and Nov/Dec – coinciding with the six issues per year. In some cases, after an invoice is sent, personal follow up is necessary to ensure renewal payments are made in a timely way.

I'd be happy to talk to any member wanting more information about the Classical Gas Ad Renewal position. Please contact me at [jlorum@shaw.ca](mailto:jlorum@shaw.ca).

## Newby's Superbowl Party

February 9, 2025

3428 - 262nd Street, Aldergrove

Join the fun from 1:00 pm onward for the 22nd annual Super Bowl Party at the Newby's in Aldergrove. The event is a potluck, so bring a dish to add to the feast and enjoy the game and the camaraderie. A reminder - it's not a requirement to like football. For those who will be following the game, there is a 100" state of the art TV with surround sound to create a true theatre experience. There's always a number of interesting Jaguars and MGs to view at the Newby Estate. This year there will be a reveal of a historically significant Jaguar race car. If there is interest from the attendees, there will be the opportunity to tour parts of the vast collection of military vehicles and uniforms.

For more information on the party, call Doreen or Ian at 604-985-4020.

## MG PRESIDENT'S MESSAGE

If you were unable to attend the January member's meeting, or could not join the meeting on Zoom, you missed a great presentation on the 2024 Goodwood Revival Meeting. Thanks to Jim and Maria Severs, Allan and Lisa Lawrence, and Jennifer Orum who combined to give us an entertaining look at the event, and they did it dressed in 1950s clothing.

February's meeting will celebrate Valentine's Day, and there will be cake! On March 12th, we will see collections of many different items belonging to Club members. Our driving events start with the Spring Run on March 15th, the Easter Bunny Run on April 13th, and Drive Your MG or Jaguar Day on May 3rd.

Entries for the ABFM at VanDusen on May 17th are now open ([www.WesternDriver.com](http://www.WesternDriver.com)), and our Club will be celebrating the 70th Anniversary of the MGA, the 60th Anniversary of the MGB GT, and the 50th Anniversary of the Jaguar XJS and XJC models.

Our Club would like to congratulate our good friend, Nigel Matthews, who was the winner of the Unsung Hero of the year in the **2024 Concours Year Awards**. We also offer our condolences to the family of Barry Ryley, a long time CCMGC member, who died in January. Barry had several MGAs and an MG TD

## SPRING RUN & LUNCH

Each year, CXKJR/CCGMC celebrates the coming of spring with a drive and lunch – a reason to get your MG or Jaguar out on the road after winter. Planning is underway for this year’s Spring Run:

- The date: **Saturday, March 15**
- The start: Real Canadian Superstore in North Vancouver, close to the North End of the Ironworkers Memorial Bridge
- The scenic drive: On the North Shore, going through North & West Vancouver, approximately 1 ½ hours in duration
- Lunch at the West Vancouver Yacht Club

The run is being organized by Jennifer Orum. Watch for further details in Little Classical Gas and on our website [www.jaguarmg.com](http://www.jaguarmg.com). Registration will be set up on the club website.

Just prior to returning from UK in the last few days , I had occasion to call upon the above firm in person.

In addition to manufacturing and selling spares for Classic Jaguars, they also manufacture on site many Lucas parts for British cars, using I was advised the original drawings and specs. Distinctive in that they are sold in black/ red boxes marked Lucas, rather than in green packaging.

Check their website for range and availability. Barratts you may recall purchased a year or two back Holdens of Bromyard - purveyors of classic car parts and accessories - such as leather helmets and goggles!

What you may not be aware of is that in the last few weeks Barratts have been purchased by Radial Equity Partners - the owners of Moss & Rimmers.

Please see the editorial that appeared in January edition of Jaguar Enthusiasts Club’s magazine giving full details

Many thanks, Regards  
John Fry

**WEDNESDAY, MARCH 12, 2025**

For many years Mike Powley organized the March membership meeting as an opportunity for club members to present displays of models and/or other collectibles (not required to be car-related).

If you have any collections that you would like to share with the club, consider being part of the Collectibles Night at the March 12 membership meeting at the Burnaby Lake Clubhouse.

New this year: Participants have a choice of being part of the competition, or having their collection 'for display only' (i.e. 1st, 2nd & 3rd awards would continue to be given out, but not all participants would have their collections voted on).

To give you an idea of what kinds of collections have been shared with the club on Collectibles Night, here are some from recent years:

### **President's Message**

The Valentine's Day themed Members' Meeting on February 12th was great fun, with rose covered cake and heart shaped chocolates in the table decorations. Thanks to Ria Zapf and Maria Severs for their work in making the evening a success. A candid camera video, featuring a car that split in two, had the room filled with laughter.

Our first driving event, the Spring Run later this month, and the Easter Bunny Fun Run in April, are detailed in this Little Classical Gas. Please also mark your calendars for "Drive It Day!" on Saturday, May 3rd (formerly called "Drive Your MG or Jaguar Day").

I would also remind you that our Club is celebrating three anniversaries this year – 70 years of the MGA, 60 years of the MGB GT, and 50 years of the Jaguar XJS and XJC. Special signage will be displayed at the ABFM at VanDusen on May 17th, informing the public about the history of these cars. If you plan to show your car at the ABFM you should not delay your registration, as the show will fill up quickly.

The members' meeting this month will feature the collections of seven Club members. There will also be a special presentation made at this meeting. The meeting on April 9th will feature a guest speaker who will be talking about a very special MG race car.

### President's Message

Firstly, an apology. Due to technical issues, we were unable to provide a zoom connection for the Members' Meeting on March 12th. Sorry for that. Eight members displayed many different collectibles – watches, pens, LP record covers, Land Rover publications, wooden works, auto memorabilia, and international cookbooks. Thank you to all who brought these interesting items, and to Jennifer Orum for coordinating this. The Members' Meeting on April 9th will have an invited speaker. Details of the topic are elsewhere in this Little Classical Gas.

There are two driving events in the coming weeks – The Easter Bunny Fun Run on Sunday April 13th, and the Drive Your MG or Jaguar Day on Saturday May 3rd. Again, there is more information on these events in this LCG. I can also confirm that the Presidents' Run (September 26, 27, 28) will be going to Kelowna, where we will meet with members of the Okanagan British Car Club. Please put these dates in your calendars.

## MEMBERS' MEETING, APRIL 9TH

At the Members' Meeting on April 9th, we are pleased to have Ralph Zbarsky as our invited speaker. He will be talking about the MG Liquid Suspension race car that he restored some years ago. He will give some history on the car, who built it, who drove it, and its race results including at Indianapolis Speedway. His story on how he found the car and what it took to find the necessary parts to get it rolling again, is fascinating.

The speaker will start at around 7.30pm, after a brief introduction.

## ATTENTION ALL JCNA JUDGES AND PROSPECTIVE JUDGES

We will be conducting our 2025 Workshop in conjunction with the Seattle Club.

The school will be hosted by Bill Holmes, Seattle Chief Judge via Zoom on Thursday, April 24th at 7pm. The Zoom link will be sent to our current Judges roster closer to the date.

Please make every effort to participate, as there are a few minor changes to the Rulebook for 2025. This will be a workshop only, we will be conducting testing at a later date, as it is now mandatory for Judges to pass the test each year to retain their certification.

If you are interested in becoming a JCNA Judge or require further information contact Les Garbutt at [lsgrbtt134@gmail.com](mailto:lsgrbtt134@gmail.com)

## SUNDAY, APRIL 27TH MILLTOWN MARINE PUB

Come join your fellow club members and friends for our next impromptu monthly lunch.

When: Sunday, April 27th at 1 PM

Where: the Milltown Marina Pub

9191 Bentley St. #101, Richmond BC (note: although the address is in Richmond the access is from Vancouver-see map)

We were there last year after the Westside Beaches & Southlands Rally and it was most enjoyable, good food, and lots of parking so another great chance to get your club car out for a run.

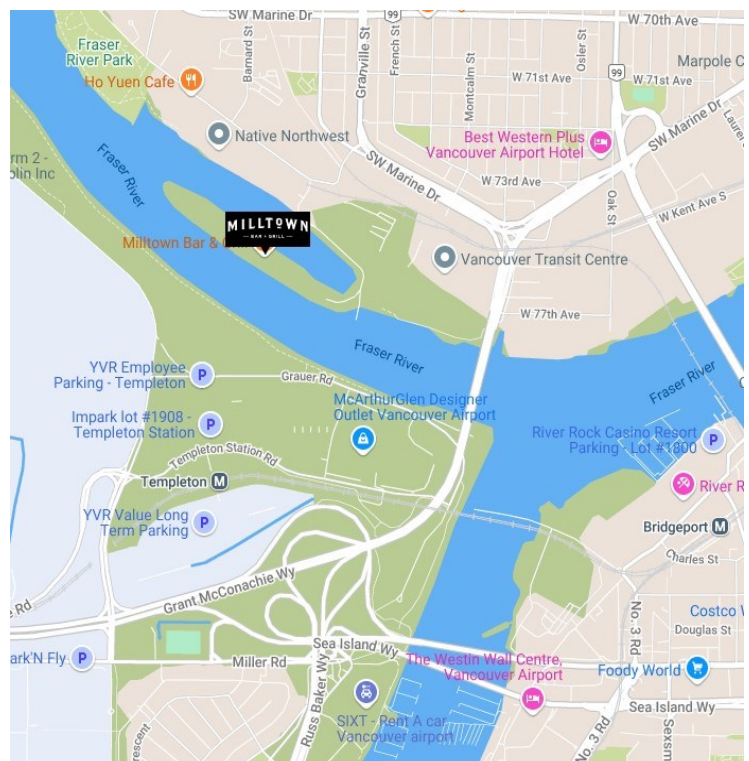

As usual an organized drive is not planned however if you want to relive the rally, or missed the event last year, copies of the route instructions are available by contacting Les & Barbara at [lsgrbtt134@gmail.com](mailto:lsgrbtt134@gmail.com), allow an hour driving time, more if you want to stop and stroll the beaches or the UBC campus)

Lunch Registration: no registration is required, come one, come all.

We have reservations for the group so mention the Jag MG Club when you arrive.  
If you require further information contact the event organizer Les Garbutt at [lsgrbtt134@gmail.com](mailto:lsgrbtt134@gmail.com) or by phoning 604-833-0674.

### **President's Message**

Driving events this past month included the Easter Bunny Fun Run (April 13th) and Drive Your MG or Jaguar Day (May 3rd). Thank you to John Evans and Ria Zapf, first time organisers of the EBFR, and thank you to the 59 participants in Drive It Day from six car clubs, who donated five full boxes of food and \$450 in cash for the Surrey Food Bank. We also had a great turnout for the lunch at the Milltown Pub on April 27th, coordinated by Les Garbutt.

Future events involving our Club members are the Hyack Parade in New West on May 25th, the Highland Games in Coquitlam on June 21st, and the BC Collector Car Appreciation Day on July 12th. At the ABFM in VanDusen, our Club is celebrating 70 years of the MGA, and 60 years of the MGB GT. There will be a CCMGC cake for participants. There will possibly be another pub lunch on Saturday May 31st, so look out for info on this in a future issue of Little Classical Gas.

I would like to remind new members and their partners that the Club provides name badges free of charge. To get one, call Rhonda Gale (604.521.3021), or email her on rhondagale@ymail.com, to let her know if you want one with an MG or a Jaguar logo (or both). Lastly, you will find a poster for GOF West 2025 Virtual Event elsewhere in this newsletter. We encourage you to submit photos of you and your car for this special event. Entries close on July 31st.

# GoF West 2025

*This will be a GoF West unlike any of our previous events. No entrance fee, no regalia, no traveling long distances (unless you want to), and you can have as much fun as you want or can handle.*

This event for 2025 is comprised of just submitting your photo(s) via email of your MG(s) that ties into our theme of Gathering of the Faithful. Use your imaginations as to what to include and no more than three photos. Should include at least one MG in your shot along with faithful friends, faithful family, faithful pets or stuffed animals, your faithful MG or whatever. Please include a short paragraph describing each photo.

While we encourage actually driving your MG for the photo, if your MG is not drivable, in pieces, or the battery is dead, submit a photo anyway. Sold your MG, then disguise your Jag or Triumph somehow. No Photoshopped or AI created photo(s) though.

Photos must be taken and submitted any time from April 9 until July 31, 2025.

All submissions will be in our Fall GoF West Gazette and be posted on our GoF West website for all to view.

Your email should include the following:

- Your name (and navigator if applicable)
- Year and model of your MG
- Club affiliation
- Short description of photo(s)
- Date of photo(s)

We will also accept a club photo if you wish to submit one. We will only accept one per club (and we will decide on which one if we get several from members of one club). Could be just the MGs, just the members, club banner, or a combination. This is separate from the other photo submissions. We are trying to promote clubs, so send in a club photo, club name, date of photo, short description of photo and your name.

Back in the late '80's & early '90's when Jaguar with Tom Walkinshaw Racing (TWR) were winning the World Sportscar Championships and LeMans they conceived the idea of an all-Jaguar Race Series. The Jaguar Sport Intercontinental Challenge. TWR created the carbon-fibre XJR-15 Racecar for private sales to go head-to-head in three support races aligned with the 1991 F1 World Championship at the iconic racetracks of Monaco, Silverstone, & Spa. Les Garbutt, who attended the Monaco event, will be giving a slide show presentation of this little-known Jaguar race history. You won't want to miss it!

## President's Message

It appears that top-down driving days are here. If you are into caber tossing, pipe bands, and single malt Scottish whisky, then the Highland Games at ScotFest on June 21st in Town Centre Park, Coquitlam, may be for you. British cars and their occupants get in free, but the maximum number of cars allowed is thirty. Email Mike Harford for reservations. The following week there is an impromptu Club lunch at Adrian's Restaurant at Langley Airport on Sunday June 29th starting at 1pm. Please email Marcey Gibson by June 25th to confirm your attendance.

The BC Collector Car Appreciation Day drive to the Squamish Railway Museum on July 12th promises to be a great day out. The organiser, Tim Horton, tells me that there will be a car show with other car clubs at the museum, and entry to the museum with a guided tour is included in the show entry fee. Details will be found in Little Classical Gas. In this LCG you will find information on the 2025 Presidents' Run, taking place in the Okanagan from September 26th to 28th. The event hotel in West Kelowna can be booked using the link provided. Your Club Presidents have found some amazing roads for the drive up on Friday, and for the tour on Saturday.

Lastly, entries are rolling in for our Club's major annual event, the Heritage Classic weekend of August 22nd to 24th. The Friday night reception hosted by Jaguar Land Rover of Langley, is limited to 70 people, so early registration is recommended.

# GoF West 2025

*This will be a GoF West unlike any of our previous events. No entrance fee, no regalia, no traveling long distances (unless you want to), and you can have as much fun as you want or can handle.*

This event for 2025 is comprised of just submitting your photo(s) via email of your MG(s) that ties into our theme of Gathering of the Faithful. Use your imaginations as to what to include and no more than three photos. Should include at least one MG in your shot along with faithful friends, faithful family, faithful pets or stuffed animals, your faithful MG or whatever. Please include a short paragraph describing each photo.

While we encourage actually driving your MG for the photo, if your MG is not drivable, in pieces, or the battery is dead, submit a photo anyway. Sold your MG, then disguise your Jag or Triumph somehow. No Photoshopped or AI created photo(s) though.

Photos must be taken and submitted any time from April 9 until July 31, 2025.

All submissions will be in our Fall GoF West Gazette and be posted on our GoF West website for all to view.

Your email should include the following:

- Your name (and navigator if applicable)
- Year and model of your MG
- Club affiliation
- Short description of photo(s)
- Date of photo(s)

We will also accept a club photo if you wish to submit one. We will only accept one per club (and we will decide on which one if we get several from members of one club). Could be just the MGs, just the members, club banner, or a combination. This is separate from the other photo submissions. We are trying to promote clubs, so send in a club photo, club name, date of photo, short description of photo and your name.

Faithful owner

Faithful daughter and grandkids

Questions? - send to email on right.

Send your submissions by **July 31** to:

**Thank you Canadian Classic MG Club and Canadian XK Jaguar Register for helping to promote our event.**

Thank you to the CCMGC / CXKJR for advertising the Show in your newsletters.

Thank you to Jaguar / MG members who drove all the way out to our end of the valley, braving the heat, to display their beautiful classics at the Show. With your help this year's Classic Car Show raised just over \$18,500 for the Chilliwack General Hospital. The registration fees, the raffle car ticket sales, the 50/50 draw, the Sponsor's support and the public donations all contributed to this great total.

We had 165 cars registered. This year's classes: British, American, Modified Classic, Import and "It's too late to stop now" (for works in progress and oddities) were well represented. We continue to receive positive comments from the public about the show and plan on doing it all again next year. Hope to see you there.

Cheers,

## President's Message

We are fully into car show season with an event every weekend it seems. July 12th was the BC Collector Car Appreciation Day and twenty-eight Club Members in six MGs (five of them red!), seven Jaguars (one red), a Sunbeam Alpine, a Mazda Miata (also red), and a Range Rover celebrated the day by driving to Squamish. There they participated in a car show at the Railway Museum of BC. Thanks to Tim Horton for organising this, and for taking us on a fascinating guided tour of the museum and the rail yards around it in the afternoon.

Upcoming events include our Heritage Classic Car Show on Saturday August 23rd (registration and full event information on [jaguarmg.com](http://jaguarmg.com)), and the Presidents' Run to West Kelowna on the weekend of September 26-28 (info in this LCG). Please register your car for Heritage before entries close on August 13th. The speaker at the Members' meeting on August 13th will be Tim Horton – see info in this LCG.

We are still looking for people to fill the VP Jaguar and VP MG positions on the Executive, so please contact myself or David Crouch if you are interested. There is also a vacancy for the AV Editor position for Members' meetings, so if you know your way around PowerPoint, please volunteer for this role. Lastly, a reminder that the Kensington off-ramp off Highway 1 westbound is still closed.

## President's Message

Congratulations to all those Club members who were involved in organising the Heritage Classic weekend on August 22 and 23. We had around 90 cars on the show field. Many thanks also to Doreen and Ian Newby for all their hard work in preparing the tent for the Heritage Revival on the Sunday. We were thoroughly entertained by the Club band, "In Line Six", comprising of Allen Brown, Barry Kulan, Les Garbutt, Allan Lawrence, Tim Horton, and Sean Sinclair.

David Crouch, your CXKJR President, will be talking about the trials and tribulations he overcame in repairing his 2001 Jaguar XJR, at the Club meeting on September 10<sup>th</sup>. Ken Graham is organising an "impromptu" garage tour and lunch in North Vancouver on Sunday September 14<sup>th</sup>. Details are elsewhere in this LCG.

On Friday September 26<sup>th</sup>, cars participating in the Presidents' Run will leave the lower mainland to drive to West Kelowna. We currently have 16 cars with 29 people, who will be joined by 12 members of the Okanagan British Car Club in 7 cars on Saturday. Please note that the Club's block of rooms at the TowneSuites Hotel will expire on September 8<sup>th</sup>.

Lastly, remember that the Kensington off ramp on Highway 1 west bound is still closed due to construction.

OCTOBER 2025

## President's Message

Thank you to all the Club members who participated in the Presidents' Run over the weekend of September 26th to 28<sup>th</sup>. Eighteen cars, nine Jaguars and nine MGs, started off from the Lower Mainland. We were joined by eleven cars from the Okanagan British Car Club for the Saturday drive to the Spallumcheen Golf Club for lunch, and twelve OBCC members joined us for Saturday dinner at the hotel. The TownePlace Suites hotel provided comfortable rooms, and their staff handled the crowded dinner very well.

The Club meeting on Wednesday October 8<sup>th</sup> will feature a presentation on cyber security by Charles Boname. This is a topic that affects us all with constant assault on our cell phones and computers. On Sunday October 19<sup>th</sup> you are invited to join us for the Pumpkin Run, a new event being organised by Ria and John Evans. You are encouraged to dress appropriately for Halloween, and to decorate your Broom Sticks, i.e., your MG or Jaguar. Please also support the Kruse for Kids on November 2<sup>nd</sup> by donating cash through Doug Gale and bringing a new toy to Kwantlen College in Langley.

The agenda for the Club AGM on November 12<sup>th</sup> will be sent out by email to all members, and we are pleased to confirm that there will be complimentary pizza as a gesture of member appreciation.

### “Tips and Tricks for Staying Cyber Safe”

A talk by Charles Boname, Cyber Security Expert and CCMGC member, will be given at the Club Meeting on **Wednesday, October 8th.**

I was visiting my DAUGHTER last night when I asked if I could borrow a newspaper.

“This is the 21st century” she said. “We don’t waste money on newspapers. Here, use my iPad.”

I can tell you this... that fly never knew what hit him...

## WANTING TO KNOW HOW YOU CAN DO MORE FOR THE CLUB?

There are several ways you can help. We are looking for volunteers to participate in committees and event coordination. No experience is necessary. We train on the job. The job comes with great perks. Free parking at the monthly members meetings. Frequent “high fives” for jobs well done. If you are wondering how you can give back to the Club maybe one or more of these ways interests you:

- **The Heritage Classic Committee.** A core group of members forms each year around October / November to plan the following year’s event (held in August). Some Committee members have returned to help over multiple years. The Committee meets monthly by way of Zoom conferencing to plan the Heritage weekend, take on assignments and implement the plan. Next year will be our 55th Heritage Classic. The Committee has a wealth of experience hosting these events. In the past the Heritage event has included a social reception, a car show, a dinner, a drive and even slaloms. As a committee member you would volunteer to take on assignments as well as offer advice and ideas.
- **The Events Committee.** This is an ongoing Committee which plans and implements social events for the Club. These events have included drives, shop tours, dances, lunches, attendance at BC Historic Motor Races and other activities. Creative ideas for events are encouraged. This Committee also meets monthly by way of Zoom conferencing. Events are planned for almost all 12 months of the year. There is a schedule of traditional Club events however there is room to add new ideas. One year the Committee organized a group attendance at a local drive-in movie theatre. As a committee member you would volunteer to take on assignments as well as offer advice and ideas.
- **Specific events.** The Events Committee invites any Club member to work with the Committee to coordinate individual events throughout the year. With guidance from the Events Committee a member may wish to organize a drive, a social event or business tour for example. If you have an idea for an event, contact the Events Committee.

Note: The Committee is now looking for a member to organize next March’s **Spring Run**.

These are typically one-to-two-hour drives ending at a location for lunch.

If you would like more information about opportunities to participate in any of these ways to support the Club, please contact Mike McChesney at [bmcchesney87@gmail.com](mailto:bmcchesney87@gmail.com) or call (604) 316-1175, or Marcey Gibson at [marceygibson@gmail.com](mailto:marceygibson@gmail.com).

We don’t have a limit on how many club members can participate in these committees. As you can see all have experienced members who return to help each year.

## HELP THE CLASSICAL GAS TEAM RETAIN ADVERTISERS

This year, Wakefield Canada continued their Castrol GTX Classic ad until the July August Classical Gas. It won't be in the next two issues, but we understand they will be taking another look early in the New Year at whether to re-introduce an ad in 2026.

It will be very helpful if you could notify us if you:

- (a) are currently using Castrol GTX in your classic car
- (b) have used it in the past
- (c) intend to use it in the future

We would appreciate you sending a short email with this information to [jlorum@shaw.ca](mailto:jlorum@shaw.ca) by October 31. We will be summarizing the results for our club as a whole, not identifying the answers given by individuals.

Classical Gas has 26 advertisers, with the income assisting us to produce a high quality, glossy print magazine. CXKJR/CCMGC members get a choice to receive the printed or electronic versions of Classical Gas.

Our Classical Gas team works hard at attracting and retaining advertisers. Given the economic climate and the uncertainties about so many things in the world today, advertisers often reevaluate whether having an ad is justifiable.

Over the years, we have asked members if they use/have used a particular advertiser's product or service. This information can be helpful in convincing advertisers of the value of continuing their ad with us.

Wakefield Canada has been a long term Classical Gas advertiser for their Castrol Oil. In the spring of 2023, they introduced a new made-in-Canada product "Castrol GTX Classic". Starting with the March/April 2023 Classical Gas, they increased the size of their ad to a full page. They asked us to work with them to find a suitable image to use in the ad, which when it came out, included a photo of Malcolm Reith's 1962 Jaguar E-Type Roadster.

Thank you for your assistance!

Jennifer Orum

Classical Gas Editor

*[After the following announcement appeared in the October Little Classical Gas, twenty members submitted responses. It will be helpful to hear from more members, to strengthen our case to Wakefield Canada for them to re-establish their Castrol GTX Classic ad in Classical Gas. Thank you to those who responded. I would encourage others who use this special oil to send me an email as noted below. Jennifer Orum]*

### **Help the Classical Gas Team Retain Advertisers**

Classical Gas has 26 advertisers, with the income assisting us to produce a high quality, glossy print magazine. CXKJR/CCMGC members get a choice to receive the printed or electronic versions of Classical Gas.

Our Classical Gas team works hard at attracting and retaining advertisers. Given the economic climate and the uncertainties about so many things in the world today, advertisers often reevaluate whether having an ad is justifiable.

Over the years, we have asked members if they use/have used a particular advertiser's product or service. This information can be helpful in convincing advertisers of the value of continuing their ad with us.

Wakefield Canada has been a long term Classical Gas advertiser for their Castrol Oil. In the spring of 2023, they introduced a new made-in-Canada product "Castrol GTX Classic". Starting with the March/April 2023 Classical Gas, they increased the size of their ad to a full page. They asked us to work with them to find a suitable image to use in the ad, which when it came out, included a photo of CXKJR member Malcolm Reith's 1962 Jaguar E-Type Roadster.

**This year, Wakefield Canada continued their Castrol GTX Classic ad until the July August Classical Gas. It won't be in the next two issues, but we understand they will be taking another look early in the New Year at whether to re-introduce an ad in 2026.**

**It will be very helpful if you could notify us if you:**

- (a) are currently using Castrol GTX Classic in your classic car \_\_\_\_
- (b) have used it in the past \_\_\_\_
- (c) intend to use it in the future \_\_\_\_

**We would appreciate you sending a short email with this information to [jlorum@shaw.ca](mailto:jlorum@shaw.ca) by October 31. We will be summarizing the results for our club as a whole, not identifying the answers given by individuals.**

**Thank you for your assistance!**

# Kruise for Kids 2025

November 2

Thank you to everyone who contributed to make the event a success.

Our club's donation was \$7440.40, the second highest from a car club! Peter Tilbury was on hand to present the donation to Chris Baylis of the Lower Mainland Christmas Bureau. There may be a photo in Classical Gas with a more in-depth article. Many thanks to our members who attended – Peter and Anne Tilbury, “the Harfords” - Mike , Tonya, Josie and Phoebe (with friend Marcus), Doug and Rhonda Gale, Ria Zapf and John Evans, Allan and Lisa Lawrence, John Morse and Chris Down. To anyone who I missed mentioning, sorry I didn't see you. The total raised this year with donations still arriving is \$37,986.50 in addition to many, many amazing toys.

I thought I was losing weight, but it turned out my sweatpants had come untied.

I get most of my exercise these days from shaking my head in disbelief.

## WANTING TO KNOW HOW YOU CAN DO MORE FOR THE CLUB?

There are several ways you can help. We are looking for volunteers to participate in committees and event coordination. No experience is necessary. We train on the job. The job comes with great perks. Free parking at the monthly members meetings. Frequent “high fives” for jobs well done. If you are wondering how you can give back to the Club maybe one or more of these ways interests you:

- **The Heritage Classic Committee.** A core group of members forms each year around October / November to plan the following year’s event (held in August). Some Committee members have returned to help over multiple years. The Committee meets monthly by way of Zoom conferencing to plan the Heritage weekend, take on assignments and implement the plan. Next year will be our 55th Heritage Classic. The Committee has a wealth of experience hosting these events. In the past the Heritage event has included a social reception, a car show, a dinner, a drive and even slaloms. As a committee member you would volunteer to take on assignments as well as offer advice and ideas.
- **The Events Committee.** This is an ongoing Committee which plans and implements social events for the Club. These events have included drives, shop tours, dances, lunches, attendance at BC Historic Motor Races and other activities. Creative ideas for events are encouraged. This Committee also meets monthly by way of Zoom conferencing. Events are planned for almost all 12 months of the year. There is a schedule of traditional Club events however there is room to add new ideas. One year the Committee organized a group attendance at a local drive-in movie theatre. As a committee member you would volunteer to take on assignments as well as offer advice and ideas.
- **Specific events.** The Events Committee invites any Club member to work with the Committee to coordinate individual events throughout the year. With guidance from the Events Committee a member may wish to organize a drive, a social event or business tour for example. If you have an idea for an event, contact the Events Committee.

Note: The Committee is now looking for a member to organize next March’s **Spring Run**.

These are typically one-to-two-hour drives ending at a location for lunch.

If you would like more information about opportunities to participate in any of these ways to support the Club, please contact Mike McChesney at [bmcchesney87@gmail.com](mailto:bmcchesney87@gmail.com) or call (604) 316-1175, or Marcey Gibson at [marceygibson@gmail.com](mailto:marceygibson@gmail.com).

We don’t have a limit on how many club members can participate in these committees. As you can see all have experienced members who return to help each year.

Fibreglass hard top for a MGB  
Also Body Shell

The rear window is good. Yes, I will prep and paint it in what ever colour. \$300 for the hard top as is, another \$300 for the painting, if desired.

The available body shell is a '74. All the sheet metal work has been completed including inner and outer sills, rear quarters, floors etc. It would indeed be a perfect start to a vintage racer. The front subframe is clean and attached, as is the rear axle and springs. It's a roller basically. There are also two new fibreglass front fenders that go with the car, again, in keeping with the race car possibility. The price is \$1500. It needs a good home soon, as winter is coming and my shop is full of active projects.

## 1964 Jaguar E Type Series 1 Roadster

This restored British Racing Green Jaguar E Type was restored by Tom Doyle over the last 20 years. The body, mechanical and electrical systems have all been rebuilt from the ground up.

It is powered by the 3.8 L 6L engine, serials numbers matched to the factory. It was restored to be driven with disc brakes with Wilwood front calipers, braided SS oil lines, conversion to a negative ground, adjustable heavy torsion bars, Dayton wire wheels with Pirelli tires.

This car won second place in the 2017 Jaguar Concours D'Elegance in the driven class. The only recent modification has been the addition of a heat shield to sit between the alternator and the engine.

Tom adored this car and loved driving it while exploring Jaguar history with it. My sister and I have enjoyed it for the last few years, but have decided to find this car a new caretaker. It is a special car with 98,000 miles on the odometer. It is ready to drive and enjoy.

Before going to an auction, we thought we would offer the car first to a local buyer. We had the car appraised by Mark Erickson of Remarkable Vehicle Appraisals which leads to our asking price of \$390,000 CDN. We can provide a copy of the appraisal upon request. The price includes the provenance for the car, a rebuild diary and driving log. Also included are a few spare parts, including a new clutch plate.

Please contact Doug Doyle at [lux\\_beata@hotmail.com](mailto:lux_beata@hotmail.com) or by phone at 604-616-7155.

Thanks for your interest.

## 2026 COX MEMORIAL WHIMPER WONDERLAND RUN Thursday, January 1<sup>st</sup>.

The annual **Whimper Wonderland Run** is the ideal way to start the New Year, and is a guaranteed cobweb remover and hangover cure. The event will start from the Chevron Gas Station at 176<sup>th</sup> Street (Hwy 15) and 8<sup>th</sup> Avenue in South Surrey, around 11am. Our Club will be joined by members of Langley Mostly British Club (LAMB), the Old English Car Club (OECC), the Vancouver Mini Club (VMC), the Pre-56 MG Club, and the Fraser Valley British Motor Club.

The Run celebrates the original organisers, Tony and Judy Cox, who were members of CCMGC, LAMB and OECC, and also Chris Carter, a member of the VMC, who was tragically killed on New Year's Day. This year's Run is about 50 kms (30 miles) in length and will take about 75 to 90 minutes to drive. It ends at the Jimmy Mac's Pub in Port Kells for lunch and the traditional British car quiz. Please pre-register for this event by email to [membership@jaguarmg.com](mailto:membership@jaguarmg.com) before December 27<sup>th</sup>, indicating your car and the number of people so we can advise the Pub. The event is limited to 35 cars, or 70 people, so please register early. Route notes will be emailed to entrants.

There are several prizes to be won on the day – the best head gear at the start, as chosen by the organisers, along with two awards for the quiz winners and runners up. Please gather from 10.30am for socialising and photographs.
